## KIDS CARING FOR KIDS CANCER DRIVE ASSEMBLY

### '23 Years: Remembering Laura Cotesta'

Are you reading for the 2018 Kids Caring for Kids Cancer Drive, Vikes? Thursday's Motivational Assembly marked the start of our teacher team sign-ups. We're just twelve days away to Cancer Drive on **Wednesday, October 24th**, the night of canvassing! The Cancer Drive Committee would like to send out a huge thank you to the Sudbury Wolves, Tannys Laughren and Vicky Wilton from the Northern Cancer Foundation, Julie Proulx, and Pina Cotesta for being amazing guest speakers at the assembly, as well as everyone who donated their hair.

## KIDS CARING FOR KIDS CANCER DRIVE 2018

The 2018 Cancer Drive sweatshirt are selling quickly, so make sure to get yours before they're gone! Sweatshirts will be sold at lunch in the main foyer until they are sold out. Sudbury Wolves tickets are also for sale at the same. Come out and see the home game on **Friday, October 19th at 7:00pm**. Proceeds from all tickets purchased here at Lockerby will come directly back to our Cancer Drive.

Next week, the Cancer Drive Committee will be selling green ribbons in each homeroom for a minimum donation of one dollar. The homeroom that raises the most money per student will win a pizza party on whatever day the homeroom chooses (after Cancer Drive).

This year's Cancer Drive is fast approaching so please participate and remember that one night of your life could mean a lifetime for someone else. Please see any Lockerby teacher to sign up with a team. Get your permission forms back to your teacher teams asap.

### Let's go, Vikes!

## LIVING WALL DESIGN TEAM

This team of grade 9 students is tackling an ambitious STEP Science design project. They have chosen to re-purpose one of the old phone booths in the school foyer, and create a vertical garden! Not only will this 'living wall' improve the aesthetic of the school, but it will also provide these students with a host of new practical skills. The scope of this project is large because it involves choosing plant varieties, sourcing materials, building structures and programming low-maintenance watering and lighting features. These students will work with a number of different teachers to accomplish their goal. This type of project is typical of what makes Lockerby's STEP experience different from what you will see at any other school.

THE SCHOOL OF SCIENCE AND TECHNOLOGY

## VIKINGS AT LAURENTIAN CONSERVATION AREA

The Outdoor Education class paired-up with some of our of Grade 9 Physical Education classes on Friday to hike a portion of the Conservation Area's 10km loop from Ida Street to the Nature Chalet. Students and staff enjoyed the cool temperatures and the beautiful foliage!

## MR. LAFRANIERE'S LIVING ROOM GETS A MAKEOVER!

Last week, interior design students worked on Inspiration Boards for our very own Mr. Lafraniere. The goal for each student was to create a design for one wall of a living space, and to assemble all of the elements on a single board for presentation purposes. The proposed design styles ranged from rustic, to contemporary, to industrial. Mr. Lafraniere kindly visited our class to comment on the elements of each design, and to announce his preferred option. If you wish to view the inspiration boards for yourself, you can now find them on display in the VP hallway.

## THIS WEEK IN VIKINGS ATHLETICS . . .

### Cross Country Running

The cross-country running team completed its preliminary series of races this past Wednesday in Naughton. The team looks forward to racing at the City Championship at Kivi Park on Wednesday, October 17<sup>th</sup>. For more details, parents and athletes are asked to visit the Google Classroom.

### Swimming

Lockerby Composite's most successful team starts its season on Tuesday, October 16<sup>th</sup> from 3:00pm - 4:00pm at Gatchell Pool. Students are invited to join the Google Classroom or speak to one of the coaches, Ms. Jorgensen, Mr. Abols, or Ms. Stanyon. Transportation to the pool will be arranged by the coaches.

## NEXT WEEK IN VIKINGS ATHLETICS . . .

**Boys Hockey:** Tryouts continue on Monday, October 15<sup>th</sup> at McClelland Arena from 3:30pm - 5:00pm and on Wednesday, October 17<sup>th</sup> at Countryside Arena from 3:45pm - 5:15pm

**Curling:** Hurry, Hard to tryouts on Thursday, October 18<sup>th</sup> at the Idylwyld G. & C.C. from 3:30pm - 5:00pm

## LOCKERBY COMPOSITE STUDENTS IN THE NEWS...

By: Machaela B. & Katelynn B.

This past week, we attended a town hall meeting to listen to labour representatives, politicians, and local community members speak about the proposed changes to Bill 148. This is of interest to us because we both work part-time jobs that pay minimum wage, and we're currently working on a documentary for our English class on this topic. We believe that all students and teachers should be more involved in politics and what is going on around us, but, especially students. Here's a video of our audio interview segment on the radio:

<https://www.cbc.ca/listen/shows/morning-north/segment/15613114>

## PRACTICE LITERACY TEST

Last week our Grade 10 students wrote the Practice Literacy Test. This past week, their teachers were busy marking and collating the data. Thank you to everyone who volunteered their time to help.

Students should expect to receive feedback from the practice test sometime next week in their classes. Also, homeroom teachers will be practicing literacy strategies with their Grade 10 classes using the 'OSSLT Literacy Lab' workbook. These workbooks provide tips and opportunities for students to practice questions that they will see on the March 27, 2019 Literacy Test and helps improve students' overall reading and writing comprehension. If you have any questions or concerns please contact Ms. Baggs at [baggs@rainbowschools.ca](mailto:baggs@rainbowschools.ca) or at (705) 522-1750 ext 6513.

