KIDS CARING FOR KIDS CANCER DRIVE - 2022

\$15,000

That's the amount of money Vikings raised this month!

That's a wrap on our Cancer Drive month! We had so much fun running all of our fundraising events and seeing our student body come together again. It is the first Cancer Drive we have been able to run in 2 years. Amazingly, during a global pandemic, Lockerby students and staff raised \$15,000 by collecting donations from family and friends. We are so thankful for everyone's effort. This wouldn't be possible without each and every one of you. The homeroom winner who raised the most money per capita is Ms. Levan's Grade 10 English class. They raised a whopping \$1,090! The student winner who raised the most money is Sam D. who raised an incredible \$550!

Thank you, also, to our corporate sponsors:

Gold: Shawn Day
 Silver: Jungle Gym Gymnastics, Diggs and Dwellings
 Bronze: Sorgini Eye Institute, Let's Dance Studio, FFCF
 General: King Sportswear, Arby's, Paris Family Dental

SUDBURY MUSIC FESTIVAL

This week, both of Lockerby Composite School's bands received a virtual adjudication for their Sudbury Music Festival submissions from Garry Page, an award-winning music educator with Honours in Music degrees in Trumpet Performance, Academics, and Teaching from the Birmingham Conservatoire of Music and the Guildhall School of Music and Drama.

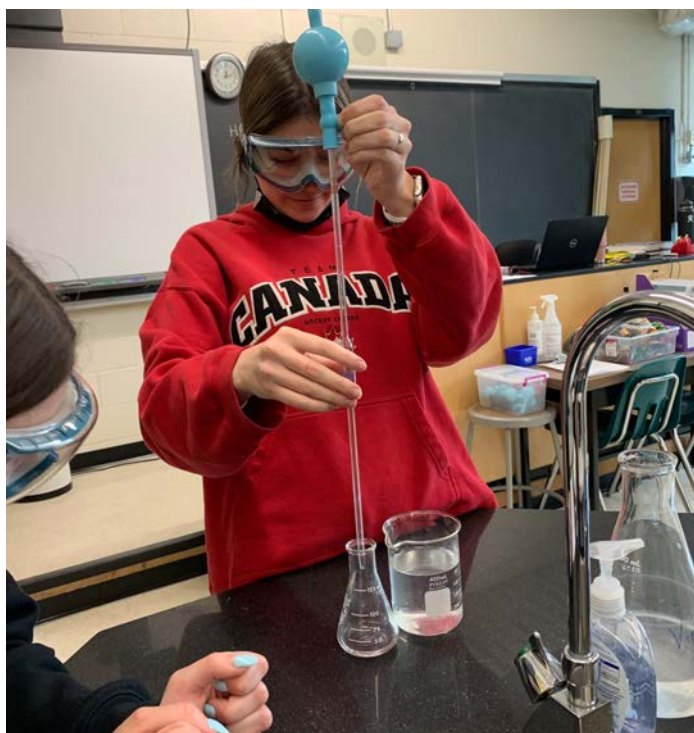

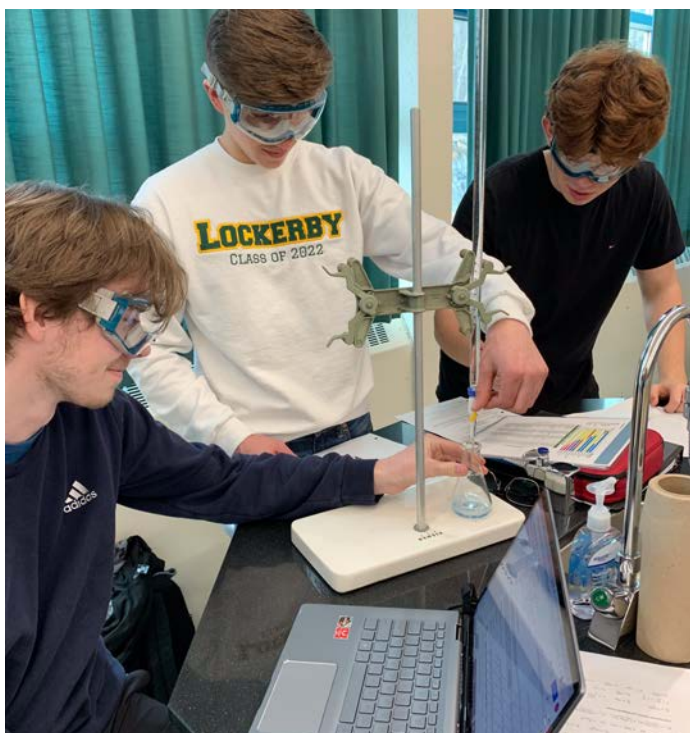

Our Junior Band received a score of 84, a silver award, only one point away from a gold which needs a minimum score of 85. Some feedback they were given on their performances was to include some more focus on dynamics, work on air support, and generally be more confident in their abilities. Our Senior band scored a 90, a diamond award, which was the highest score Mr. Page had awarded any of the groups in the festival so far! They may even be presented with another achievement during the award ceremony. Some feedback they received included focusing a little more on articulation, the balance of instrument volume in a few sections, and improving air support, particularly in the slow sections.

