## KIDS CARING FOR KIDS CANCER DRIVE PEP-RALLY!

Lockerby Composite School's 24<sup>th</sup> annual Kids Caring for Kids Cancer Drive Committee would like to extend a huge thank you to everyone who attended the 2019 Cancer Drive Motivational Pep-Rally on Thursday. We are astounded by the enthusiasm and energy of the student body and are excited to see them pour their efforts into Cancer Drive! Highlights of the event included special appearances by Greater Sudbury Mayor Brian Bigger, Sudbury NDP MPP Jamie West, and Nickel Belt NDP MPP France Gelinas.

## LOCKERBY COMPOSITE'S ANNUAL CANCER DRIVE (24<sup>TH</sup> CAMPAIGN)

At our Cancer Drive pep-rally this year, the 2019 Cancer Drive sweatshirts were unveiled and sales started on Friday at lunch in the main foyer. The sweatshirts are on sale for \$40.00 until stock sells out. Remember that Cancer Drive canvassing night is on **Thursday, October 24<sup>th</sup>, 2019**. Additionally, make sure you are signed-up with your favourite teacher team, and that you return your signed permission form to participate in this amazing Lockerby tradition!

This weekend, members of the Cancer Drive Committee will also be bagging groceries at Chris' Your Independent Grocer on Lorne Street, Saturday, October 5<sup>th</sup>, 2019 and Sunday, October 6<sup>th</sup>, 2019 from 11:00am to 3:00pm. Make sure you stop by and support your fellow Vikings! As Cancer Drive draws closer, stay tuned for more news of fun events the Cancer Drive Committee has planned that are coming your way!

### Important Dates:

Saturday, October 5<sup>th</sup>, 2019: Grocery Bagging at Chris' YIG from 11:00am - 3:00pm  
 Sunday, October 6<sup>th</sup>, 2019: Grocery Bagging at Chris' YIG from 11:00am - 3:00pm  
 Friday, October 18<sup>th</sup>, 2019: Sudbury Wolves Game from 7:00pm - 11:00pm  
**Thursday, October 24<sup>th</sup>, 2019: CANCER DRIVE NIGHT**

### Online Donations:

Our Cancer Drive would not be possible without the generous support and donations from within our Sudbury committee. Every dollar raised here, stays here! To donate online, please visit: <https://www.ncfsudbury.com/make-a-donation/> From the website, select the option to donate to "Lockerby Cancer Drive" by selecting 'Donate Now'

## ON TRIAL!

A trial was held in Ms. Kleinsteuber's English class this week to determine whether the protagonist from Edgar Allan Poe's 'The Tell-Tale Heart' was guilty of first degree murder or innocent due to insanity. Students prepared their roles, including the defence and prosecution teams, witnesses, judge and jury. They used evidence from the story to prepare their roles. In the end, the jury found the defendant guilty in a heated trial!

## THIS WEEK IN VIKINGS ATHLETICS . . .

### Cross Country Running

The cross country running team competed at the pre-OFSAA event held at Kivi Park this week. The Viking runners braved the weather as part of their training for the city championships!

### Flag Football

Our flag football team had a great game against a very strong St Charles College team this week. Our Vikings keep getting better, as we gear-up for a run in the playoffs.

### Junior Girls Basketball

Congratulations to our Junior Girls basketball team for defeating Horizon 19-9! Go Vikings go!

## NEXT WEEK IN VIKINGS ATHLETICS . . .

Tuesday, October 8<sup>th</sup>, 2019

Boys Hockey Tryouts - at McClland Arena from 3:30pm - 5:00pm

Girls Flag Football v. Lo-Ellen Park at James Jerome starting at 5:00pm

Junior Girls Basketball v. Lo-Ellen Park at 6:30pm at Lo-Ellen Park

Wednesday, October 9<sup>th</sup>, 2019

Cross-Country Running Race at Windy Lake

Thursday, October 10<sup>th</sup>, 2019

Junior Girls Basketball v. College Notre Dame at 6:00pm at Lockerby Composite School

## CONGRATULATIONS!

Congratulations to Jenna Korzeniecki and Alison Smith for the publication of their short stories in *Creepy Capreol, Jr. 2: Too Many Zombies*. Jenna is the author of 'Blind Faith' and Alison wrote 'Great Oak Door'.

