

WEEKLY NEWSLETTER

Lockerby Composite School's weekly news on Viking academics, events, extra-curriculars, and more!

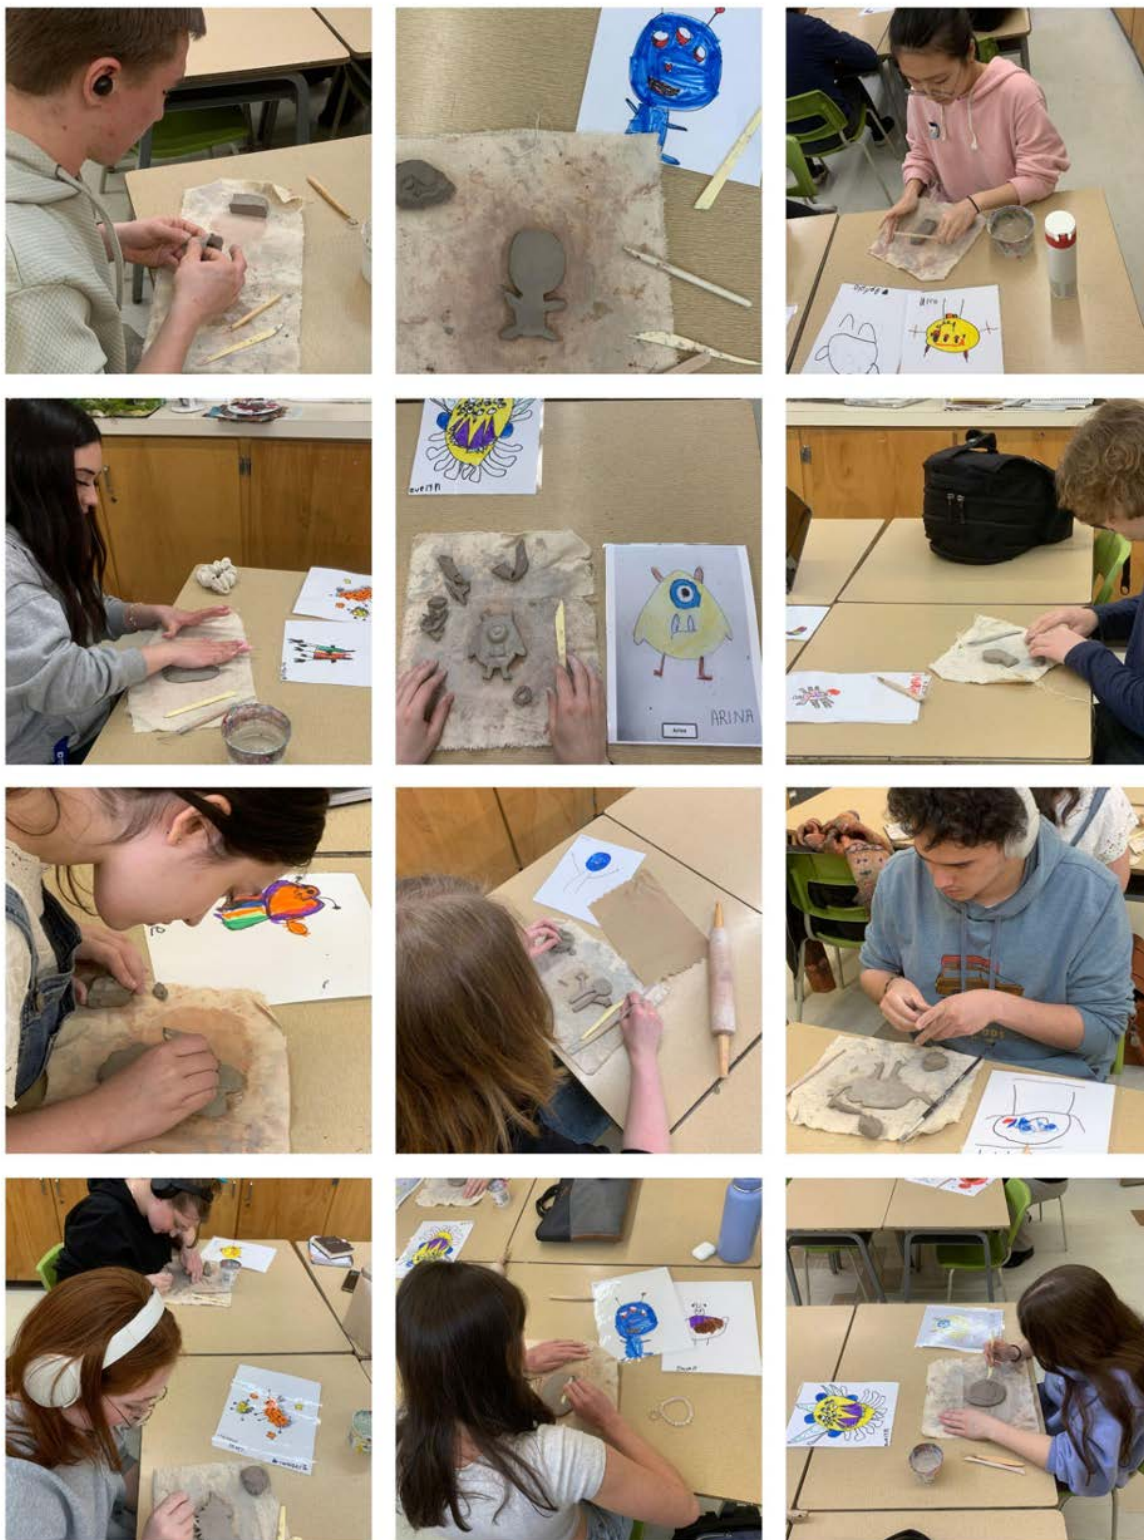

GRADE 9 STEP ENGLISH

Mr. Gieselman's Grade 9 STEP English class collaborated with graduating Cambrian art students in order to explore poetic concepts as a basis for visual works. Cambrian College students were then asked to create an original work of art after meeting with our students. The final pieces were exhibited at the Cambrian College Evoke 2024 evening as a cohesive pairing, and reflection of the writers' and artists' perception of the work in tandem. Thank you Cambrian College for this amazing and unique experience for our Viking community.

LOCKERBY
THE SCHOOL OF SCIENCE AND TECHNOLOGY

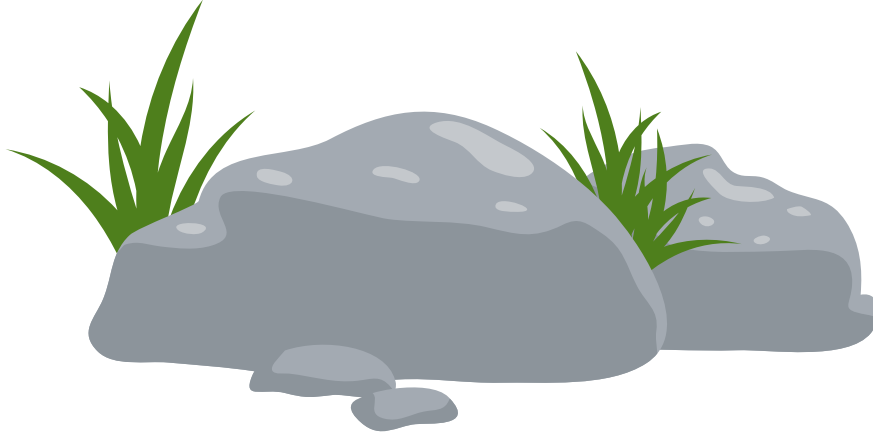

LOCKERBY ART

This week, Lockerby Visual Arts students helped one of R. L. Beattie’s Kindergarten classes bring their monster drawings to life. In a collaborative art project between Lockerby Composite School and R. L. Beattie Public School, senior students took a break from curriculum to put a smile on little faces just down the road. Students at R. L. Beattie drew some fantastic monsters, and we had the pleasure of making their monsters into clay sculptures. Stay tuned for photos of our kindergarten friends when they come to visit us at Lockerby to paint their clay monsters in a few weeks.

GRADE 9 GEOGRAPHY

Our Grade 9 Geography class were rocking and rolling while they applied their knowledge of the rock cycle and the three main types of rocks to different weathering and erosion situations!

DELFF - FRENCH IMMERSION

This week, Grade 12 French Immersion students completed the DELF (Diplôme d'études en langue française). This is an internationally recognized French Language Proficiency Certificate awarded by France's national Ministry of Education. It consists of a series of independent assessments based on a scale of language proficiency in reading writing, listening and speaking. Congratulations Vikings!

FRENCH CUISINE

This week our Grade 12 French Immersion students also experienced French cuisine with Chef Simon Le Hénaff. Students prepared stuffed chicken breast with a side of carrots and roasted potatoes. It was a restaurant-quality meal!

HEALTHY ACTIVE LIVING

This week, students from Ms. Stanyon's and Ms. Augenstein's Healthy Active Living classes ventured to ARC to put their skills to the test on the rock climbing walls. The students pushed their limits on both the high and low ropes course, challenging each other, while burning energy and having fun!