Great work everyone! Click on the images to the right to hear the adjudication!

STEP CHEMISTRY

Students in Grade 12 STEP Chemistry completed a laboratory where they determined the solubility product constant for calcium hydroxide. They also had the opportunity to refine their laboratory skills in the process!

CONSTRUCTION CLASS

Our construction students have been hard at work over the past few week, building their Muskoka chairs in time for the warm weather! Our Grade 9 students have also been hard at work to make sure that they won't be late for school, as they finish up their clocks!

RED DRESS DAY

Missing and murdered Indigenous women and girls (MMIWG) refers to the human right crisis of the high and disproportionate rates of violence and number of missing and murdered Indigenous women and girls in Canada. On May 5th, Lockerby will observe the MMIW Awareness Day. Students are invited to wear a Red Ribbon in remembrance of these lost women.

MIDTERM REPORT CARDS (S2T1)

Attention all Students, Parents/Guardians, and Viking Community:

Please note that all Semester 2 Midterm Report Cards were given to students (in their homeroom classes) on Friday, April 29th, 2022. Students without homerooms were asked to visit the Main Office to pick-up their Report Cards.

Track and Field

Finally with the good weather, the Lockerby Track and Field Team was able to practice outdoors this week at the Laurentian University track, making events such as pole vault, javelin and long distance running much more enjoyable! Our next outdoor practice will be determined this weekend as we look for the best conditions. Student athletes are reminded to check the Google Classroom for up-to-date information and meet schedules. In the next few weeks we will be gathering names for our City Championship Relay meet on Wednesday, May 11th, 2022 and entries for the Nipissing Invitational on Friday, May 13th, 2022. A reminder next week that Track North hosts its first two twilight meets. You can register online at: <https://tracknorth.weebly.com/track-north-twilight-meets.html>

CAFETERIA FOOD CLOSURE

Attention all Students, Parents/Guardians, and Viking Community:

We have been informed that our school cafeteria will not be able to reopen until Monday, May 9th, 2022, as a result of a staff shortage. In the meantime, we ask that students bring lunch items that do not need to be warmed-up as there is no microwave in that location.

Given the new circumstances, doors at the Main Entrance will now remain open during the lunch period for students.

Students are reminded to login to their Ontario College Application (OCAS) to finalize and accept their college offer. Visit <https://www.ontariocolleges.ca/en/>

University Responses

As of Friday, May 27th, 2022, every student who has applied to a university program will have received a response from an Ontario university. A response will be either (1) an offer, (2) a refusal, or (3) a deferral pending the receipt of specific additional information.

By Wednesday, June 1st, 2022, Ontario universities require a response to an offer and most likely a financial commitment (e.g., registration deposit, residence deposit, etc.). Note that all other admissions-related elements including scholarships, student assistance or financial incentives, and residence are part of the offer of admission. Students must also log into their OUAC accounts to accept their offers; this is a multi-step process. Students will receive a confirmation number once all of the steps in the process are completed. A video tutorial for online responses is available on the OUAC website. This video demonstrates the steps required to respond to a university offer of admission. Visit <https://www.ouac.on.ca/ugrad-tutorials/#respond>

Students are encouraged to complete the following steps very carefully- it is a multi-step process:

1. Go to <https://www.ouac.on.ca/>
2. Log in to your application using your OUAC profile username and password
3. Select the Choices/offers button to view your offer(s) of admission
4. Select the Offer or Alternate offer link to respond to your offer
5. Select the button to accept the offer, then select 'Save' and continue
6. When ready to submit all changes, select Review and submit to complete the process.
7. Review and verify your application information
8. Carefully read the Applicant's declaration and select I verify and agree - if successfully
9. submitted, you will receive a confirmation number on the last screen of the submission process

When you successfully complete the submission process, you will immediately receive a confirmation number online. You will also receive the confirmation number by email along with a summary of your responses to offers of admission and/or changes to your application information. After you submit your response to a university offer of admission, you will be locked out of your online application for one business day. After one business day, log back in to your online application to ensure that 'Accepted' is displayed beside the program you accepted. Need Help? Students can contact Applicant Services at 519-823-1063 every Monday, Wednesday, and Friday from 9:30am - 4:15pm and Thursday from 10:00am - 4:15pm.

She has also met with all students who have an identification and sent home a letter outlining their accommodations for the literacy test.

Important Test Dates:

May 9th, 2022 to May 13th, 2022: Students with an identification write this week

May 9th, 2022: Grade 10 & 11 writers

May 11th, 2022: Grade 12 writers
