

WEEKLY NEWSLETTER

Lockerby Composite School's weekly news on Viking academics, events, extra-curriculars, and more!

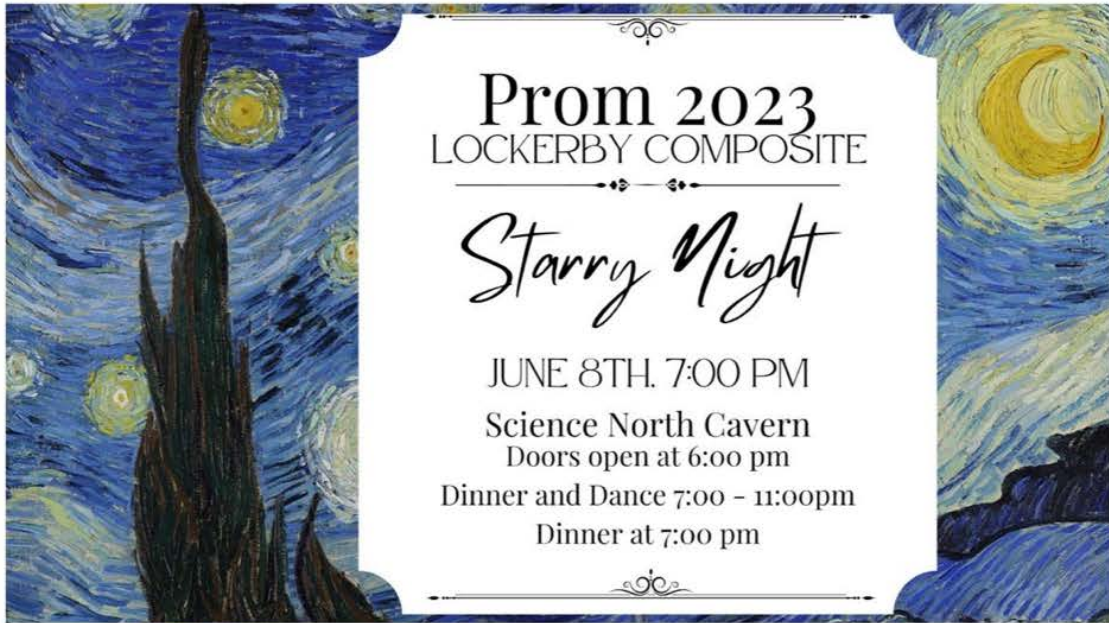

OUTDOOR EDUCATION

Our Outdoor Activities students spent three days in the wilderness of Killarney Provincial Park this week! Their backcountry canoe trip featured over 32km of paddling, 15km of hiking, 7 different lake visits, 5 portages, 2 swamp explorations, a summit to silver peak, scaling the Crack, swarms of mosquitoes and waist deep mud!

STARRY NIGHT PROM 2023

On Thursday evening, our Grade 12 graduates attended their Starry Night Prom. It was an amazing evening and our staff was delighted to share this rite of passage with them! On behalf of the graduates, thank you to our 2023 Prom Committee, the Science North Cavern, Bryston's on the Park, and staff chaperones for making this a night to remember!

CORE FRENCH EXCURSION

The Grade 9 Core French class was in action this week at Perkins Restaurant practicing their french vocabulary and sentence structure! They successfully ordered some great food en français!

LAKE LAURENTIAN CONSERVATION AREA

On Tuesday, the Grade 9 Geography students learned about the impacts of human interactions on the environment. Students were able to determine quality in terms of habitats for a variety of critters and were even able to catch some tadpoles, leaches, and frogs! These are excellent bioindicators to demonstrate that the water is not polluted. Students were also encouraged to plan the layout of a city while considering sustainable practices in order to have a more positive impact on their environment. Thank you to Lake Laurentian for a fun and educational day!

MEDICAL TECHNOLOGIES

Over the past few weeks, our Vikings have learned about the different types of medical injections and have practiced providing injections to their 'patient' mannequins.

Our Vikings have also been learning about child development and wore pregnancy empathy suits to start their latest unit of study!

HOLLYWOOD MEETS BROADWAY!

Amazing! Spectacular! What a show! These were just a few of the comments from family and friends who attended our recent show, Hollywood Meets Broadway. Our students put their musical skills on display for a packed audience. Both the lower and upper decks were filled to capacity! More than 80 students played a wide variety of movie and theatre favourites including Star Wars, Transformers, How to Train Your Dragon and many more. A huge thank you to all the participants and to all the parents who came out to support us! We look forward to entertaining you again next year!

LIBRARY SERVICES

Calling all library books! If you are done reading your books and no longer require them, please return them to the Library. Take the time this weekend to locate your book at home under your bed, in your closet or sitting on your shelf. If you cannot find your book, please see Ms. Gordon to discuss options for replacement.

EXAMINATION CONFLICTS		129

Should students have any conflicts, they need to notify the Main Office. A conflict is when a student is scheduled to write two examinations on the same day and at the same time.

Students must speak to Mr. Lafraniere or Mr. Runciman about their conflict for next steps.

As always, students should arrive early to give themselves adequate time to prepare for writing their examination. Students cannot leave the examination area within one hour of examination start-time.

FACES OF LOCKERBY

A message from your Student Council:

Hello Vikings! We continue to highlight some of Lockerby students and staff by sharing their stories, experiences, and insights!

Faces of Lockerby Ms. Quevedo

What are some of your hobbies?

I enjoy walking on the trails around Sudbury while listening to nature. I also like to visit new places and connecting with people from different cultures. I love to dance and watch movies, and definitely enjoy spending time with people who have a good sense of humor.

How long have you been working at Lockerby?

I started working at Lockerby last September and I have enjoyed being part of the team. This has been my first job in Canada and I am grateful for this opportunity. Lockerby's students are friendly, kind, and respectful. I enjoy being around the energy of young people.

What is your short film about?

"We, the Women" is a feature-length documentary. This review from the Hot Docs Festival in Toronto explains what the film is about in short: "Through three generations of women in her family, the director reflects on the joys of women's bonds and resilience but also on the devastating impact of traditional gender roles, gender violence and the suffocating weight of religion."

Some facts about yourself are:

- I am persistent any time I decide to start a project.
- I am very social.
- I believe that things are possible if you work hard for them.
- I find solidarity should be an important value in a community.

What are some activities you will be doing during the summer?

I will spend as much time as possible doing things outdoors. I like to spend time in Bell and Kivi Park with the family. I also plan to attend the summer concerts at Bell Park on Sunday afternoons, as well as those being offered by the Up Here Festival and the Northern Lights Festival Boreal.
