

WEEKLY NEWSLETTER

Lockerby Composite School's weekly news on Viking academics, events, extra-curriculars, and more!

APRIL IS CANCER DRIVE MONTH!

Vikings, the time has come! It is officially the first day of Cancer Drive Month! We are so excited to share this exciting month with all of you. To kick-off our Cancer Drive, we have revealed this year's Cancer Drive sweatshirts, which are now available to purchase via School Cash Online for \$40. We encourage everyone to buy theirs as soon as possible. We have a limited number for purchase.

In addition, members of our Cancer Drive Committee visited all homerooms this Friday morning to discuss how this year's drive is going to work. It was explained that we will be hosting a pledge drive rather than a typical canvassing drive. We also gave every student their own package, encouraging them to raise money to go towards Lockerby's Kids Caring for Kids Cancer Drive. All money raised for the Cancer Drive goes directly to the pediatric unit of the Northeast Cancer Centre. We hope that all of our Vikings will take part in our Cancer Drive events this month. Please collect cash, cheques made payable to Northern Cancer Foundation, and online donations through NCF's website all month and return donations to homeroom teachers no later than Thursday, April 28, 2022.

Thank you all for everything you do! Our committee couldn't run this event without the continued support from our Viking Community. We will have more updates on upcoming events in next week's newsletter and in the morning announcements, so keep an eye out for any information.

KIDS CARING FOR KIDS CANCER DRIVE - 2022

How to donate to Lockerby's Kids Caring for Kids Cancer Drive through the Northern Cancer Foundation (NCF)

We are still trying to reach our goal of \$1 million donated over the past 27 years to NCF and we appreciate every penny our Viking and Sudbury communities have donated to this wonderful cause. All donations of \$20 or more will be issued an official tax receipt. If you would like to donate online, follow these steps below:

1. Go to the Northern Cancer Foundations's website <https://www.ncfsudbury.com/>
2. Click the search button near the top, right-hand corner of the homepage
3. Type "Lockerby" and press enter
4. Scroll down and click, "Lockerby Kids Caring for Kids Cancer Drive: Remembering Laura Cotesta"
5. Enter the amount you wish to donate and fill in the required fields asking for how you will be paying, and the required demographic information
6. Click the green "Donate Now" button at the bottom of the page

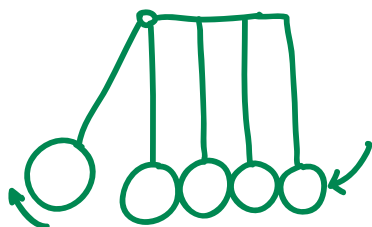

How to access School Cash Online:

1. Open the website rainbowschools.schoolcashionline.com into your browser
2. Create your account
3. Confirm your email
4. Add your child(ren) to your account
5. Choose the Cancer Drive sweatshirts and masks of your choice

If you have any questions, please speak to any member of the Cancer Drive Committee and/or to Ms. Benton (bentons@rainbowschools.ca) and Mrs. Rodriguez (rodrigk@rainbowschools.ca).

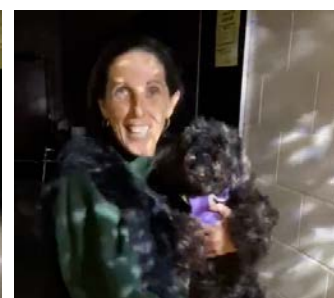

PHYSICS 'PHUN'

This week, students in Grade 11 Physics were investigating the factors that affect net force for an accelerating system. Students designed their own procedures and tested their hypotheses, the results of which will be presented next week. You may even say they were 'forced' to learn something!

