Lockerby Composite School's weekly news on Viking academics, events, extra-curriculars, and more!

AP SEMINAR - WORKING HARD!

AP Seminar students were hard at work this week! What you're witnessing in this photograph is the development of critical thinking skills. Students were teamed up to explore a research problem of their choice by finding quality evidence from a variety of academic disciplines. They then had to identify the pros, cons, limitations and implications of different solutions to the research problem. This group is attempting to solve the problem of the gender wage gap.

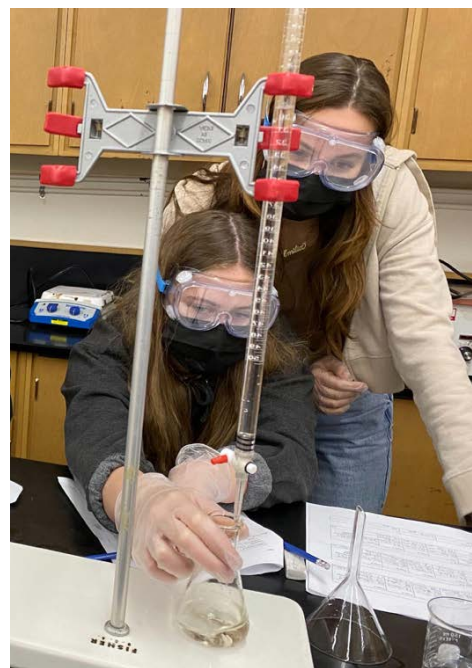

LOCKERBY

THE SCHOOL OF SCIENCE AND TECHNOLOGY

GRADE 10 STEP SCIENCE

This week it was Ms. Pike's Grade 10 STEP Science class' turn to investigate acidic Copper Cliff mine tailings! Here, students are conducting a titration of three samples of tailings to determine the age of each sample!

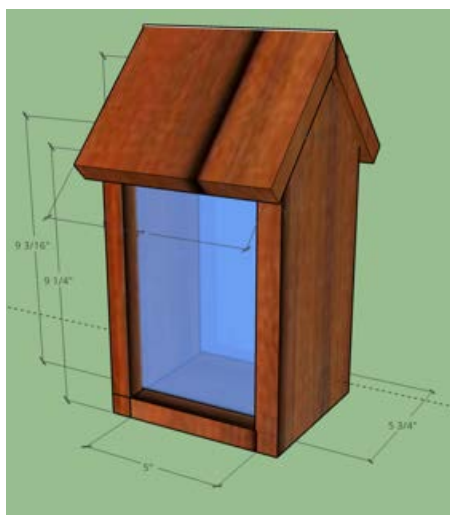

MODEL MAKING

Owen and Hunter have been building their architectural models this week. Model-making is just one of the many independent study options open to the Grade 12 architecture class. Other projects on the go include a perspective drawing of the inside of a cathedral, a house-flip renovation of a house currently for sale in Sudbury, and a slide-show explaining the evolution of architectural styles throughout history!

DESIGN - BUILD - DELIVER

Mr. Coulas' Grade 11 Technological Design students spent some time this semester learning to design, plan, and build a bird nest box or bird feeder. The project involved developing ideas and ultimately making a detailed design using 3D modeling software (i.e. Sketchup). Using their individual designs students carried out the construction of the project and delivered construction packages with instructions to St. Joseph's Continuing Care Facility. These projects are used in their programming to engage clients with hands-on projects to help maintain fine motor skills during their recovery. The projects are assembled, sanded, and finished to make them look great. In June, the finished projects will be sold in a silent auction to raise funds for other programming initiatives.

This feeder was designed by Jake H. using Sketchup a 3D modeling Software

Constructed

This Feeder Constructed by Evan G.