*Creepy Capreol, Jr. 2: Too Many Zombies*

## SUMMER TRIP (GREECE AND ENGLAND): JULY 2021

This tour offers something for everyone - the impressive archaeology of Athens, incredible seascapes seen from the island of Paros. The tour ends in England where students will have time to explore Buckingham Palace and Tower Bridge. There are currently only 12 spots left. See Mrs. Beaudry or Ms. Baggs in Guidance for additional details. This tour is open to students and parents/guardians.

## GRADE 10 CANADIAN HISTORY

Over the last two weeks the students in Grade 10 Canadian History have had the opportunity to study WWI artifacts. The 'WWI Supply Line Travel case' was on loan from the Canadian War Museum. The students were able to examine uniforms, trench art, a trench periscope, and a gas alarm rattle. According to Ashley, "the trench map was pretty cool because it gave us a different perspective on the war, rather than reading out of a textbook."

THE SCHOOL OF SCIENCE AND TECHNOLOGY

## ARCHITECTURE AND INTERIOR DESIGN IN GRADE 9!

This week some grade nine students were designing a house using some great software. The program allows students to develop floor plans but also allows them to add furnishings, appliances, and decor. The unit teaches students about effective use of space, colour schemes, kitchen layout, and even plumbing. Here's a glimpse into Alyssa's new home. She has opted for a sleek, modern design using cool colours.