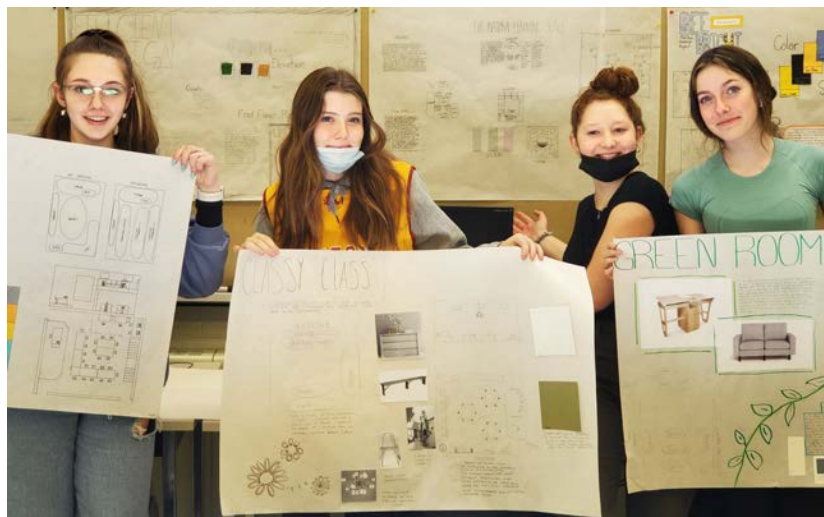

MASKED DJ

The latest reveal of Lockerby's Masked DJ happened this past Monday! Last week's Masked DJ was Mme Stanyon! This week, we heard songs from Tina Turner, Elvis, and Queen! Who could this week's Masked DJ be?

ROOM DESIGN!

Did you know that a classroom layout can affect student learning from 16%-25%? Ms. Harvey's Technological Design class thought those numbers were a big deal, so her students put together proposals to see what they could be done as part of the design-build process!

VERMICOMPOSTING

Some students in Grade 11 Biology are taking-up vermicomposting. These scientists are recording daily journal entries including temperature, feedings, and general vibes in the worm bin. In addition, the biologists are familiarizing themselves with ideal composting conditions, foods, and of course, the benefits of composting. This ties in with both plant and animal diversity, as well as microbiology, and of course sustainability!

LOCKERBY

THE SCHOOL OF SCIENCE AND TECHNOLOGY

GRADE 12 CHEMISTRY

Some of our Viking chemists entered the laboratory on Friday to begin their study of the types of chemical reactions. They will be spending a few more days in the laboratory next week, honing their skills!

GRADE 10 BODY SYSTEMS

This week in Mr. Bryson's class, some of our Grade 10 students wrapped-up their body systems biology unit by completing a frog dissection!

VIKING ATHLETICS UPDATE

The Spring Sports Season is upon us, and our Vikings are practicing hard before and after school to get ready for competition! If interested in joining a team, check-out the Google Classroom codes below!

ARE YOU INTERESTED IN PARTICIPATING IN BADMINTON, TRACK, OR SOCCER THIS YEAR? JOIN THE CLASSROOM USING THE FOLLOWING CODES FOR MORE INFORMATION AND IMPORTANT UPDATES!

BOYS SOCCER: hh2lhjd
GIRLS SOCCER: 7vabgor
BADMINTON: sc2ltgo
TRACK & FIELD: r3elqyc

ARE YOU INTERESTED IN PLAYING

CO-ED VOLLEYBALL?

Join the Google Classroom using the code **uvdmimf** for more information and important updates!

CLUBS & COUNCILS SPIRIT WEEK

This past week a variety of our councils collaborated for a spirit week. Students dressed like a celebrity, sported their favourite jerseys, dressed in green/brown while sampling maple taffy, and we kicked off Cancer Drive month on April 1! Due to the inclement weather day our Rainbow GSA Day and Allyship pledge to a future date. Thank you to the Students' Council, Athletic Association, Environmental Council, GSA, and Caner Drive Committee for putting this week together for our student body!

STUDENT COUNCIL - FACES OF LOCKERBY

A message from your Student Council:

Hello Vikings! During our second semester, we will continue to post photos of Lockerby students and staff, and will continue to share their stories, experiences, and insights. Through this project, we aim to foster compassion, understanding, and school spirit with our Lockerby Community! Please reach out to Student Council members if you're interested (or know of someone who may be interested) to be featured!

FACES OF LOCKERBY STUDENT COUNCIL ANYA DOWE

What is your position on council?

I am the Vice President of Lockerby's Student's Council.

What is your dream job?

My dream job is to be an obstetrician-gynecologist or general practitioner. I am very interested in the medical field and find both these jobs to be fascinating.

What school did you attend before Lockerby?

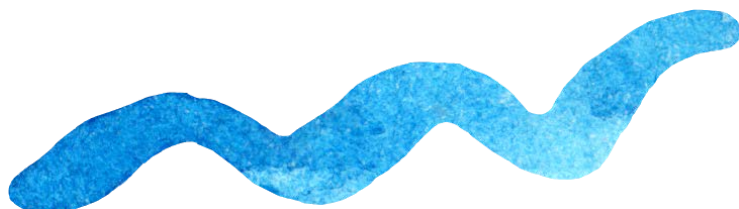

Before Lockerby I attended Marymount Academy.

What is your dream college or university?

My dream is to go to Western University for Health Sciences or Kinesiology.