HEALTH CARE AT LOCKERBY

Health Care SHSH students and our Health Care class had a busy week. Health Unit guest speakers certified our students through their infection prevention and control seminar, and student took their CPR & First Aid certification training. Additionally, our students were able to practice phlebotomy techniques, and subcutaneous injections.

MIDTERM REPORT CARDS

Attention all Students, Parents/Guardians, and Viking Community:

Please note that all Semester 2 Midterm Report Cards will be given to students (in their homeroom classes) on Tuesday, April 30th, 2024. Students without homerooms will be asked to visit the Main Office to pick-up their Report Cards.

EARTH DAY

Earth Day is on April 22nd, 2024! Your Environmental Council will once again be celebrating! There will be a viewing of the Lorax, and some free Earth Day inspired giveaways for all! More details about how you can participate in the event will be the upcoming morning announcements!

THIS WEEK IN VIKING ATHLETICS...

Badminton

Lockerby Athletics is thrilled to announce the achievements of our Badminton team on Thursday as they competed in the SDSSAA City Championships. With over 500 participants from the city, Lockerby's Novice, Junior, and Senior teams came away with x18 top-5 finishes and 8 advancing to NOSSA Regional Championships in Sault Ste. Marie next week. Congratulations to all of the players and good luck to Cameron, Lorelei, Lowell, Becca, Ryder, Izzy, Alyna, Kianna, Liam, and Callum who will be continuing to compete!

Ultimate Frisbee

This past Tuesday saw Lockerby host the first-ever high school Ultimate tournament in Sudbury. Lockerby fielded both a Senior team and a Junior team who competed well and had a lot of fun. A special nod goes out to our senior squad for capturing the 'Spirit Award!'. Congratulations to both teams!

THIS WEEK IN VIKING ATHLETICS...

Soccer

Lockerby Junior Boys Soccer players competed with two teams on Friday in the annual Lasalle pre-season Indoor Soccer Tournament. Both teams battled hard and at the time of this publication Lockerby was playing in the Semi-Finals. Great work!

GOAL!

Flag Football

Lockerby's Senior Girls Flag Football team played in the Lancer invitational 5-on-5 tournament on Thursday at the Lasalle Dome. Our team came away with a 2-1-1 record with two wins against St. Benedict's Secondary School and a tie against Bishop Carter Secondary School. Our defence was stifling, with defensive touchdowns scored by Maeva S., Michaela A., and additional interceptions by Brooklyn B., Alayna O., and Sarah M. Our offense put points on the board with touchdowns from Charli H., Maddyn S., and Viking tournament MVP, Maxx C. A special shout out goes to our graduating players; Michaela A., Brooklyn B., Mira B., Maxx C., Calli E., Charli H., Danielle L., Brianna L., Norah M., Ella M., Alex R., Ella S., Maeva S., Maija T., and Liz U.

FACES OF LOCKERBY

A message from your Student Council:

Hello Vikings! As in years past, we will continue to post photos of Lockerby students and staff, and sharing their stories, experiences, and insights!

Faces of Lockerby

Ash Anderson

What grade are you in?

I am in grade 11.

What is your favourite thing about Lockerby?

My favourite things about Lockerby are the science, technology and math classes, and I also enjoy spending time in the library.

What are some extracurricular activities you do?

I was on the swimming team and the Robotics Club.

What is your favourite thing about being a student at Lockerby?

My favourite part about being a student at Lockerby is the educational experience and silent reading.

What are your post secondary goals?

I want to go to university to study coding. I also want to do certain things at least once before I die, such as skydiving, eat caviar, and opening a bakery

What are your hobbies?

My hobbies and interests are baking, playing games, exercising, listening to music and reading.

STUDENT SERVICES

Volunteer Opportunity

Sudbury ROCKS - Sunday, May 26th, 2024

Race, Run or Walk for Diabetes. Volunteer with the biggest race in our city - Sudbury Rocks. Register today to earn up to 10 hours towards your community service hours; visit <https://shorturl.at/aEH24> to register. For questions please reach out to sudburymarathon@hotmail.com.

Women in Science and Engineering (WISE) Sudbury - April 28th, 2024

WISE Sudbury is seeking volunteers for their upcoming Olympics. Volunteers will be with the setup, logistics and providing guidance for the participants. If you are ready to be part of an unforgettable experience and help foster a love for science, engineering, trades and technology, WISE would love to have you on their team. Visit the Student Services Google Classroom to learn more and to register.

Fun Fair At Algonquin Road Public School - Saturday, May 4th, 2024

Algonquin Road Public School is looking for volunteers to assist with their Spring Fair. This is a fundraising event for the school which they are restarting for the first time since the COVID pandemic. Additional details can be found on the Student Services Google Classroom.

