

# WEEKLY NEWSLETTER

Lockerby Composite School's weekly news on Viking academics, events, extra-curriculars, and more!

## CHEMICAL CALCULATIONS IN THE KITCHEN

This week, students in Grade 12 Chemistry converted a cookie recipe from moles (a unit used to represent particles in chemistry) to common measurements used in baking. Our Viking Chemists then had the opportunity to use their recipe to bake their delicious cookie chemistry experiment.

## SHAKESPEARE

This week Grade 9 English students created masks so they could learn the 'Pilgrim and Saints' dance as an introduction to the Elizabethan Era and Romeo and Juliet!

## JUNIOR DANCE

Student Council hosted their first dance of the year for our Grade 9 and 10 students. It was a well attended event and they danced the night away! Thank you to Student Council for all their hard work and a special shout out to our friends of council who volunteered as well. The student body also appreciated all of the staff members that volunteered to chaperone!

## LOCKERBY RECOGNIZED IN OUR COMMUNITY

As our Viking Community knows, our annual Cancer Drive reached a major milestone in 2022, raising over one million dollars for pediatric cancer research and care programs in partnership with the Northern Cancer Foundation (NCF).

To honour this milestone, Lockerby Composite School students and faculty gathered at the Shirley and Jim Fielding Northeast Cancer Centre to watch the unveiling of special recognition pieces commemorating their achievement. A cabinet filled with memories of Lockerby's fundraising efforts now stands in the Cancer Centre lobby, and a plaque hangs in the pediatric chemotherapy waiting room acknowledging the generations of students who have made a difference in cancer care.

## LOCKERBY REMEMBERS

This year, our entire school marked Remembrance Day (November 9th) with readings, the playing of 'The Last Post,' 'Reveille,' and 'O Canada' before 11:00am. Our school community's Remembrance Day display commemorated all those who lost their lives and who served.
