LCS LANDSCAPE ARCHITECTURE

This week students in our Grade 11 Architecture course are putting the finishing touches on their residential landscape designs! Armed with new knowledge of plant hardiness zones and botanical nomenclature, Hunter has designed a great landscape complete with a patio, pool, and arbour.

AP BIOLOGY

This week, our AP Biology students learned about communication between cells, which is extra important in the endocrine and nervous systems. We dissected sheep brains, and differentiated between white and grey matter. Our Vikings located some key brain structures including hypothalamus, pituitary, cerebellum, and brain lobes. We then dissected sheep eyeballs and were able to locate the optic nerve, lens, retina, and other structures. Talk about an eye opening experience!

GRADE 12 DESIGN - SOLUTIONS TO PROBLEMS

Grade 12 Technological Design students have been busy putting the finishing touches on their custom design projects to improve the organization and comfort of students and staff around the school! Each Viking produced a 3D model of their design using Fusion 360 and carefully planned the construction to include some impressive joinery. Below are some highlights of the great projects completed this year!

THIS WEEK IN VIKING ATHLETICS...

A message from your Lockerby Athletic Association

Calling all Vikings interested in athletics! Lockerby Athletics Association is putting together a Fitness Week Day. Students at Lockerby will be invited to come down to the gymnasium for some fitness games and activities. Participation is voluntary but highly recommended and students will be following safety protocols for COVID-19. This will be happening on Thursdays during lunches starting December 3rd, 2020. The Athletics Association hopes to see you there Vikes! Stay tuned for more details.

Volleyball

Both our Junior Boys and Senior Boys Volleyball Teams were in action this week. Both teams played well, defeating Lo-Ellen Park Secondary School! Kudos Viking Volleyballers!

KIDS CARING FOR KIDS CANCER DRIVE - 2021

A message from Lockerby's Kids Caring for Kids Cancer Drive Committee:

Vikings, we are so incredibly proud to say that this year's sweater sales were a success once again! We would like to thank everyone who purchased a sweater or mask and/or donated to the NCF. We appreciate you!

For those of you who ordered a sweatshirt, they will be delivered to your homeroom at some point in early December. Unfortunately, sweatshirts are no longer for sale. Sales closed on November 13th at midnight and have already been ordered through our supplier.

Don't you worry, Vikings, even though sweatshirts are no longer for sale, we still have some extra masks for sale! Your Lockerby Cancer Drive masks will remain on sale until they're all gone, so make sure to hurry up and order your mask today for the low price of \$12! A reminder that all sales are to be made through School Cash Online.

How to access School Cash Online:

- Open the website rainbowschools.schoolcashionline.com
- Create your account.
- Confirm your email.
- Add your child(ren) to your account.
- Choose the Cancer Drive sweatshirts and masks of your choice.

How to donate to Lockerby's Kids Caring for Kids Cancer Drive through the Northern Cancer Foundation (NCF):

As you all know, all profits made from the Cancer Drive are donated to the pediatric unit of NCF. Despite this year's challenges, we are still trying to reach our goal of \$1 million donated over the past 25 years to NCF and we appreciate every penny our Viking and Sudbury community has donated to this wonderful cause. If you would like to donate, follow the steps below.

- Open the website www.ncfsudbury.com into your browser.
- Scroll down and click the green button that says "Donate Now."
- Scroll down and click the green button that says "Donate Now" under the label "Lockerby Cancer Drive."
- Enter the amount you wish to donate and proceed with your online donation.

FUN WITH FUSION

Students in Grade 10 are designing and inventing! Sahba used Fusion 360 modeling software to design this floor vase. She also created this matched pair of rings.

Our Grade 10 Vikings were additionally asked to work with a partner to combine individually created components into a final assembled design. Students were also using this software to design and render their individually designed shelf that will be made in the woodshop. Teagan's, Reese's, and Hannah's designs are featured below!

GRADE 10 FRENCH IMMERSION

Our Grade 10 French Immersion students presented investigation walls in efforts to solve the crime that was committed in their novel study, 'Ainsi parle le Saigneur.' Students worked individually, as well as in small groups, to identify and analyze suspects, witnesses, and clues using a variety of multimedia including Jambard, Padlet, Prezi and Slides!

GRADE 9 CORE FRENCH TRAVELS

Despite travel restrictions, our Grade 9 Core French students went on vacation this week! Referring to their Instagram template, students spoke in French about the cities in which they visited, including Paris, Brussels, Bordeaux, and Quebec. Students demonstrated their creativity and imagination as they recounted their tales of enjoying different cuisine, visiting attractions, and meeting friendly locals!

MINING FOR CHOCOLATE!

This week in Grade 9 Geography, our Vikings took the time to apply their knowledge of Canadian resources by completing the 'Mining for Chocolate' activity!

CAREERS CLASS

This week, our Grade 10 students began Careers Class, where they began learning about chequing and savings accounts in their financial literacy unit! Students were tasked with determining which accounts were best for their needs.