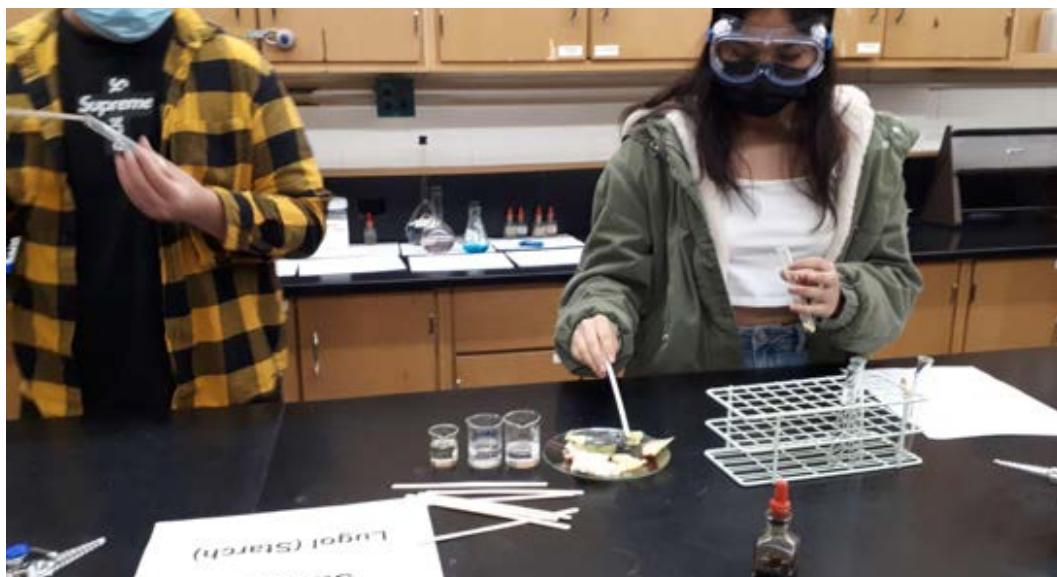

Delivered

Nestbox/Feeder Construction Packages given to S. Gillard of St. Joseph Continuing Care

TESTING FOODS!

Our Grade 11 Biology class tested a buffet of foods this week to try to identify different macromolecules. Carbohydrates, lipids, and proteins all have unique molecular structures which can be identified using indicators. Did you know that your favorite salty chips are made up mostly of sugars?

GRADE 9 CHEMISTRY

Can you fit your whole body through a piece of paper? This week our Grade 9 STEP Science students performed a variety of experiments as they investigated the differences between physical and chemical changes in the laboratory.

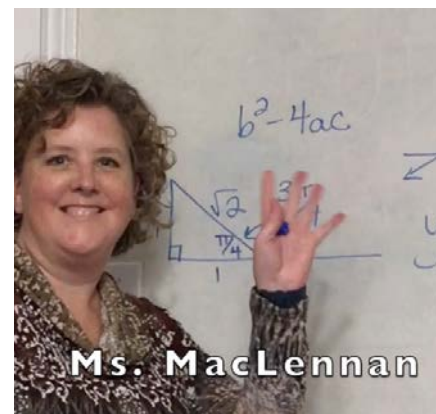

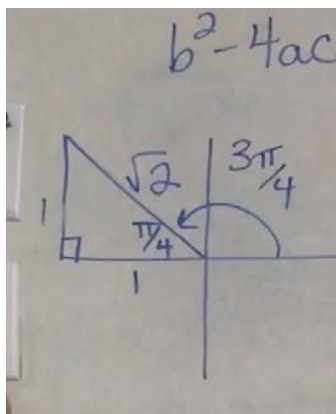

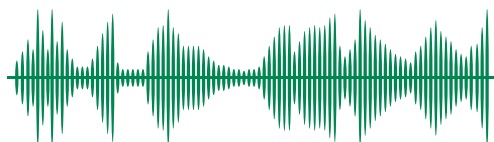

LCS CHOIR

Congratulations to LCS Choir members for their entry to the CBC Music Class Challenge! Check out our performance by clicking on the image below - if any Vikings have a love of singing the choir is still welcoming new members, see Ms. Kirkham for details!

