CANCER DRIVE 2022- ICE BUCKET CHALLENGE

On Thursday, April 14th, Lockerby's Kids Caring for Kids Cancer Drive Committee held their ice bucket challenge. The teachers who volunteered to have buckets of ice water dumped on them were Ms. Stanyon, Mr. Abols, Mr. Graham, and Mr. Lafraniere. We want to thank all Vikings who donated money to this event. We especially thank the staff members who were dunked! Over \$250 was donated to see these staff members take the challenge, contributing to this month's total of \$4,000.

As well, Cancer Drive sweatshirts are still available for purchase through School Cash Online for \$40. Pledge forms are also due Thursday, April 28, 2022. Donations can be cash, cheques made payable to the Northern Cancer Foundation, and online through NCF's website.

KIDS CARING FOR KIDS CANCER DRIVE - 2022

How to donate to Lockerby's Kids Caring for Kids Cancer Drive through the Northern Cancer Foundation (NCF)

In the past 27 years, Lockerby has raised over \$986,000 which means we are only \$14,000 away from our goal of \$1,000,000. We appreciate every penny our Viking and Sudbury communities have donated to pediatric cancer care in Sudbury. All donations of \$20 or more will be issued an official tax receipt. HAIRY EXPERIENCE

This week, some of our Grade 9 STEP Science students were able to use the Van de Graaff Generator to learn about the accumulating electric charges and electric potentials. It was certainly a hair-raising experience!

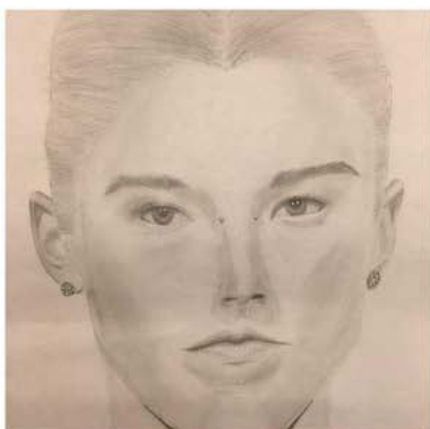

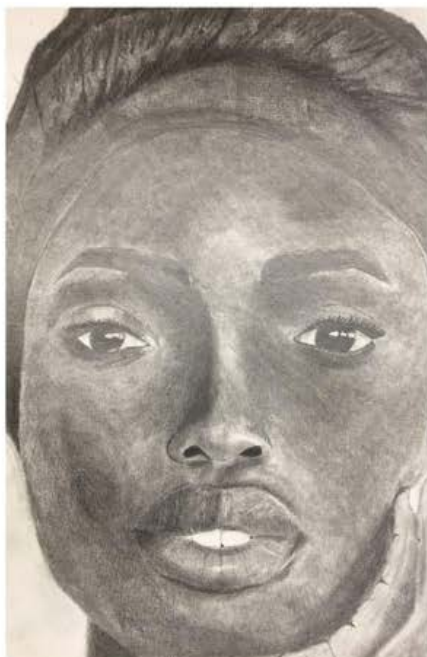

MASKED DJ

The latest reveal of Lockerby's Masked DJ happened this past Monday! Last week's Masked DJ was Ms. Beaudry! This week, we heard songs from Pearl Jam, Collective Soul, and Men at Work! Who could this week's Masked DJ be?

GRADE 10 VISUAL ART

Our Grade 10 students were wrapping-up a portrait unit this week. Some students used gridding and others drew freehand. Below are just a few samples. Congratulations to you all on your excellent efforts!

THE MOLE

Students in Grade 12 Chemistry spent some time this week learning about the 'mole.' Our Vikings looked at using a variety of beans ('Wow, beans!') to wrap their heads around this tough concept! Now onto understanding Avagadro's Constant!

TIDAL CURRENTS

Viking Geographers were hard at work this week investigating the physics of tidal currents, and particularly the devastating results of undersea tectonic activity and how these events change coastlines. Students were able to analyze the results of their experiments using freeze-frame technology to assess how tidal wave currents alter communities near areas that experience tectonic activity.

LCS VOCALS

LCS Choir members have been having a blast learning hits from 'Encanto' - new members are always welcome to come and sing with us - see Ms. Kirkham for details!

EARTH DAY

Earth Day is on April 22nd, 2022, and your Environmental Council will once again be celebrating! There will be a viewing of the Lorax, a Bake Sale and free Earth Day inspired treats for all! More details about how you can participate in the event will be the upcoming morning announcements!

ATTENTION GRADUATES:

AP Capstone

On Thursday, June 9th, 2022, Lockerby Composite School will be hosting its 63rd convocation ceremony at Laurentian University's Fraser Auditorium.

This year, due to a smaller venue, each graduate will receive five tickets for their guests to attend. Doors will open at 5:00 pm.

The convocation ceremony will start promptly at 6:00 pm but we ask graduates to be at the Fraser Auditorium, at Laurentian University, no later than 5:15 pm.

The rehearsal for the convocation ceremony will take place the day of the ceremony on June 9th, 2022 at the Fraser Auditorium. A bus will be provided for the students in the morning. Rehearsal starts at 9:00 a.m.

A graduation gown, cap, and v-stole will be required by the graduates for our convocation ceremony. Students must rent their graduation gowns through our School Cash Online System. There will be a \$45.00 fee. Orders must be placed by Friday, April 29th, 2022 to ensure sufficient time for processing.

The gowns are tentatively scheduled to arrive from Winnipeg the week of May 30th, 2022. Students will be able to pick up their gowns from our school's library. The gowns must be returned **immediately** following the convocation ceremony. If students fail to return their gowns at that time, it will become their responsibility to return the gowns to the distributor incurring a possible fine of up to \$100.00.

On Friday, June 10th, 2022 the graduation prom will occur at Science North's Vale Cavern. The tickets will go on sale on May 2nd, 2022 through our School Cash Online System. Tickets will be \$75.00 for early purchasers and \$80.00 after May 20th, 2022.

The convocation ceremony and graduation prom are the only school events that are sanctioned by the school.

Students must remember that other than the rehearsal, classes will run as scheduled during graduation week. It is important that students remain diligent with their academic responsibilities during this week and in the weeks following graduation. Students are also reminded to stay safe during this graduation week.

Sincerely,

Craig Runciman
Principal
