AP CAPSTONE RESEARCH PROJECTS

The AP Research class has completed the first of two requirements for AP College Board. Ms. Kovala and her students would like to thank Ms. Levan and Ms. Beaudry for being guest panelists during presentations this week. They would also like to thank their subject teachers and teacher mentors for supporting them during this process!

THE SCHOOL OF SCIENCE AND TECHNOLOGY

YOUTH REMEMBRANCE CONTEST

Congratulations goes out to Zoë A., who placed 1st, and Alysa W., who placed 2nd in the Legion's Remembrance Day poster contest! Their entries are now being sent on to judging at the provincial level. Both Zoë and Alysa have received a sponsored trip to Ottawa to attend the National Remembrance Day Service where they will place a wreath on behalf of the youth of Canada, and they will also have the opportunity to meet and visit with the Governor General. Fantastic job, Zoë and Alysa!

FIELD TRIP: SURGERY AND BODY WORLDS

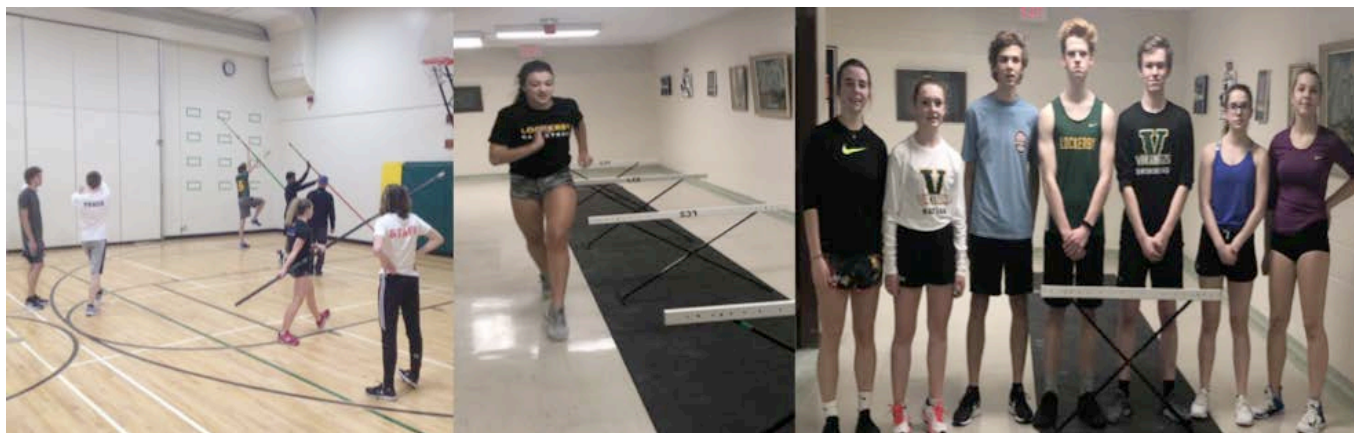

On Tuesday, April 16th, a group of senior students spent the day at Science North to visit the Body Worlds Exhibit followed by the viewing of a total knee replacement in real-time while interacting with Dr. Werle, Head of Joint Reconstruction with Alberta Health Services (and his surgical team). The surgery was broadcast live from Rockyview General Hospital. Students were also given the opportunity to speak with special guest, Dr. Cisa, Orthopedic Surgeon from Sudbury.

THIS WEEK IN VIKINGS ATHLETICS . . .

Track and Field

Track and Field practices offer more than 20 different events including pole vault and hurdles at a variety of distances. New members are still welcome to join our team but should consider doing so before the end of next week, as our meet schedule begins Saturday May 4th at the Laurentian University track. This meet, 'The Black Fly,' hosted by Track North is an all comers meet geared toward athletes who would like to get a feel for the track before the city SDSSAA competition later in May. Coaches are still interested in meeting potential runners, jumpers, and throwers, so please ask to join the Track and Field Google classroom and speak to Ms. Augenstein, Ms. Stanyon, or Mr. Abols for further details.

Cheerleading

Congratulations goes out to our cheerleading team who competed in the Novice Division at the National Cheerleading Competition in Brampton and took home first place! They're now gearing up for one for one final competition at the end of May!

GRADE 11 LAPTOP BIOLOGY

Students solved a paternity mystery this week by testing blood samples. In this activity students were solving a relevant problem while applying their knowledge of genetics, inheritance, and blood typing. At the end of class, students were all able to figure out who the parents were!

SENIOR LAW AT LOCKERBY COMPOSITE

This week, our Grade 12 students held a Continuum Debate in class. As part of the debate, students aligned themselves on a scale of 1-5 based upon whether or not they agreed with the question: "does the state have the right to regulate private conduct of its citizens?" The debate was engaging and was an informal way to have students discuss key concepts that may help them as they prepare for this year's Mock Trial.

SPRING SPIRIT WEEK AT LOCKERBY COMPOSITE

BOARD GAME NIGHT IN THE LIBRARY

It was another Board Game Night of FUN! Lockerby students had a large collection of games to play like Kingdomino, Ticket to Ride, Scene It, Ultimate Werewolf, and a homemade Shuffleboard game. What a great way to connect with friends and teachers!

Board games offer a lot more than just entertainment. Memory formation, development of cognitive skills, and laughter (which increases endorphins, reduces stress, and improves your immune system) are all benefits of playing board games...how awesome and is that?

Ms. Plourde and Mr. Campeau hope you'll be joining us at our next Board Game Night!

LOCKERBY YOGA!

