

WEEKLY NEWSLETTER

Lockerby Composite School's weekly news on Viking academics, events, extra-curriculars, and more!

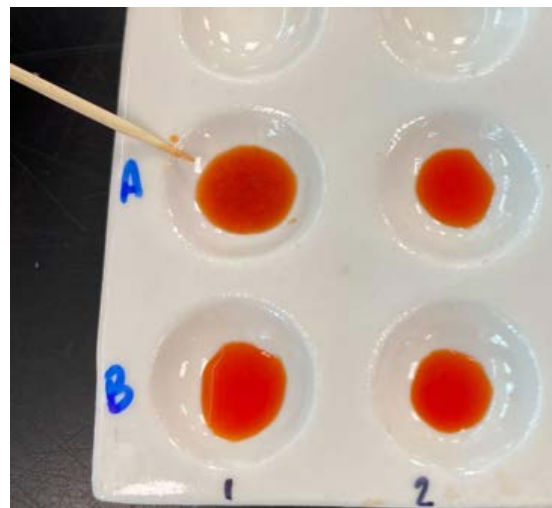

INJURY TAPING CLINIC

Health & Wellness Specialist High Skills Major (SHSM) students participated in a taping clinic this week and learned how to treat ankles, wrists, fingers, shoulders, and muscle cramps. They also reviewed the anatomy and physiology associated with body systems. Thank you to Andre Paquette for providing training to our students!

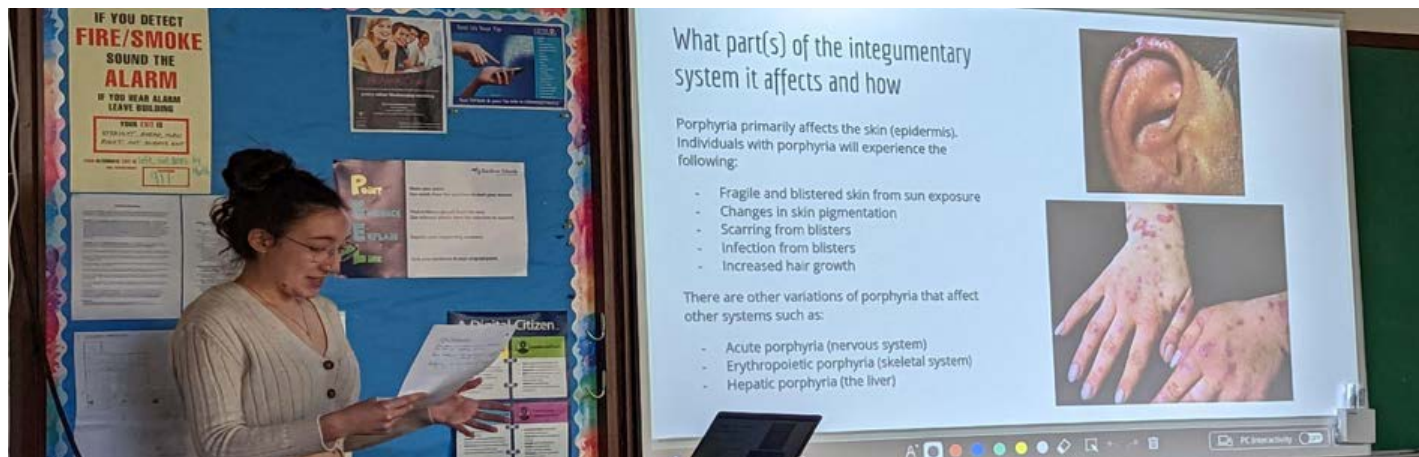

GRADE 11 MEDICAL BIOLOGY

This week, some of our biology students were wrapping-up their genetics unit, and applied their learning to solve inheritance problems. Viking biologists had to apply their understanding of antigens and antibodies, blood typing, and inheritance of multiple codominant alleles. They used artificial blood samples and the principles of blood typing and inheritance to determine paternity in a fictional case study!

GRADE 11 MEDICAL BIOLOGY

This past week, our Grade 11 Health Care class presented their research on diseases and illnesses associated with the integumentary system!

CSI FROG

On Wednesday, some of our Grade 10 students examined the anatomy of frog by completing a dissection. There were certainly some interesting stomach content finds!

THIS WEEK IN VIKING ATHLETICS...

Volleyball

The Senior Boys Volleyball team is lucky enough to be playing in front of their hometown fans at the provincial OFSAA Championships Thursday, Friday and Saturday! The team took two wins Friday with their next match being scheduled for at 4:30pm Friday evening. Fans can continue to be updated on their latest results by visiting:

Curling

Our Vikings Curling team played a great game this past Wednesday, defeating MacDonalld Cartier by a score of 8 - 2 at the Idylwyld Golf and Country Club. Team members include: Ian D., Cascada D.-P., Sam D., Gwendolyn F., Kolton, G., Andrea P., Drake S., Mary T., and Lily W.

