STAND-UP FOR POSITIVITY

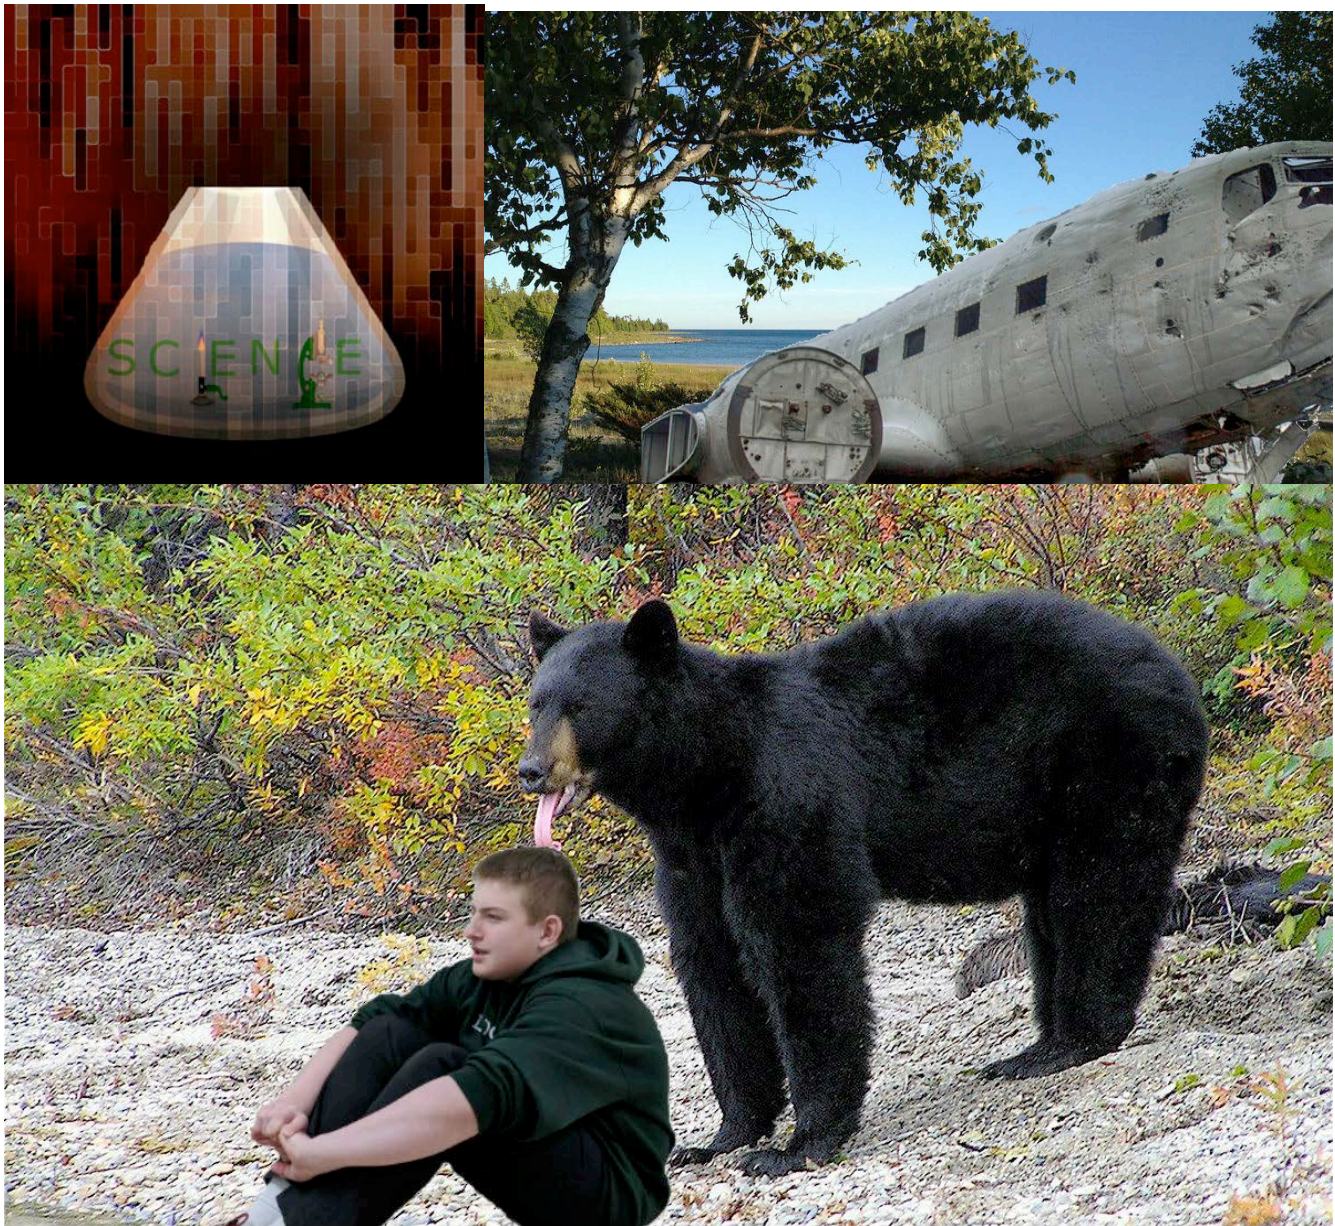

Students from across the Rainbow Board participated on Thursday in the Stand Up For Positivity Conference hosted by Rainbo Schools' Student Senate. They had the opportunity to hear from fellow students about their journey with mental health. They learned techniques and tips on promoting positivity in the school and we able to brainstorm and plan some ideas to implement in the future. This group is looking forward to making Lockerby a more positive and inclusive place to learn and grow!

GRAPHIC DESIGN IN GRADE 9

By Lucas R.

