Re: Graduation Ceremony June 2021

Hello Viking Community:

We hope you and your family have remained safe and healthy through these challenging times as we move through May and into June with remote learning. At this time of the year, we know that families begin to think about graduation.

As we indicated in previous correspondences, Lockerby's graduation this year, like all Rainbow schools, will be a virtual ceremony. The date has now been finalized. It will take place on Friday, June 18, 2021; this will be the release date of the video. A link to the video will be posted upon its completion on our web site, on Lockerby's social media outlets, and in the school newsletter.

Please know that more is planned for our graduating class. Information will be posted in the coming weeks detailing the pickup of a graduation memento and a graduating class composite photo. An outdoor distribution centre at the school will have gowns available for student or family photos at the end of the school year.

If graduating students have not already done so, they should join the 2021 Grade 12 Graduates Google classroom (join code 5kxbbdv) in order to find updates on the virtual ceremony and other graduation-related information. In preparation for the video, students may be asked to participate in certain parts of the recording process in order to make this as memorable as possible. However, if permitted by Public Health Sudbury and Districts, all student involvement will be subject to PHSD guidelines.

If you have any questions regarding graduation, please do not hesitate to contact the school.

Sincerely,

C. Runciman
Principal