MASKED DJ (WEEK 6)

The fifth reveal of Lockerby's Masked DJ happened this past Monday! Last week's Masked DJ was...Ms. MacLennan! This week, we heard songs from Florida Georgia Line, Chris Janson, and The Tragically Hip! Who could this week's Masked DJ be?

Ms. MacLennan

THIS WEEK IN VIKING ATHLETICS...

Breaking News

Volleyball

Our Senior Boys Volleyball team have won the NOSSA Regional Championships and will be moving-on to the provincial OFSAA Championships next week. A big congratulations to Mr. Beausoleil and the team!

Congratulations to the Junior Boys Volleyball team. Last weekend our Vikings won the SDSSAA City Championship in a 3-set sweep against the Lasalle Lancers. Every single player on the team played amazingly. Liam B. set a very well-balanced offense and made excellent game-time decisions. Matthias S. played an amazing match at the libero position. He was passing dimes! On offense, James B., Sam G., Callum B., Adam S., and Zander K. were very hard to stop with their aggressive attacks. Our Junior Boys will be competing this weekend for the NOSSA Regional Championships in Sturgeon Falls.

THIS WEEK IN VIKING ATHLETICS...

Intramurals - Volleyball

This week in intramural action, the Handlers and team Beausoleil came out on top, and will both advance to the finals!

Boys Hockey

This week at the rink, our Boys Hockey team played their second game of the season at Copper Cliff Arena. Although they weren't able to get the 'W' against St. Charles College, they played a great game!

LITERACY TEST (OSSLT)

Congratulations to our Grade 11/12 cohort who wrote their Literacy Test this past week. Next week (beginning November 22nd and going until November 25), we will have our Grade 10 cohort writing the OSSLT. Students who are absent for their test date are asked to contact Ms. Baggs at baggsm@rainbowschools.ca or call 705-522-1750 ext. 6513 in order to discuss an alternative time to write.

Who is writing next week?

Monday, November 22nd: SNC2DL, and TEJ2O0
 Tuesday, November 23rd: HFN2O0, and ENG2P0
 Wednesday, November 24th: CHV2O0, and PPL2/3O1
 Wednesday, November 25th: MPM2DL, and CHC2DI

Virtual Workshops Week of November 15th - 21st

Sunday, November 21st at 4:00pm: The Opinion Piece
 Tuesday, November 23rd at 5:00pm: Multiple Choice and Short Written Response
 Wednesday, November 24th at 4:30pm: The Opinion Piece

REPORT CARD DISTRIBUTION

Attention Students and Parents/Guardians:

Due to unforeseen technical issues, student report cards were not be distributed on Thursday, November 18th, 2021. Instead, they will be distributed next week in homeroom (Period 3) classes. Student without homerooms can come to the Main Office to pick-up their report cards at some point over the next several mornings.

WORLD FISHERIES DAY

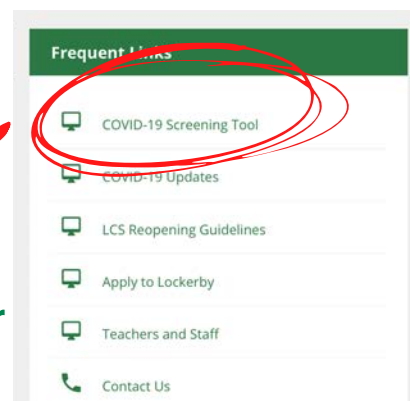

Attention Vikings:

Your Environmental Council will be recognizing World Fisheries Day next week, by having our school community participate in an Instagram Photo Challenge! Several local fish species have been posted in various locations around the school (with some fun facts); Vikings are encouraged to DM fish-picture selfies from around the school to @lockerby_environmental_council ... there will be a fish related prize for those that find all six fish species! Submit your photos by next Friday, November 26th, 2021!

