LOCKERBY

THE SCHOOL OF SCIENCE AND TECHNOLOGY

ARCHITECTURE: FLIPPING SUDBURY!

Architecture students presented their house flip projects and they all turned out great. For this assignment, students had to find an actual house for sale in the Sudbury region and work within a budget to cover the purchase price and subsequent renovation costs. They then had to create drawings and presentation graphics that articulated their proposed design changes and rationale.

LOCKERBY'S BLOOD DRIVE: 2019

Lockerby students will be donating blood for our annual blood drive campaign on **Thursday January 17th** and **Thursday February 7th**. Transportation will be provided to and from Canadian Blood Services.

Good luck to our Junior Girl's Volleyball team who will be competing this weekend in the St. Charles Tournament under Mr. Beaulsoleil's leadership.

Good luck also goes out to our Junior Boy's and Senior Boy's Basketball Teams who are competing in North Bay this weekend. Mr. Green, Mr. Graham, Mr. Luoma, and Mr. Greenough are looking to coach our Vikings to podium finishes.