Living room

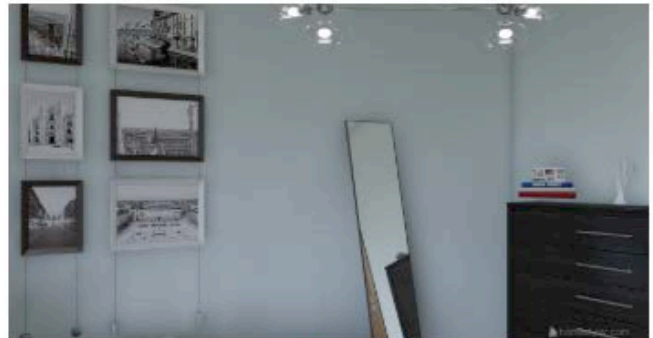

Kitchen/Dining room

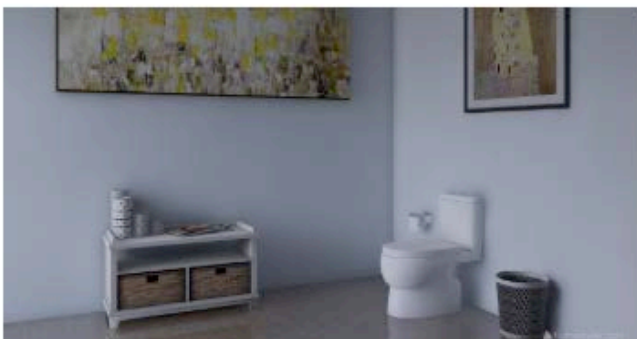

Master Bedroom

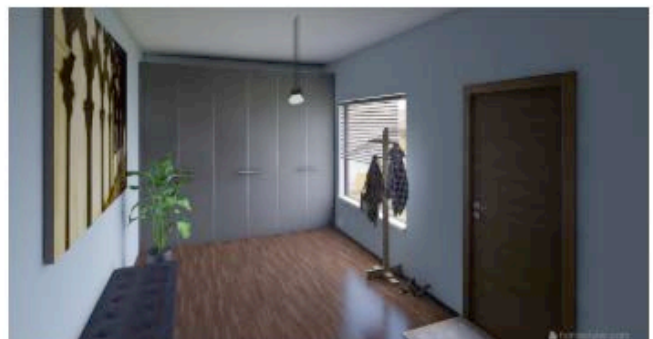

Second Bedroom

Back Entrance and Laundry

## TODAY'S WEATHER: CLOUDY WITH A CHANCE OF BURGERS!

Students in Lockerby Composite's Grade 10 Construction Class completed their BBQ cleaners today. They were challenged to design a unique BBQ scraper out of wood by following the engineering design process. Our Vikings made sketches of different shapes, and then chose one to develop into a full scale technical drawing. They then used the drawing as a pattern to make the scraper from a piece of rough hardwood. Students then applied a coat of mineral oil to seal the wood and make the colour pop. For many of our students, this was our first opportunity to make a piece of custom woodworking, and the focus was on shaping and sanding it as smoothly as possible, as if creating a piece of art! All students achieved success, and enjoyed a class BBQ as a fitting celebration of their efforts!

## THE POWER OF FUSION

Some of our grade 10 students are developing their Fusion 360 skills by making some interesting shaped objects that feature common manufacturing elements such as chamfers, fillets, counter-bores, among others. In addition to assigning materials and paint to their components, the students are now learning how to render their final products using HDRI backgrounds. This adds even more realism to their final models as the two images below demonstrate. Stay tuned as their projects evolve into their own designs and inventions that can be replicated on one of our 3D printers. Thank you to Brady and Amadeo for sharing their work!

## #FATBEARWEEK2019

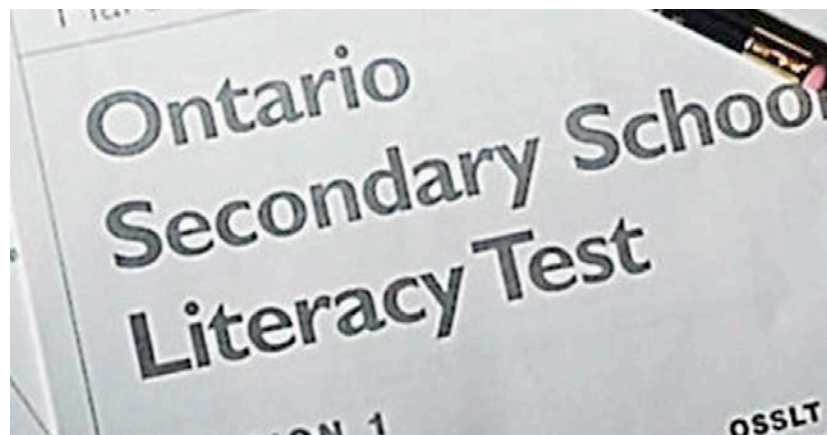

March Madness Basketball brackets get completed in March, but Fat Bear Week brackets get completed in early October! Throughout this past week and into next week, Lockerby Composite School's Environmental Council and some of our biology classes have been researching which Alaskan Bear from Katmai National Park has grown the fattest over the summer in preparation for this year's hibernation season. In the process, students have been learning about animal behaviour patterns, biological field research practices, and ecosystem sustainability. Of course, there's no shame in winning this contest as large amounts of body fat in brown bears is indicative of good health and strong chances of survival. Ms. Donato is currently tracking our students' Fat Bear Week Brackets to see who will be declared this year's champion!

## ONTARIO SECONDARY SCHOOL LITERACY TEST (OSSLT) 2020

Each student in Ontario must write the OSSLT (Ontario Secondary School Literacy Test) as it is a graduation requirement. The test itself is written province-wide during a student's Grade 10 year. The OSSLT is based on reading and writing skills from Grade 9. This year's test is Tuesday, March 31<sup>st</sup>, 2020. A score of 300 or higher is deemed as successful.

