

WEEKLY NEWSLETTER

Lockerby Composite School's weekly news on Viking academics, events, extra-curriculars, and more!

GRADE 9 ENGLISH

After reading the party scene from Romeo and Juliet, Grade 9 English students learned how to cut a rug Renaissance-style. They created masks for the activity and learned a dance called the Pilgrims and Saints dance!

KOMBUCHA ADVENTURES

Grade 11 Biology students began their kombucha adventures this week as they brewed their own unique blends. Students will be tracking the SCOBY's fermentation process by monitoring the change in pH over time.

KomBucha

CONGRATULATIONS!

A big congratulations goes out to both the Junior and Senior Bands. They both found out this past weekend that their recent performances for the Sudbury Music Festival earned them invitations to the 2023 provincial festival hosted by the Ontario Music Festival Association! Further to that news, the Senior Band, who additionally performed at the Northern Ontario Music Festival, received a gold award! Out of 26 entrants in the festival only 8 were awarded this standing. Their performance also earned them an invitation to compete at the national level entitled Musicfest Canada! Amazing! Congratulations once again to both those groups and to our guitar ensemble for all their hard work. Also, a special shoutout to our technical crew of Daphne, Derek, and Isaiah for their help!

GRADE 11 ACCOUNTING

This week, KPMG visited the Grade 11 Accounting class. They helped to paint a picture for educational paths towards accounting and described what their day-to-day activities look like. KPMG brought a real life example of a case study and worked with students to solve the accounting problems!

GRADE 11 BIOLOGY

This week, Viking biologists learned techniques for culturing microorganisms, and made nutrient agar plates. They also learned how to prepare the plates while minimizing contamination, and are now ready to grow some bacteria. Next week they'll learn aseptic technique while we prepare bacteria cultures using swabs.

Some of our other Viking biologists have chosen topics that they would like to research further - luckily for the class shrimp tank, some intrepid biologists have decided to take on the care and maintenance of this ornamental shrimp colony! Students researched and are performing tank maintenance including feeding and water quality testing. Other students are working on terrariums and plant propagation, depending on their interests.

GRADE 9 STEP SCIENCE

Is it working? Grade 9 STEP science students eyed-down their experiments to see how accurate their lab glassware really is. Conclusions...pretty accurate!

THIS WEEK IN VIKING ATHLETICS...

Soccer

Congratulations to the Junior Boys Soccer team who came 3rd at the Annual Lasalle Secondary School tournament and to the Senior Boys team who played amazingly well in the round robin, but fell short in the semi-finals. We look forward to starting the regular season with our first game on April 24th!

Track and Field

The Track and Field season is almost upon us! School Cash Online will be made available for those who have added their details to the Track and Field spreadsheet indicating they are interested in purchasing a long sleeve shirt for the season! This purchase order will close next Wednesday, April 12th, 2023.

Intramural Futsal

Kudos go out to the winners of our intramural futsal league which includes Owen, James, Sam, Graham, Dillain, and Tristan! Congratulations on a successful season!

THIS WEEK IN VIKING ATHLETICS...

Intramural Volleyball

Eight teams will compete this month in hopes of capturing victory in our Intramural Volleyball league at lunch. Schedules with updates can be found on our Intramural Google Classroom.

STUDENT SERVICES

Chief Youth Advisory Council

The Chief Youth Advisory Council (CYAC) is accepting application. CYAC is a 'youth led' Council bringing the voice of young people to the Police Chief on issues which are important to youth in the City of Greater Sudbury. CYAC creates an understanding and respect for relationships between youth and members of the police service. Learn more about this council by visiting the Student Services Google Classroom. Applications are due: April 28, 2023

You and Your Offer - Laurentian University

Laurentian University will be hosting online sessions throughout the spring titled 'You and Your Offer,' which are geared to current offer holders. In these sessions, students will learn more about the conditions of their offer and how to meet them, what to consider when deciding on a program, and what happens after accepting. Students and their families are encouraged to attend sign up to attend one of the 3 sessions. Sign-up using the following link - shorturl.at/vFXZ0

Summer School

The Rainbow District School Board will once again be offering a number of Summer School Programs including: New Credit eLearning Courses, Credit Recovery or Upgrading, and New Credit Cooperative Education Courses. Students who are interested in New Credit Courses are asked to see a Guidance Counsellor to complete their applications. Students who wish to complete a Summer Cooperative Education are asked to join the Google Classroom - Join Code: z6d3baf.

New Credit eLearning Courses

- Online Learning is taught entirely online through the Virtual Learning Environment (VLE) in D2L's Brightspace. Online Learning is asynchronous, meaning you learn on your own schedule within a certain time frame.
- A variety of courses are offered through RDSB and the Ontario eLearning Consortium. Please see your guidance counsellor for a complete list.
- Students should expect to spend approximately 5 hours a day working in their course.
- Courses run through other boards might have different start and end dates.

Credit Recovery or Upgrading Courses

- Classes will take place in person at Sudbury Secondary Adult Day School and are open to all students from both public and separate schools.
- Schedule:
 - Period 1 - 8:00 a.m. - 10:30 a.m.
 - Period 2 - 10:45 a.m. - 1:15 p.m.

New Credit Co-op Courses

- July 5 – Aug 3 (1 or 2 Credit), Aug 4 - Aug 25 (additional credit)
- Co-op will be available to those students who already have a paid or unpaid placement where the employer has agreed to monitor.
- Looking for a summer Co-op placement? Check out the **Summer Co-op 2023** Classroom. Join code: z6d3baf