LCS GSA

Students who identify as LGBTQ+ and their allies are welcome to the Lockerby GSA meetings during Week 2 on Wednesday's at lunch. Everyone is welcome! Please contact Ms. Caddel for further details.

Post-Secondary Applications

Students are encouraged to complete their post-secondary applications over the next few weeks. Students applying to university require a personal identification number, these envelopes have been distributed to all of our face-to-face learners. Student who are learning remotely are asked to pick up their envelopes in the main office. College students are reminded that there is a step-by-step guide on Lockerby's Student Services Google Classroom.

Google Meet for University Applications

Student Services will be hosting a Google Meet on Monday, November 30th, 2020 at 11:00am to provide a step-by-step look at how to apply to university. Students will be able to access the join code on the Students Service Google Classroom. Students are encouraged to have at least 3 university program choices ready for this day as well as their OUAC application letter. Students are encouraged to have at least 3 university program choices ready for this day as well as their OUAC application letter with their personal identification number (PIN). Students who have a class during this period will be provided time within the class to participate. If you are a remote learner or have a spare you are encourage to join this very important session from your individual location.

Midterm Marks

Rainbow District School Board sent marks to colleges (OCAS) and universities (OUAC) this past Thursday, November 19th, 2020. Students should review the transmission carefully to ensure the details are accurate. Special attention should be taken with regards to course codes and midterm marks. If there are any errors or questions please email Mrs. Beaudry.

Volunteer Opportunities

The YMCA of Sudbury is looking for student volunteers to help sort donations, pre-packaged care packages for those using the warming centre and to prepare the nighttime snacks/drinks. This will be done safely and PPE will be provided. This will not be when the vulnerable adults are in the centre. Hours can vary between after school and 8:00pm. Please email kendra.macisaac@ymcaneoe.ca for more information.

PICTURE RETAKES / REMOTE LEARNER PICTURES

Picture Retakes will be held at our school on Thursday, December 3rd, 2020. Pictures will be taken in our Library on that day.

Remote Learner pictures will also be taken on Thursday, December 3rd, 2020 from 1:00pm - 2:00pm. No appointment is needed. Remote Learners are asked to please enter through the main set of doors, check-in at the Main Office, and then proceed directly to the Library for their pictures.

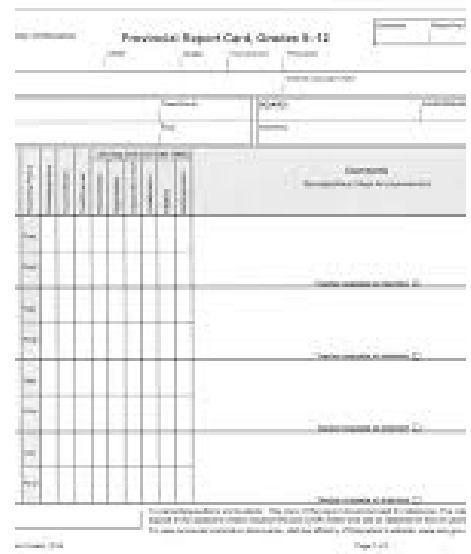

REPORT CARD DISTRIBUTION

Attention Students and Parents/Guardians:

Report Cards for Face-to-Face Learners were distributed in homerooms on Friday, November 20th, 2020. Student without homerooms can come to the Main Office to pick-up their report cards at some point over the next several mornings.

Our Report Cards for Remote Learners have also started to be scanned and emailed to students directly. All emails will be sent by Tuesday, November 24, 2020.

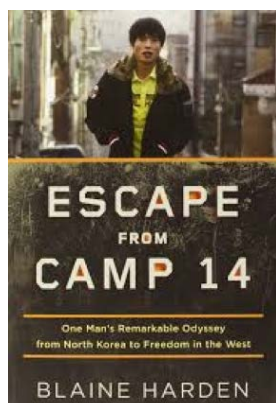

Additionally, students enrolled in an asynchronous Physical Education or Technology course will have their midterm report card digitally emailed to them through their rscloud.ca email account.

LIBRARY SERVICES

Come to the Library in the morning between 8:00am and 8:20am or after school from 2:20pm - 3:00pm to check out or return a book. Strict COVID-19 policies and procedures are in place for everyone's safety. Only 8 students at a time, please wear your mask, social distance, and sanitize upon entering and exiting the Library. Can't make it into the Library? No problem, login to our new database Insignia and put a hold on your favorite book or contact Mrs. Gordon at gordonp@rainbowschools.ca for help picking one out.

This week's highlight is a true story of survival:

North Korea's political prison camps have existed twice as long as Stalin's gulags and twelve times as long as the Nazi concentration camps. These camps are clearly visible in satellite photos, yet North Korea's government denies they exist. No one born and raised in these camps is known to have escaped. No one, that is, except Shin Dong-hyuk.
