

The Lockerby Newsletter

LCS News Update (Mar. 5-Mar. 9)

RDSB Talent Show

Lockerby students attended the Board-wide Talent Show on Monday, March 5, hosted by the RDSB Student Senate. Many RDSB students showcased their amazing talents at the show. Our very own Sara Perfetto with fellow dancers from Happiness Is Dancing showcased their beautiful dancing talent! Thank you to LCS Student Senate representatives Mia Jensen and Sophie Tomlin for helping organize this wonderful event.

Lockerby Music Program

Congratulations to the LCS Concert Band on their Gold at the 2018 Northern Ontario Music Festival. The group has been working incredibly hard over the past few weeks, including several three-hour Sunday rehearsal marathons leading up to this Music Festival. The hard work paid off as the judges were wowed by the mature sound produced by this group. In addition to their Gold award, the group was invited to play at the National level of the festival which takes place in May in Toronto. You can catch our group's next performance for the Kiwanis Music Festival which will take place Wednesday, March 28 at 9 am in the auditorium of St. Benedict's High School. Hope to see you there!

OSSLT Prep

Ms. Baggs will be running workshops for students who are writing the April 10, 2018 OSSLT. Students should be attending these sessions, along with practicing at home. In school workshops are on March 29, April 3, 4, 5, 6, and 9 and students can sign up in Guidance.

Please visit <http://www.eqao.com/en/assessments/OSSLT/Pages/example-assessment-materials-2016.aspx> for sample materials.

OSSLT Workshops Drop-In Session:

Every Wednesday during lunch in Room 102.

Know a high school student interested in pursuing a career in health care?

This Northern Ontario School of Medicine (NOSM) will host their 13th week-long summer camp this year for high school students interested in a career in health care.

Formerly known as NOSM's Health Sciences Summer Camp, CampMed features new branding and a renewed focus on four core learning areas: interprofessionalism, leadership, culture, and clinical skills.

Two camps will be held in Northern Ontario. The first will be at NOSM at Laurentian University from July 9-13, and the second will be from July 16-20 at NOSM at Lakehead University in Thunder Bay.

CampMed provides high school students with an opportunity to explore a variety of health care careers, obtain hands-on experience, and find a student-mentor.

Camp activities include: casting and x-rays, CSI, physiology and anatomy, suturing, Francophone and Indigenous health and culture, and more.

NOSM is currently seeking interested high school students who will be attending Grade 10 and 11 in September 2018. The deadline for applications is Wednesday, April 11. Accepted applicants will be notified by NOSM by Friday, May 4 and will be required to submit a non-refundable registration fee of \$400.

Interested students are encouraged to visit nosm.ca/campmed. Documents are attached.

For more information, contact Véronique Poirier, CampMed Coordinator, toll-free at 1-800-461-8777 ext. 7198 or by email to campmed@nosm.ca.

Student Exchange with China

Lockerby students are fortunate enough to have an opportunity to do a five-day student exchange with students from Ningbo, China. Ningbo is a beautiful coastal city south of Shanghai. The Chinese exchange students will be coming to Sudbury for five days from April 30-May 04, and in return the Lockerby students will be heading to Ningbo in October.

Families who wish to experience this fabulous opportunity will be responsible for hosting the exchange student for five days in their home, and in return our students will have the same arrangement. Parents will be responsible to pay for the students' flight and spending money for their October journey.

Interested families can contact Vice-Principal Heather Downey at downeyh@rainbowschools.ca.

We will also be hosting an information session on Tuesday, March 27th at 6:30 p.m.

Student Services

Open House

Cambrian College - Saturday April 14, 2018

Cambrian College is hosting its spring open house from 10:00 am to 2:00 pm on April 14th, 2018. Students and parents can attend program information sessions, meet faculty, staff and students, see demonstrations, tour the campus, and residences.

Opportunities for the Summer

Employment Opportunities - Ministry of Ontario

The provincial government has summer employment opportunities for youth between 15 - 24 years old. There is a variety of employment opportunities within a number of employment sectors. Deadlines for applications vary based on the specific employment opportunity. To learn more about the program students should visit - <https://www.gojobs.gov.on.ca/Jobs.aspx>

Scholarships and Contests

Influential Women - March 30, 2018

Students are reminded that the deadline to submit their Influential Women Essay is quickly approaching. Essays can be submitted online at www.influentialwomen.ca. This is an outstanding opportunity to earn \$2 000 toward post-secondary studies! See Guidance for more information.

Aboriginal Arts & Stories - March 31, 2018

Aboriginal Arts & Stories invites self-identified First Nations, Metis, and Inuit youth (ages 9-29), to submit a piece of writing or two-dimensional artwork exploring indigenous identity, or a moment or theme in Canadian Indigenous history or culture. Students can win up to \$2 000 and other great prizes. See attached document for additional details.

