

VISUAL ARTS AT LOCKERBY COMPOSITE!

This week in grade 10 and 11 visual art, students completed a three-week study of still life. Armed with pencils, blending sticks, and kneadable erasers, they learned quintessential skills in observational drawing. Despite frustrations, students persevered and produced some great drawings. Veronica, a grade 11 student, said that her still life was her best work yet: "I'm finally getting the hang of how to use a full range of value and where to put the shadows." Below are just a few examples of the drawings they produced. Well done!

ME TO WE: CUPPIES FOR PUPPIES

On Friday, Lockerby's Me to We group held its annual Cuppies for Puppies event and sold deliciously decorated cupcakes to support SPCA International. The Me to We group raised over \$140 to help animals in need.

Thank you to the
Lockerby
community for all
the support!

GRADE 10 ENGLISH: SHAKESPEARE'S TIME

Grade 10 English students in Ms. Kirwan's class presented their English projects in the Library as part of a Research Fair this week. Students investigated the Elizabethan Era during Shakespeare's time and presented on topics which included music, fashion, and Queen Elizabeth I (to name a few).

THIS WEEK IN VIKINGS ATHLETICS . . .

Hockey

Congratulations to Lindon S., and Hannah N., who were voted individual award winners for the 2018 - 2019 SDSSAA Hockey Season. Lindon earned the Most Valuable Player award for the boys while Hannah took home the Top Goal Scorer for the girls. Well done Vikings!

Congratulations!

GRADE 12 CHEMISTRY

Students in grade 12 chemistry worked on their laboratory skills this week by carrying-out a design that examined reaction rates. Viking students were able to identify a variety of variables that would affect the possible outcome of the experiment.

WORLD WATER WEEK

Last week Lockerby's Environmental Council organized a series of events to celebrate World Water Week. The week included a viewing of a water documentary at lunch, a homeroom 'bring your own water bottle challenge,' a day to wear blue, and a 'walk for water' day.

LEARNING FUSION 360!

By Harris P.:

This week our grade 10 technology class has been learning to use Fusion 360. We've been designing small things such as a support bracket and spindle guide. Fusion 360 has been a lot of fun and is easy to learn.

LOCKERBY

THE SCHOOL OF SCIENCE AND TECHNOLOGY

ALPINE SKIING TRIP

The Physical Education Department took their 2nd and final ski trip to Moonstone for the season! The conditions could not have been more perfect (with bluebird conditions) and a great time was had by all!

LOCKERBY ROBOTICS

We are happy to announce that Lockerby Robotics has acquired a next generation robotics kit from Vex Robotics. The team looks forward to working with this new hardware when the new robotics season begins at the end of April. In the meantime, we have been busy learning how everything works and assembling a simple robot. New students are always welcome! We meet almost daily at lunch in the STEAM Room.

LOCKERBY'S ICT SPECIALIST HIGH SKILLS MAJOR (SHSM)

Lockerby's Computing Specialization

Time is running out for grade 10 students to enroll into Lockerby's specialty program in Information and Communications Technology (ICT). Whether you wish to learn more about video game design or video production, whether you like building robots or building web pages, whether your thing is photo manipulation or Java programming, Lockerby's ICT program has you covered!

Students in this program will experience the following:

- Courses related to Computer Science, Communications Technology or Computer Engineering Technology (Robotics);
- Field trips to local colleges and universities with related programs;
- Certifications in CPR, WHMIS and First Aid;
- Certifications in at least three related areas (Intro to Photoshop, Intro to Adobe Animate, Basics of Electronics, Web Design, Game Design, Computer Hardware, Coding and more.);
- Real-world experience during the required CO-OP placement (that can be done during the school day, after school, at a pre-existing job or during the summer);
- Access to professionals in related fields;
- And hopefully, a lot of fun while you learn what you love!

Also, students that complete all requirements of the SHSM program will receive a red seal on their high school diploma. Completion of the program will also appear on high school transcripts. This program is for anybody that is interested in a computing career but also anybody that would like to develop computing skills that could be useful for almost any other career.

Interested students should see Mr. Campeau in room 101 as soon as possible. All registration forms must be in by next week to be guaranteed a spot in the program.

STUDENT SERVICES

Parents as Career Coaches: Speaker Series

Cambrian College will be hosting their annual Parents as Career Coaches on Thursday, April 11th, 2019 from 5:30pm - 8:30pm at the Cambrian College Student Life Centre. Dinner will be provided. Parents of students in grades 7-12 are invited to this free session with Barbara Coloroso and Catherine Poulton who will share insights and strategies that can be used to support students as they prepare to start high school, college, or university. Mental wellness, resilience, and positive habits are just some of the topics that will be covered. Space is limited - register at cambriancollege.ca/career-coaches. For additional information, please contact Courtney Rivard at 705-566-8101 ext. 6350 or at courtney.rivard@cambriancollege.ca

Cambrian College - Open House Saturday, April 6th, 2019 from 10:00am - 2:00pm

Don't miss Cambrian College's biggest event of the year. It's the perfect opportunity to visit the campus and truly experience everything Cambrian has to offer. Can't make it to their Open House? You can book a personalized campus tour at cambriancollege.ca/book-a-tour

Prom Dresses

The Sudbury Women's Centre located at 324-F Elm Street West (near Gus' Restaurant) is offering free prom dresses for Grade 8 - 12 graduates. Please visit Lockerby's website under this week's newsletter tab for more information.

Talk 4 Healing (Talk, Chat, Text)

Talk 4 Healing is a free confidential helpline that is now available across Ontario. They provide culturally sensitive, fully confidential support - whether it's a caring person to listen, or more immediate solution. Help is available in English, French, Cree, Ojibwe, and Oji-Cree. The service is available 24 hours a day and 7 days a week. Please visit Lockerby's website under this week's newsletter tab for more information.

Northern Lights Festival Boreal (NLFB)

NLFB is a non-profit, charitable music presenter in Northern Ontario. The organization provides valuable exposure and career development opportunities for emerging artists, while also presenting highly acclaimed artists, and keeping the region on the map for acclaimed touring acts. Last year's festival presented all Canadian headliners such as Arkells and Alvvays, and this year we celebrate our 48th anniversary with Sam Roberts Band!

NLFB is currently seeking volunteers between July 1st - 11th, 2019. For more volunteer information, please visit our website here: <https://nlfb.ca/volunteer>. All other inquiries regarding volunteer opportunities can be directed to volunteer@nlfb.ca

Congratulations to all of our OSSLT writers who wrote the literacy test on Wednesday, March 27th, 2019. Thank you to the Lockerby staff for supporting the students through this process. Results will be made available in mid-June 2019.

WHAT PARENTS NEED TO KNOW FOR NEXT WEEK . . .

Dan Watson, our Social Worker is in the school next week.

Nurse Holly, our Public Health Nurse is in the school next Wednesday.

Monday, April 1st •

Tuesday, April 2nd •

Wednesday, April 3rd •

Thursday, April 4th •

Friday, April 5th •