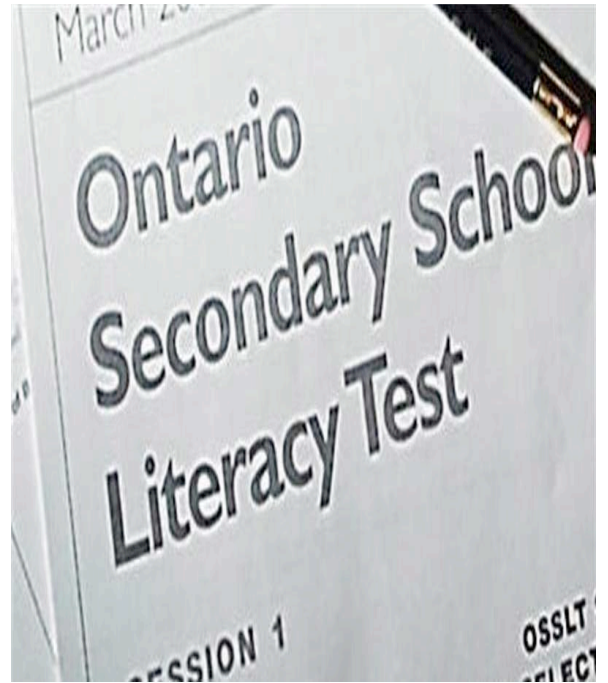

This week in yoga class, Lockerby's yoginis focused on partner and large group postures as they tested their flexibility, fearlessness, and foundation. Students were encouraged to research a particular pose and work in a group to achieve success. All members played a vital part, whether it was to support or to showcase.

LITERACY TEST 2020

On April 24th, 2019 all Grade 9 students will be writing a pre-diagnostic literacy test. The information and results from this pre-diagnostic test will be used to support our students in their Grade 10 classes and in preparation for the OSSLT in March 2020.

The Ontario Secondary School Literacy Test (OSSLT) is written by students in their Grade 10 year and is based on reading and writing skills they have learned up to the end of Grade 9. Students must achieve a provincial standard of scoring a minimum of 300 out of 400 in order to be deemed successful on the OSSLT. If you have any questions or concerns please email Ms. Baggs, Program Leader of Literacy at baggs@rainbowschools.ca or call her at (705) 522-1750 ext. 6513.

STUDENT SERVICES

Grade 12 Students

Transition to University

Laurentian University will be providing students with a transition to university workshop. This is an excellent opportunity for our students to ask questions, gain knowledge on next steps, how to build a schedule for next year, summer orientation, and review important departments on campus. Students must sign-up in guidance for this very important orientation session.

Post-Secondary Reminders: Mark Transmission

On April 23rd, 2019 the Guidance Department will submitted midterm academic marks to Ontario universities and colleges. Students are asked to double-check their academic submissions to ensure everything is in order. If there are any concerns, students are advised to see their Guidance counsellor promptly.

College Offers Acceptances - May 1st, 2019

Applicants must confirm their acceptance of an offer of admission by May 1st, 2019. This deadline includes students who are planning to attend the Bachelor of Science in Nursing Programs.

Community Service - April 26th, 2019

Students are asked to have any outstanding hours submitted to Guidance by April 26th, 2019 to ensure that this graduation requirement is completed and processed in sufficient time for diplomas.

Lockerby's Convocation - Monday, June 3rd, 2019

Lockerby's Annual Convocation will be held on Monday, June 3rd, at 6:30pm at Cambrian College. The list for graduation gowns has also now been posted in Guidance. Students should take time to ensure that their name is on the list. If their name is missing, they should see a Guidance counsellor.

Applications for Lockerby's annual Laura Cotesta Scholarship - April 23rd, 2019

The deadline for this year's Laura Cotesta Scholarship is approaching. Interested students are reminded to check Lockerby's Scholarship page for this application as well as a number of other amazing scholarship opportunities.

Ontario Student Assistance Program

OSAP The Ontario Student Assistance Program (OSAP) provides a number of grants, which are accessible to students who are moving on to post-secondary. Applying for OSAP does not mean a student has to accept a financial aid package, but it does entitle a student to many unique opportunities, such as sponsored job opportunities on campus. OSAP determines eligibility and amounts for grants and loans based on both student and parent information. Students can complete the OSAP application form found at <https://osap.gov.on.ca>.

Volunteer Opportunity

Sudbury ROCKS - May 12th, 2019

Race, Run or Walk for Diabetes. Volunteer with the biggest race in our city - Sudbury Rocks. Register today to earn up to 10 hours towards your community service hours; visit sudburymarathon@hotmail.com to register.

iCanShine iCanBike - July 2019

The vast majority of people with disabilities never have the experience of independently riding a conventional two-wheel bicycle during their lifetime. Research shows that over 80% of people with Down Syndrome never experience this thrill. Defying these odds is why iCanBike was established. iCanBike is a one-week program organized in association with Health Sciences North to provide a specialized program that allows children with disabilities to develop the skills necessary to ride a two-wheel bicycle independently. Volunteer to give the joy of independence to a child this summer. For more information, visit the organization's website - <http://icanshine.org/ican-bike-sudbury-on/>

Enrichment

Police Advisory Committee (Youth Ages 15 - 21) - May 8th, 2019

The Greater Sudbury Police Service is looking for 3 - 5 highly motivated, energetic and committed youth from the community to join the Police Chief's Youth Advisory Council (CYAC). CYAC is a 'youth led' Council that brings the voice of young people to the Police Chief on issues that are important to youth in the City of Greater Sudbury. Please visit our website under this week's newsletter link for additional details.