In addition to the supports our Grade 10 writers are receiving in their classes, Ms. Baggs has created a Google Classroom for the Grade 10 students to join. The joining code for students is **26uxixm**. In the Google Classroom students will be able to find tips, sample responses, and important dates that will be posted throughout the school year! If you have any questions please contact the Program Leader of Literacy, Ms. Baggs at [baggs@rscloud.ca](mailto:baggs@rscloud.ca) or at 705-522-1750 ext. 6513.

## STUDENT SERVICES

### University Information Evening - Wednesday, October 9<sup>th</sup>, 2019

Secondary school students are invited to start planning their post-secondary journey during the fall University Information Program sessions! The fair style presentation session will occur on Wednesday, October 9<sup>th</sup>, 2019 from 6:00pm to 8:00pm at Lockerby Composite School.

The event is designed to assist graduating secondary school students with making informed decisions before applying to university. The event also aims to help younger students choose high school courses relative to their preferred future university programs. The fair-style event provides many advantages for students as well as their parents/guardians, including navigating the transition from high school to university, exploring campus life, living in residence, and class schedules. Students can also learn about admission requirements, scholarship opportunities and the application process. The University Information Program sessions will bring together representatives from all 21 of Ontario's universities.

### Post Secondary Open Houses

#### Laurentian University - Saturday, November 2<sup>nd</sup>, 2019

Laurentian University's Fall Open House provides an opportunity for students to explore classrooms, residences, athletic, and state-of-the-art facilities. Additionally students can learn about scholarships, bursaries, and financial aid. Students can register at <https://laurentian.ca/open-house-registration>

#### Cambrian College - Saturday, November 9<sup>th</sup>, 2019

Visit Cambrian College's Barrydowne campus on Saturday, November 9<sup>th</sup>, 2019 to find out more about the College, explore programs, and get a glimpse of what life at Cambrian is like. Students will have an opportunity to talk with professor, explore labs and classrooms, tour the campus and residence, and attend a financial aid information session with Cambrian's OSAP and awards experts. Students are encouraged to register through Cambrian College's website.

#### University of Ottawa - Saturday, October 26<sup>th</sup>, 2019

University of Ottawa's Open House aims to help students who are within two years of graduating, and their parents/guardians, as they make big decisions about post secondary education. Students will have exclusive access to the campus while learning about admission requirements generous scholarships, extensive French immersion programs, etc. Students can register at [uOttawa.ca/openhouse](http://uOttawa.ca/openhouse)

## STUDENT SERVICES

### Take Our Kids To Work (Grade 9) - Wednesday, November 6<sup>th</sup>, 2019

Guidance will be visiting Grade 9 classes Wednesday morning to provide information about this year's Take Our Kids to Work Day. Parents and guardians are encouraged to start to plan for this opportunity with their students by inquiring with their employers and booking the opportunity over the next few weeks. If you have any questions/concerns please do not hesitate to contact Guidance. Parents and guardians can also visit the provincial website at: <https://www.thelearningpartnership.ca/events/take-our-kids-to-work-day?lang=en-CA>

### Viking Scholar Day - Thursday, November 7<sup>th</sup>, 2019

Parents and guardians are reminded that our annual Viking Scholar Day will take place Thursday, November 7<sup>th</sup>, 2019 at 9:30am in our Auditorium. We look forward to seeing our students, parents and guardians at this year's ceremony!

### Volunteer Opportunities

#### Algonquin Road Public School Halloween Fun Fair

Algonquin Road Public School will be hosting their annual Halloween Fun Fair on Saturday, October 20<sup>th</sup>, 2019 and are currently looking for student volunteers to assist with the event (between 9:30am and 3:30pm). Students can contact Sherri Webb at [webb\\_sheri@outlook.com](mailto:webb_sheri@outlook.com) or at 705-690-1445 if they are interested in learning more about this fun opportunity.

## Sign up today!

### An easy way for parents to pay:

## SchoolCashOnline

- field trips
- spirit wear
- hot lunches
- athletic fees
- yearbooks
- and more!