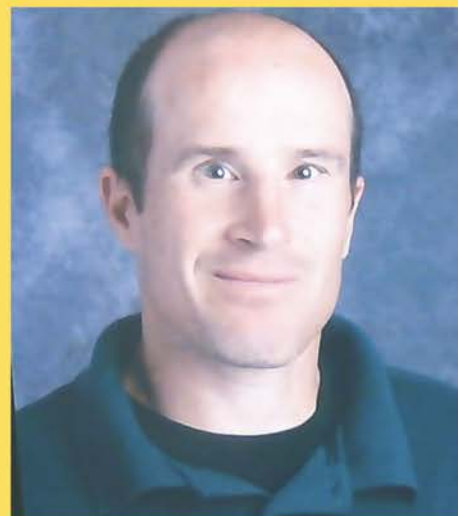

Do you play any sports, if so, which ones do you play?

I have played high school volleyball since grade nine.

FACES OF LOCKERBY TEACHER SPOTLIGHT

MR. ABOLS

What subjects do you teach?

I teach Grade 10 Science, Grade 11 Chemistry, and Outdoor Education.

How long have you been teaching at Lockerby Composite School?

I have been teaching at Lockerby Composite School since 1999, for 23 years.

Do you coach any sports?

This year I have coached cross country running and cross country skiing. In the past I have also coached track and field, swimming, girls hockey and mountain biking.

What is one piece of advice you would give to your high school self?

One piece of advice that I would give my high school self would be to try and be a bit more organized and not procrastinate. I think that if I had developed better homework and studying habits when I was in high school, several aspects of life after high school would have been less stressful.

STUDENT SERVICES

Graduating Grade 12s

Cambrian College - Virtual Spring Open House

Cambrian's Virtual Spring Open House will take place next Saturday, April 9th, 2022 from 10:00am to 2:00pm. The event will showcase their programs, services, campus, and more! Cambrian's Spring Open House is the perfect opportunity for students to meet faculty, deans, the recruitment team, and student services representatives. Visit Cambrian College's website to register - <https://cambriancollege.ca/virtual-open-house/>

Laura Cotesta Scholarship

Guidance is now accepting applications for this year's Laura Cotesta Scholarship. Please visit the Student Services Google Classroom for details. Completed applications should be sent to Mrs. Beaudry (beaudrg@rainbowschools.ca). A scholarship review committee will review applications to determine this year's recipient.

LITERACY TEST

On Friday, April 1st, 2022 Ms. Baggs met with students who are scheduled to write the online literacy test in early May 2022. At the meeting a variety of supportive tools and workshops were shared with the students.

OSSLT Supports:

- Students are asked to join the Spring OSSLT 2022 classroom using the joining code: ii2h2fv
- Lunch & Learn Workshops will be held every Wednesday in Room 100 beginning Wednesday, April 6th, 2022
- Virtual Workshops will be held every Wednesday at 5:00pm via the Google Classroom beginning Wednesday, April 6, 2022.

Ms. Baggs will also meet with those students who have identifications in order to discuss their accommodations. She will be sharing a letter with them which outlines the accommodations they are eligible to receive for parents/guardians to review.

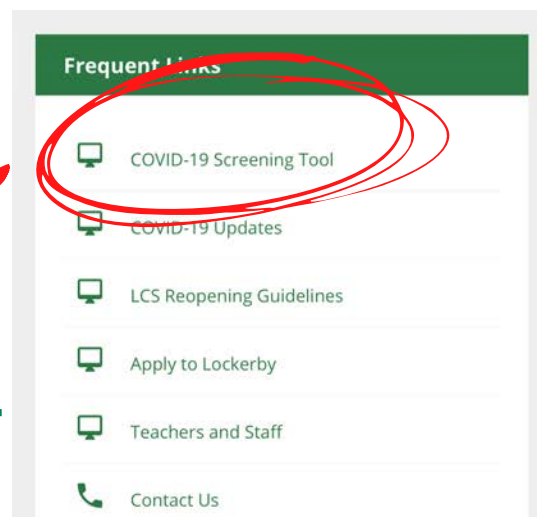

Students graduating this year have had the literary graduation requirement waived. However, if any student in Grade 12 is not meeting with or is at-risk of not graduating they will be asked to write the OSSLT in May 2022. Ms. Baggs will be meeting with those students after April midterm marks have been released.

If you have any questions or concerns please email Ms. Baggs at baggsm@rainbowschools.cs or call 705-522-1750 ext 6513.

Don't forget to
Self-Screen before
coming to school!
