NOSSA REGIONAL VOLLEYBALL CHAMPIONS!

A big congratulations goes out to our Junior Boys Volleyball team and Mr. Beausoleil, who gave it their all on Thursday evening in the final game of the season against Horizon Secondary School. The team never gave-up all season, as they bested teams from across all of northeastern Ontario to become the gold medallists. The hardwork and dedication of all team members was evident throughout the season and certainly paid-off on the road to victory. The NOSSA 'A' banner will look great in our gymnasium! The team would like to thank all of their Viking supporters this season!

ADVANCED PLACEMENT (AP) BIOLOGY

Students in AP Biology are learning about cell to cell communication. Stress response, nervous system response, and stress recovery are just a few examples of cell communication in action. This week, students discovered how the mammalian diving response triggers a drop in heart rate, which can be protective in certain situations. How do you test the mammalian diving reflex? Just submerge your face in cold water, and check your pulse!

LOCKERBY ECO-SCHOOLS

Lockerby Composite has recently rolled-out their new composting and waste management program! This week, members of the Viking Eco/Civics Team, under Ms. Czerniak's leadership, performed their first school to walkabout check for garbage/recycling cross contamination, as well as the use of lighting in our building. Our school is well on their way to obtaining our EcoSchools Certification!

BRAIN GAME

This week, the Responsible Gambling Council was at our school to present their one-hour, interactive educational travelling game show - 'Brain Game.' The presentation is designed to teach youth about the risks associated with gambling. All grade 11 and 12 students took part in the presentation, with many laughs along the way. Thank you to all those that participated in the event!

REPORT CARD DISTRIBUTION

Attention students and parents/guardians:

Report Cards will be distributed in homerooms this coming Wednesday (November 20th).

THIS WEEK IN VIKINGS ATHLETICS . . .

Basketball

Congratulations to our group of SDSSAA city silver medalists! Our Junior Girls basketball team played a good game against Lasalle Secondary School last Saturday but fell short to the Lancers. And drumroll please...the team has qualified for the regional NOSSA championships starting on Friday! Excellent work ladies- you have made Lockerby Composite very proud!

Nordic Skiing

What's a Snow Day without a little bit of skiing? Our team has already hit the trails for some nordic skiing training! If anyone is interested on being part of the team, please contact a Lockerby Athletic Association (LAA) member or talk to Mr. Abols and Mrs. Stanyon!

Program
(STEP)
est. 1984

The OSSLT is a graduation requirement administered by the Education Quality and Accountability Office (EQAO). The test assesses the reading and writing skills that students are expected to have learned in all subjects by the end of Grade 9, as outlined in *The Ontario Curriculum*.

In order to accommodate the practice test on Tuesday, November 19, 2019, Lockerby will have a short period day. The school will be open in the morning, and regular scheduled classes will run in the afternoon. After lunch all students will attend Periods 1, 2, 3 and 4. ***If students arrive in the morning and are not writing the test, they can use this time to work on projects and receive extra help in assigned areas.***

All eligible students will be writing the practice OSSLT in the morning. Students are to arrive at school at the regular time and report to their assigned testing room. Below is the schedule for the day:

<u>Morning Schedule</u>	<u>Afternoon Schedule</u>
<i>OSSLT Practice Assessment</i>	<i>Condensed Schedule</i>
8:15 - First Bell	10:30- 11:30 Lunch
8:20 - Second Bell	11:30-12:15 Period 1
8:20-8:25 Instructions, Attendance	12:15-1:00 Period 2
8:25- 10:30 Booklet 1 & News Report	1:00-1:45 Period 3
	1:45-2:25 Period 4

Students who successfully pass the March OSSLT will obtain their graduation requirement and will not be required to write the test again. Students who are unsuccessful will have the options of taking a course in Summer School or signing up for the Ontario Literacy Course being offered at Lockerby Composite School during the 2020-2021 school year.

Please mark **Tuesday, March 31, 2020** in your calendar to ensure that your child is present at school for the official OSSLT test administration date. You can help your child prepare for the test by accessing an online practice version at www.eqao.com/en/assessments/eqao-online. They can also use this interactive Gsuite site as well for extra test prep (<http://gsuitehelp.ca/osslt/>) and join the Google classroom using code 26uxixm.

If you have any questions, please contact Meghan Baggs, Program Leader of Literacy, by calling 705-522-1750 extension 6513, or by email at baggs@rscloud.ca.

STUDENT SERVICES

Grade 12 Students

Attention: Grade 12 Students

There are a number of very important deadlines approaching. Please review the information carefully. If you have any questions/concerns you are encouraged to see a Guidance Counsellor.

Post-Secondary Applications (College and University)

Students will be completing their post-secondary applications with the Guidance Team from Friday, November 29th, 2019 to Tuesday, December 3rd, 2019. Students must sign-up in the Guidance Office next week. Parents and guardians are encouraged to review the applications with their student in the evening after the application has been completed. If your student has any questions/concerns please have them see a Guidance Counsellor. Students are reminded that their application will not be processed until payment is received.

Deadline for University Applications: Wednesday, January 15th, 2020
Deadline for College Applications: Saturday, February 1st, 2020

Graduation Gowns

Students are reminded to reserve their graduation gowns this coming week. The first order will be completed prior to leaving for the Christmas Break. Students are encouraged to reserve their graduation gowns during the first order as the \$45 fee will increase to \$50 afterwards. Students can reserve their gowns in the Guidance Office.

Parent Information Session - Laurentian University

Liaison Services is hosting a Parent Information night on Wednesday, December 5th, 2019 from 6:00pm - 8:00pm. This event will cover: how to be an effective support person for your young adult; how to support a positive transition from high-school to postsecondary studies; application processes and timelines; fees and financial aid options; student support services, and more! Parents and guardians are asked to register through Laurentian University prior to November 29th, 2019.

Scholarships Scholarship Tree

The Scholarship Tree currently has over \$1,000,000 in scholarships available for students. Students can find which scholarships are a best fit for them by signing-up at ScholarTree.ca.

Volunteering

Festival of Lights: November 2019 to January 2020

Volunteers are needed for the Sudbury Manitoulin Children's Foundation Festival of Lights. Students can volunteer for one or more nights at one of Sudbury's most popular Christmas events. Volunteers will greet visitors and accept donations from the (heated) parking booth at Science North from: 6:00pm - 8:30pm or 8:30pm - 10:00pm. Register online at www.smcf.com/donate/volunteer