University Support

Carleton University Enriched Support Program

The Enriched Support Program (ESP) and the Aboriginal ESP (AESP) at Carleton University were created for promising individuals who may not meet traditional entrance requirements. They offer the opportunity to qualify for degree admission while earning first-year university credits and strengthening academic skills. Students do not apply to ESP/AESP through OUAC, but submit an application directly to the program. Visit our website to download the application package - carleton.ca/esp

Ontario Educational Leadership Centre conference

The Ontario Educational Leadership Centre is offering a "Secondary Growing Leadership" conference from May 5-9, 2018 in Longford Mills, ON. This conference is for secondary school students across Ontario who receive specialized/learning support services in their school. See the attached document for more details.

What's Happening in Classes this Week

Grade 11 Construction

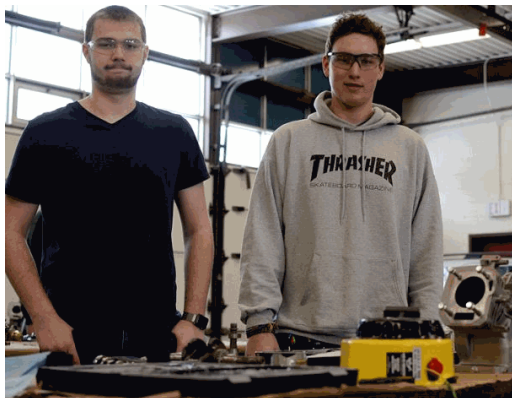

Grade 11 Construction Technology students are attempting their first mortise and tenon joint. We are currently designing mallets that are traditionally used by woodworkers for chisel work. In this session, the pace of production has slowed while we concentrate on the finer elements of woodworking, such as keeping a sharp edge and minding the grain. The goal for each of us is a polished product that fits naturally in the hand.

Business: Nipissing University Stock Market Challenge

Lockerby students from Mr. Hatzis' Business class are competing against 3400 students from across Canada in the Nipissing University Stock Market Competition. Currently in 1st place overall is Grade 10 student Matteo Vocaturo who has amassed a portfolio of over \$605 000.

Skills Competition

A shout-out is due to Colby and Trenton who drove out to Espanola on Wednesday to represent Lockerby in the Small Engines Competition. They achieved 3rd place and 4th place respectively.

At Lockerby, the Small Engines Shop was humming this week as we reached the end of our engine tear-down. Students have done a lot of measuring and practiced skills such as lapping valves and deglazing cylinders. We are now racing to reassemble the 208 parts of our engines, without having spare parts left over. Next week, we start learning about the 2-stroke cycle, using engines from equipment such as chain saws, weed trimmers, and snow machines.

This Week in Athletics

Curling

Good Luck to the girls' curling team who will be traveling to Fort Frances March 19th-24th to compete in the OFSAA Championships. Team members are Sydnie Stinson, Abby Deschene, Jessica Leonard, and Elizabeth Huska.

Girls' Hockey

The girls' hockey team wrapped up another successful season. Some of the highlights included finishing third in league standings and representing our school at the NOSSA Championships. The girls faced some tough competition at NOSSA, but they were in every game, and should be very proud of their efforts and results. Lockerby's Hannah Nykilchyk was recognized as the league's top scorer.

Senior Girls' Volleyball from Mr. Beausoleil

This week the team competed at the provincial volleyball championships where they advanced to the quarter-finals. This placed them amongst the top eight AA volleyball teams in the province. Although they lost this

game, they certainly proudly represented the Viking spirit. Considering that only five percent of all high school athletes ever attend a provincial championship, this is a considerable accomplishment. I would like to personally thank each and every member of our team this year for her dedication and hard work. Some of you have been on the senior team for three or even four years. Lockerby has been so very lucky to have had such talented and excellent female athletes. All of you have achieved so many great athletic feats. I have loved coaching all of you. We have laughed and had so many good times. I will never forget the bonds that we have created. As all of you move forward, I look forward to following your adventures and continuing the friendships that we have developed. Please stay in touch and never stop playing the game that we love. The following athletes were members of this year's volleyball team: Brooke Smith, Sydney Coles, Taylor Bailey, Kayley Hancharyk, Jaclyn Groom, Lexi Johnson, Mikaela Richter, Becca Hopkins, Kayla Murray, Bianca Toppazzini and Veronica Dynes. I have loved coaching all of you and good luck with everything that comes next. I am very grateful to have coached so many talented young athletes with exciting futures. I love all of you and will miss those of you who are graduating.

Badminton

The badminton team is still looking for new members. Practices run every day after school. Please see Ms. Stanyon or Ms. Augenstein for more information.

Boys' Hockey

Congratulations to the boys' hockey team for their successful season. The team faced off against Manitoulin SS in the playoffs earning silver in the B division championships. Special thanks to Coach Gerry Potvin as well as Joey Presta and Paul Valliant.

What Parents/Guardians Need to Know for Next Week

March Break Monday, March 12-Friday, March 16 (no classes)

Dan Watson, our social worker is in the school on Thursday and Friday.

Monday, March 19:

Tuesday, March 20:

Wednesday, March 21: OSSLT drop-in session room 102 at lunch

Thursday, March 22:

Friday, March 23:

Enjoy the March Break!