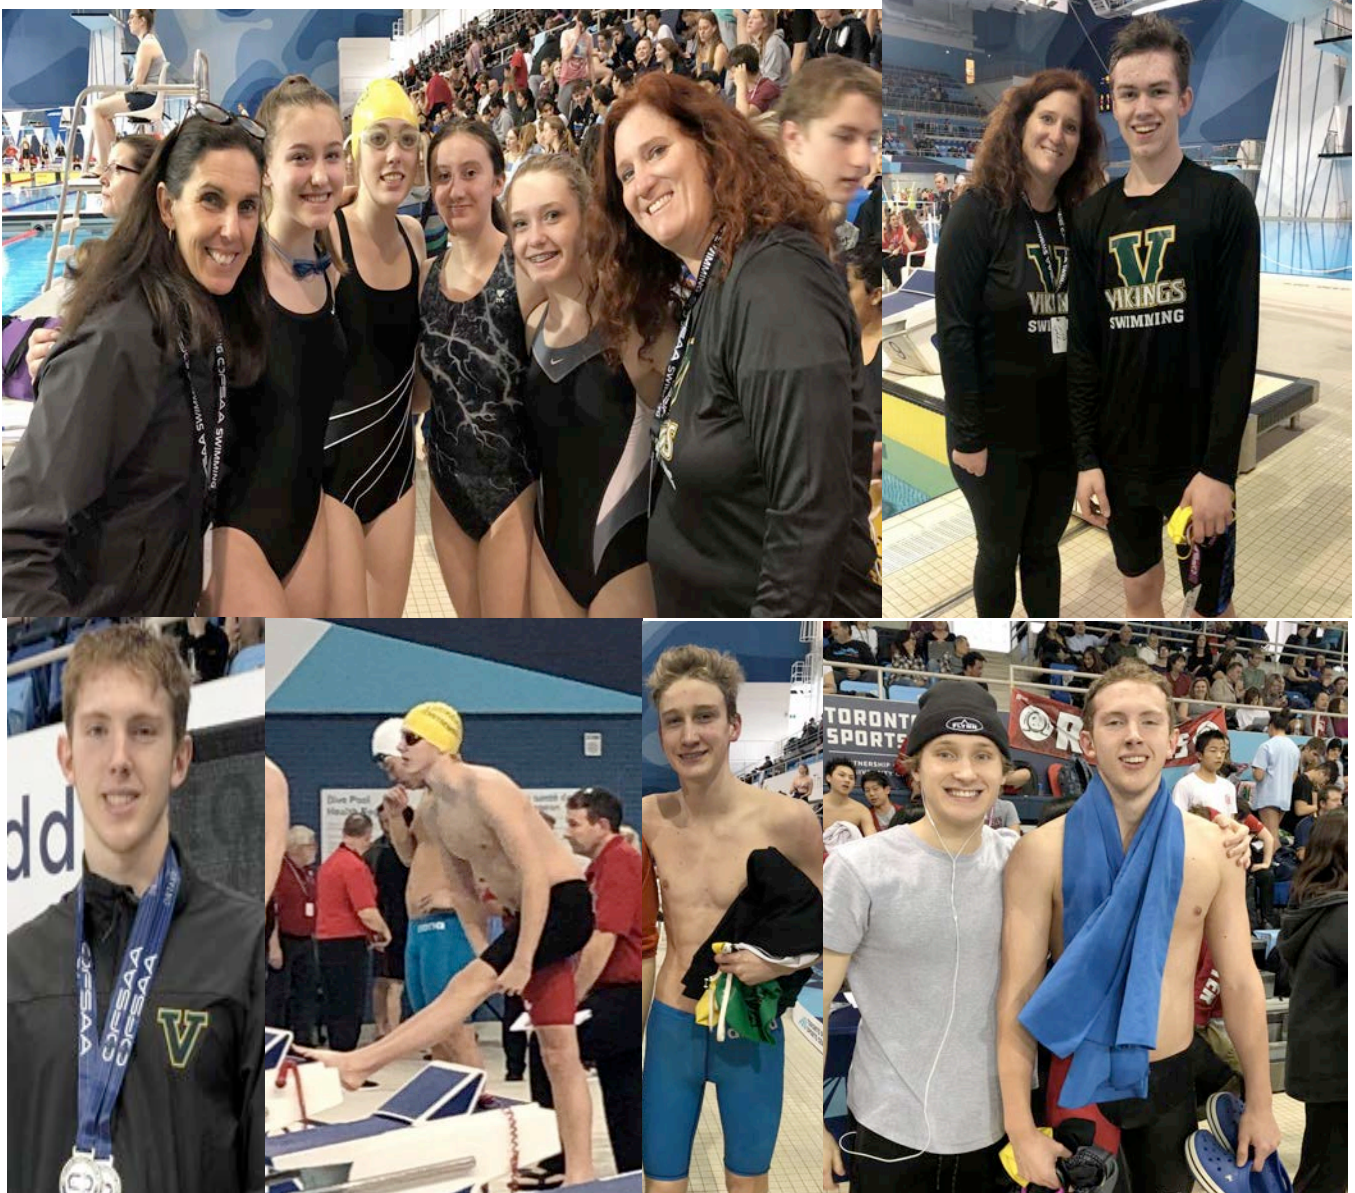

Recently in our grade 9 technology class, we have been focusing on our graphic design unit. So far, we have learned how to put three images together in order to make a logo for one of the programs Lockerby offers. We then were asked to create a fake news article by taking a background image and editing in another image. I edited a crashed airplane into a forest on Manitoulin Island. Finally, we were asked to make a comical photo that included an image of yourself. To do this we were given access to a green screen.

THIS WEEK IN VIKINGS ATHLETICS . . .

Swimming

The Lockerby Swim Team travelled to the Pan Am pool in Scarborough to compete in one of the largest swim meets in North America. Over 2,000 high school and club swimmers competed over a two day period. Our relay team comprised of Ella, Breanna, Quinn, and Sarah shaved off over 10 seconds from their entry time while Logan, Dawson, and Patrick had personal bests in their individual events! Alex captured a 5th and a 7th place award in the 100m backstroke and 100m butterfly respectively. The most decorated swimmer of the event was two-time gold medalist Thomas who claimed the 100m individual medley and the 100m freestyle stroke. Thomas went on the break the 100m individual medley OFSAA record which will unlikely be touched for some time!