## ON THE ROAD WITH IMMERSION STEP!

This week, 25 Immersion Grade 10 STEP students took a trip to the new Cliff Fielding Research, Innovation and Engineering Building at Laurentian University. After a tour of the facility, they participated in a workshop about the value of engineering in society. This was followed by a one-hour design challenge to build a vehicle that would transport water over a 3-metre distance. This challenge turned out to be a really fun activity, although many of the designs ended-up being more beautiful than functional. Our sincere thanks to all the staff and students at the Bharti School of Engineering, who made us feel so welcome for the day in their new building.

## IMMERSION TECHNOLOGY...AGAINST THE BOARDS

Lockerby's French technology classes have enthusiastically embraced yet another woodworking project in the shop. This time around, they began building a small bottle tote that will serve as a homemade holiday gift for that person on their list who already has everything. Students are learning the names of all the shop machines in French, and have been practicing safety procedures with the use of tools. At Lockerby Composite, we know that hands-on work builds the dendrites we need to perform better in all facets of life! Feel free to come and build with us anytime in the shop!

## STUDENT SERVICES

### Grade 9 Information

#### Take Your Kids To Work - November 14th, 2018

Take Our Kids to Work Day, taking place on **Wednesday, November 14th, 2018**, is an annual event where students step into their future for a day and get a glimpse into the working world. The day involves students in Grade 9 spending the day in the workplace of a parent, relative, friend or volunteer host, where they experience and learn about the world of work. Students are encouraged to determine a suitable location over the next few weeks and **return their forms to their homeroom teacher once a location has been selected**. All of our grade nine students received a short presentation and appropriate forms during homeroom on Wednesday. Additional information can be found on the Learning Partnership website at - <https://www.thelearningpartnership.ca/events/take-our-kids-to-work-day>.

### Grade 12 Information

#### Post Secondary Presentations

Algonquin College - Tuesday, October 16<sup>th</sup> at 10:00 am (Room 102)

University Information Evening - October 18<sup>th</sup> at 7:00 pm - 9:00 pm

The University Information evening will be held at Lockerby Composite School this year. The event provides students, parents, and/or guardians with an opportunity to speak with university representatives from across Ontario about programs, campus life, and anything else that may help make a decision about which Ontario university to choose. Students are also encouraged to visit the eINFO website which hosts a wealth of information including: University Programs (prerequisites, grade requirements, university research checklist, etc.), Finance (Fees, Scholarships, and OSAP), Accessibility for Students, and Application Process. Visit <http://www.electronicinfo.ca> for more information.

### Grades 10 - 12 Information

#### Viking Scholar Day - November 1<sup>st</sup>, 2018

This year's Viking Scholar Day will be occurring on Thursday November 1<sup>st</sup>, 2018. The ceremony will begin at 9:30 am in our McKellar Auditorium. Viking Scholar Day is an outstanding opportunity for staff, students, and their families to celebrate the hard work and dedication of our students. We hope you will be able to join us in this year's celebration.

## STUDENT SERVICES

### Employment

#### The City of Greater Sudbury

The City of Greater Sudbury is currently hiring Youth Program Instructors to assist with their youth programs for Art, Tai Chi, Dance, Skiing, Snowboarding, Skating and Cycling. The students will be working approximately 10-hours bi-weekly. The successful candidate must have completed Grade 10 and hold a current CPR and First Aid Certificate. Interested students should visit the city's website for additional information on this position as well as other student opportunities: <https://www.greatersudbury.ca/city-hall/jobs-at-the-city/current-opportunities/program-instructor-youth-sports-5-bilingual-funded-ex18-557-revised/>

### Enrichment

#### Forum For Young Canadians

Applications are now open for this year's forum. Forum For Young Canadians is a life-changing youth leadership opportunity.

The one week enrichment provides opportunities for students to:

1. Deepen their understanding of the national decision-making process in Canada;
2. Share ideas and acquire tools for community engagement;
3. Network and discuss social issues and policy with parliamentarians and youth from across the country.

Learn more about this opportunity at the forum's website - <http://forum.ca/?lang=en>

#### Sudbury Wolves & Sudbury Five

Sudbury Wolves Sports and Entertainment live stream home games of the Sudbury Wolves and Sudbury Five, our local professional basketball team. They are looking for students and other volunteers who would like to learn technical skills in the areas of camera operation and control room operation. If you are interested, please e-mail Paul Hamilton at [paul.hamilton@swse.ca](mailto:paul.hamilton@swse.ca)

## WHAT PARENTS NEED TO KNOW FOR NEXT WEEK . . .

Dan Watson, our social worker is in the school next Monday and Tuesday.

Join Student Council this month in celebrating (every Friday)...

Monday, October 15:

Tuesday, October 16: Algonquin College Presentation

Wednesday, October 17:

Thursday, October 18: University Information Night at Lockerby Composite School (7:00pm),  
Stratford Field Trip

Friday, October 19: Stratford Field Trip, Sudbury Wolves Fundraising Game (7:05pm)