Don't forget to Self-Screen before coming to school!

Dear Viking Community:

RE: SEMESTER 1 (TERM 1) MIDTERM REPORT CARDS

We hope that this letter finds you well as we update you regarding Lockerby Composite School's midterm report card distribution.

Due to unforeseen technical issues, student report cards will not be distributed on Thursday, November 18, 2021. Instead, they will be distributed next week in homeroom (Period 3) classes.

A reminder that this set of report cards provides clear information about how well a student is achieving the provincial curriculum expectations at the midway point of the semester. The midterm report cards also provide students with an opportunity to view their learning skill progress, reflect upon their teachers' course comments, and review their course attendance to date. Of course, we remain very proud of all of our Vikings for their continued resilience and commitment to their learning both inside and outside the classroom.

Should you have any further questions or concerns, please do not hesitate to contact us at 705-522-1750 and we would like to thank you for your continued patience and support.

Sincerely,
LOCKERBY COMPOSITE SCHOOL

STUDENT SERVICES

Post Secondary Applications

Midterm Mark Transmission to Colleges and Universities

The Rainbow District School Board is sending marks to colleges (OCAS) and universities (OUAC). Students should review the transmission carefully to ensure the details are accurate. Special attention should be taken with regards to course codes and midterm marks. If there are any errors or questions please email Mrs. Beaudry.

Finalizing Application to Post-Secondary

Lockerby's Grade 12 students have been provided with workshops to support their post-secondary applications. They are now encouraged to review their applications with the families. It is also important to note that the institutions will not receive any information until applications have been paid. Early conditional offers are starting to be provided to our students. To be considered for this first-round of offers, students must complete and pay for their application prior to the December Break.

Post-Secondary Application Deadlines

University: Thursday, January 13th, 2021 (\$150.00 fee for 3 programs)

College: Tuesday, February 1st, 2021 (\$95.00 fee for 5 programs)

Book Your Graduation Pictures Session

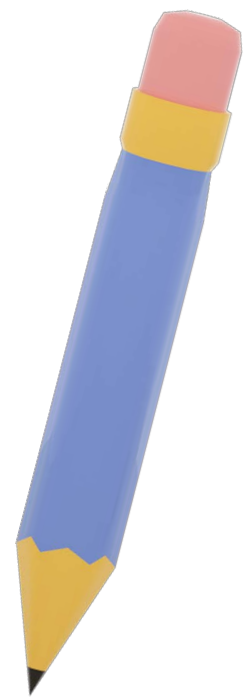

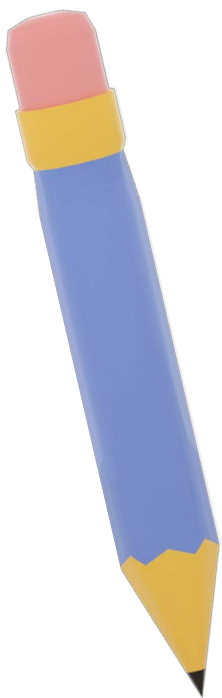

Grade 12s it's time to book your graduation photos. Students must sign-up online at www.bookmygrad.ca and enter school code: LOO. Bookings will be completed on a first come first serve basis with pictures being scheduled from Monday, December 6th through Thursday, December 9th.

Level Up Tutoring

A group of Grade 12 students have introduced an after school tutoring program to assist others with their homework and assignments. Sessions will be held every Tuesday after school from 2:30pm - 3:30pm in our Library.

Lockerby Vike Wear

Students are encouraged to purchase their Vike Wear before the deadline. Items can be purchased using our school's cash online. Orders can be placed until Thursday, November 25th, 2021. Families wishing to pick-up their items for a holiday gift are asked to contact Gisele Beaudry via email for organizing a pickup (beaudrg@rainbowschools.ca).