Class of 2024

Accept Your College Offer – Wednesday, May 1st, 2024

Students should accept their college offer by Wednesday, May 1st, 2024 to save their seat in their chosen program. If a program is over subscribed and there is a waitlist, students risk losing their place in the program if they do not adhere to this deadline. Students can accept their programs on the Ontario College Application website - ontariocolleges.ca. If they have any questions or concerns they are asked to see Ms. Baggs or Mrs. Beaudry.

University Applications - Important Dates

As of Wednesday, May 29th, 2023 every student who has applied to a university program will have received a response from an Ontario university. A response will be either i), an offer, ii) a refusal, or iii) a deferral pending the receipt of specific additional information. By Monday, June 3rd 2024, Ontario universities require a response to an offer and most likely a financial commitment (e.g., registration deposit, residence deposit, etc.). Note that all other admissions-related elements including scholarships, student assistance or financial incentives, and residence are part of the offer of admission.

Students must also log into their OUAC accounts to accept their offers; this is a multi-step process. Students will receive a confirmation number once all of the steps in the process are completed. A video tutorial for online responses is available on the OUAC website. This video demonstrates the steps required to respond to a university offer of admission. (<https://www.ouac.on.ca/ugrad-tutorials/#respond>). When you successfully complete the submission process, you will immediately receive a confirmation number online. You will also receive the confirmation number by email along with a summary of your responses to offers of admission and/or changes to your application information. Important: if you do not immediately receive a confirmation number, your response was not saved. You then must log back into your online application and re-submit your response.

Graduation Photographs – Friday, May 17th, 2024

Edge Imaging is hosting a pop-up studio in Sudbury. This is your final opportunity to have graduation photos taken for this year. The session will occur from 10:00am to 6:00pm and is open to all Secondary graduates who either missed the opportunity for grad photos at school or who would like to retake their existing photos. Students must sign-up online for an appointment at the pop-up studio. To do so, go to www.edgeimaging.ca/popup and select the middle button "Book Graduation photos at an offsite studio location"

STUDENT SERVICES

Class of 2024

Convocation - Monday, June 17th, 2024

Lockerby Composite School will be hosting their annual convocation on Monday, June 17th, 2024 at Cambrian College. The event will take place from 6:00pm - 8:00pm within Cambrian College's gymnasium.

Prom - Thursday, June 13th, 2024

This year's prom will be held on Thursday, June 13th, 2024 at Science North. Student Council will be selling tickets for the event in the next few weeks.

Enrichment

Northern Ontario School of Medicine (NOSM) Discovery Day - Wednesday, May 15th, 2024

Discovery Days in Health Sciences are one-day events that provide secondary school students (Grades 10 - 12) with the opportunity to explore various career options in medicine and the health sciences through NOSM. High school students gain a clearer picture of what it would be like to be a health professional by interacting with researchers, clinicians and educators. This virtual event includes: a dynamic keynote lecture; interactive workshop, Health Pros Tell All career panel discussion, exhibits (static and interactive), and three breaks with an optional opportunity to take part in 1:1 'peer meet-ups.' For additional information visit the Student Services Google Classroom or email - Recruitment@nosm.ca.

McEwen School of Architecture's Summer Camp

Curious about a career in architecture? Archi-North in association with Laurentian's McEwen School of Architecture is an opportunity to expand your horizons at Canada's newest school of architecture. With instruction from faculty and recent graduates in English- or French-language sessions, Archi-North is proud to offer a one-of-a-kind introductory experience in architecture, design, drafting, and drawing to high school students entering Grades 11 and 12 in September 2024. To learn more students can visit McEwen's website.

French Language Tutors

The University of Ottawa's Virtual Tutoring Centre is offering free tutoring services in French for students in Grades 7 to 12. The tutoring is available until the end of June. The student team will offer one-on-one meetings to help students with their French based curriculum.

LCS PROM (2024)

Lockerby's Athletic Department is proud to be sponsoring the 2024 Promposal Contest! Two tickets to prom will be given to the couple who share the most creative, thoughtful or unique promposal by sharing it @lockerbysports by Friday, May 24th, 2024.

TUTORS

In partnership with the Rainbow District School Board, Lockerby Composite School has received funds to hire tutors to help support our students. We currently have tutors who are qualified to support students in Grade 9 - 11 Mathematics, Science, Chemistry, and Physics. Please contact Mrs. Beaudry at beaudrg@rainbowschools.ca or Ms. Baggs at baggs@rainbowschools.ca for more information.