THIS WEEK IN VIKING ATHLETICS...

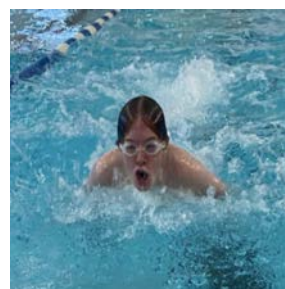

Hockey

Our Vikings Hockey team played Lo-Ellen Park this week, but came up a bit short, losing by a final score of 3 - 1.

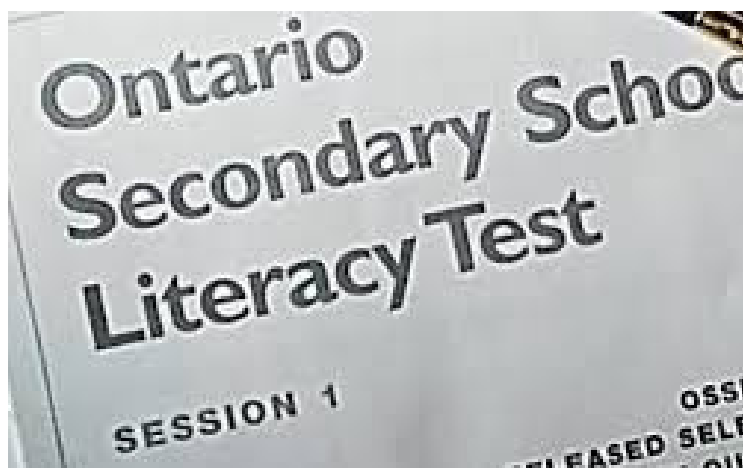

Swimming

On Friday, the Lockerby Swim team competed in their first pre-season event in Valley East, where they had the chance to swim the free and medley relays as well as individual events including the fly, back, breast, and free. The coaches continue to look for more Grade 9 and 10 swimmers interested in being a part of a growing and energetic team! The next practice is Tuesday after school with the next competition being Friday, December 9th, 2022 back at the Howard Armstrong Pool. Swimmers are reminded to save the date for the city SDSSAA and regional NOSSA combined Championship on Friday, January 13th, 2023.

LITERACY TEST UPDATE

Over the last two weeks, our Grade 10 students participated in the Literacy Test (OSSLT). Congratulations to all of our participants and thank you to Lockerby staff for supporting them through the process. The results are expected to be released at the end of January. Students who were unable to participate in the November 2022 session will have a second opportunity to write in the spring of 2023. Ms. Baggs will be in contact regarding support and timelines in the spring.

FACES OF LOCKERBY

A message from your Student Council:

Hello Vikings! As in years past, we will continue to post photos of Lockerby students and staff, and sharing their stories, experiences, and insights!

Grade 12 Information

College and University Applications

On Monday, November 28th, 2022 during Period 3 (Room 127), Student Services will be hosting a step-by-step look at how to apply to college. Students are encouraged to have between 3 - 5 program choices ready for this day. For those applying to college. If you have any questions or concerns please do not hesitate to contact the Student Services Department. Additional information for college applications can be accessed through OCAS (Ontario College Application Service). There, students can research various colleges programs throughout Ontario as well as complete their applications at - <https://www.ontariocolleges.ca/en/>

Additional information for university applications can be accessed through OUAC (Ontario University Application Centre). There, students can research various university programs throughout Ontario as well as complete their applications at - <http://www.ouac.on.ca>

Many of our students have already completed and paid for their applications to post-secondary institutions. This message is a reminder that the applications have specific deadlines; it is essential for students to meet these deadlines in order to be considered for their chosen program. It is also important to note that the institutions will not receive any information until applications have been paid. Early conditional offers are starting to be provided to our students. To be considered for this first-round of offers, students must complete and pay for their application prior to the Holiday Break.

University Deadline: Thursday, January 12th, 2023 (\$156.00 fee for 3 programs)

College Deadline: Wednesday, February 1st, 2023 (\$110.00 fee for 5 programs)

Midterm Mark Transmission to Colleges and Universities

Rainbow District School Board sent marks to colleges (OCAS) and universities (OUAC) on Wednesday, November 16th, 2022. Students should review the transmission carefully to ensure the details are accurate. Special attention should be taken with regards to course codes and midterm marks. If there are any errors or questions please see Ms. Baggs or Mrs. Beaudry in Student Services.