NEW ZEALAND AND AUSTRALIA TRIP

This year's spring break tour provided an opportunity to travel to the amazing countries of New Zealand & Australia. Students visited key sites in both countries which included some of the following highlights : an amphibious duck tour, a visit to a traditional Maori Village where students enjoyed traditional games, crafts and a Hongi dinner, walking tour through Hobbiton, stay on Fraser Island, trek through a rainforest, interacting with local animals in a wildlife park, and a private tour through the Sydney Opera House. It was a pleasure to travel with this group of students. They were outstanding ambassadors who represented their school and families with professionalism and class! Ms. Baggs and Mrs. Beaudry would like to thank all the families and students for making this year's trip so amazing.

Lockerby Composite currently has 7 spots available for next year's Europe trip. Please see Mrs. Beaudry or Ms. Baggs for application forms or visit explorica.ca/Beaudry-2372 for additional information.

LETTERS OF GRATITUDE

Yoginis in Ms. Stanyon's yoga class took the time to create and craft letters of gratitude in an effort to uplift their community! They let someone know that they don't take their friendship for granted.

KIDS CARING FOR KIDS CANCER DRIVE: 2020

Ms. Benton and Mrs. Rodriguez would like to thank all the students who applied for the Cancer Drive Committee through the Google Classroom application form that was due this past Friday. Students who are selected for an interview will be contacted through their rscloud accounts by April 1st. Interviews will occur on Wednesday, April 10th in periods 1 and 2.

Students will be provided with an appointment slip for their interview time. Interviews will occur in Mrs. Rodriguez's room (Room 205) and will last approximately 10 minutes. Students should prepare for the interview by practicing to speak clearly and confidently, providing ideas to make the next Cancer Drive unique and successful, and discussing their strengths, weaknesses, interests, and extra-curricular involvements.

If there are any questions about Cancer Drive, please contact Mrs. Rodriguez at rodrigk@rainbowschools.ca or Ms. Benton at bentons@rainbowschools.ca.

ONTARIO SECONDARY SCHOOL LITERACY TEST (OSSLT)

All literacy writers are to report to school by 8:15 am on Wednesday, March 27th and to proceed to their testing room. The students cannot have any technology in the testing room until they have completed both booklets.

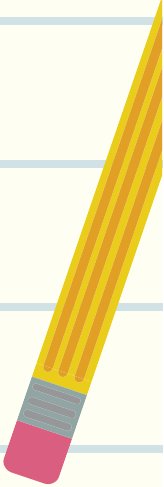

In order to accommodate the OSSLT test on Wednesday, March 27th, 2019, Lockerby Composite will have a short period day. The school will be open in the morning, and regular scheduled classes will be run in the afternoon. After lunch, all students will attend periods 1, 2, 3, and 4. If students arrive in the morning and are not writing the test, they can use this time to work on projects and receive extra help in assigned areas.

STUDENT SERVICES

Enrichment

National Student Commonwealth Forum (NSCF) April 27th - May 3rd, 2019

Marc Serre, MP for Nickel Belt, would like to introduce an incredible opportunity for high school students in the Sudbury area. The National Student Commonwealth Forum is an annual conference that has been held for the past 44 years. NSCF brings together approximately 100 Canadian high school students for a week in Ottawa. These young leaders of tomorrow will build leadership skills, while discussing and learning about international affairs and the role of the Commonwealth today. This year's theme is immigration, migration, and refugee issues. Participants will get the opportunity to explore what the Commonwealth can do to address immigration/refugee issues by creating their own resolutions to be debated and discussed throughout the week. Additional information, testimonials, and registration details can be found at www.nscf-fnec.ca. or by contacting Alison at cochair@nscf-fnec.ca.

Volunteer Opportunities

Canadian Cancer Society

The Canadian Cancer Society is currently looking for students to assist them in a variety of capacities. Join the Society to be part of a passionate team of cancer fighters dedicated to making a real difference in the fight against cancer. Volunteering is a great way to make an impact, be part of a team, share your experience, learn new skills, and develop lasting friendships. With opportunities to suit your interests, skills and availability, here are just some of the ways you can join the fight against cancer in your community: Fundraiser, Lead, Support, Advocate, Prevent. Sign up to volunteer using the following link - <http://sudbury.mycsschedule.ca/events/index>
