LOCKERBY LAW

On Friday, Mr. Duncan Stewart came to visit both the Grade 11 and Grade 12 Law classes. Duncan is a former graduate of Lockerby Composite and is just finishing up his articling. He discussed his journey through Law School and gave our students some perspective about how they can apply to Law School. Our students also got a firsthand look at some practice LSAT questions. As well, Duncan discussed the differences between Indigenous and Colonial legal systems and the progress that is being made in re-establishing the Robinson Huron Treaty.

CONGRATULATIONS LCS MUSIC

A big congratulations goes out to the Senior Band who traveled to Niagara Falls to participate in the 51st Musicfest Canada festival. Over 8,000 music students participated over the six day event. The band received a bronze award for their performance in the B300 category. They were the only group from Northern Ontario to perform in that category, a true testament to their grit and determination! We look forward to seeing everyone at our next concert on Tuesday, June 6th, 2023 at 7:00pm in our Auditorium entitled Hollywood Meets Broadway!

ANNUAL BIRDING EXCURSION

It's that time of year again! Birds are making their arduous journeys from the south, and arriving at or passing through Sudbury for their breeding season.

Lockerby's Environmental Council made their annual pilgrimage to local birding hotspots to do our best and complete the Sudbury Ornithological Society checklist. In addition to spotting a couple of local legends of the Sudbury birding scene (one of whom is our very own retired Lockerby Biology teacher Mr. Don Johnston), a number of exciting bird species were identified. Some highlights include: Cape May Warbler, American Redstart, Yellow Warbler, Blackpoll Warbler, Common Yellowthroat, Chestnut Sided Warbler, Bay Breasted Warbler, American Wigeon, and a Broad Winged Hawk!
