SHSM MINING STUDENTS GET ELEVATED

By traveling to the shop at the Local Caprenter's Union in Azilda this week, students involved in the Mining SHSM expanded on their Working at Heights Safety Training and learned how to safely operate Group B Type I and Type III elevated work platforms. With the help of these machines, students were able to elevate their experience at Lockerby to new heights!

CAVE ART ADVENTURES

Last week, Grade 9 Visual Arts students learned about cave art then had the opportunity to work in groups to create their own cave-art stories! See their group creations below!

PHYSICAL EDUCATION

On Thursday, Ms. McNair's French Immersion Physical Education class took advantage of the fresh air and sunny weather while enjoying a walk to Bell Park!

EARTH WEEK 2024

This past week, our Viking Community celebrated Earth Day! On Monday, our Environmental Council invited the school to join them for a screening of the original Lorax movie at lunch (complete with popcorn). Students appreciated the hopeful message of working together for the greater good. On Wednesday, students put that sentiment into practice by organizing and running a community cleanup around the school. In the span of 30 minutes over lunch time, they collected one large bag of recycling, a bag of compostable material, and 7 bags of garbage. Way to beautify our school, Vikings!

MIDTERM REPORT CARDS

Attention all Students, Parents/Guardians, and Viking Community:

Please note that all Semester 2 Midterm Report Cards will be given to students (in their homeroom classes) on Tuesday, April 30th, 2024. Students without homerooms will be asked to visit the Main Office to pick-up their Report Cards.

NEW YORK, NEW YORK!

The Music Department is having a blast in New York! More pictures next week!

ON ADMINISTRATIVE PROFESSIONALS DAY,

We honour all your hard work!

Thank you!

THIS WEEK IN VIKING ATHLETICS...

Badminton

Six members of the Lockerby Badminton team competed in Sault Ste. Marie on Wednesday and Thursday in the NOSSA Regional Championships. Congratulations to all athletes who played this year and a shoutout to Alyna, Kiana, Izzy, Ryder, Cameron, and Lorelei for their amazing results at the SDSSAA and NOSSA Tournaments.

Soccer

The Senior Boys Soccer team started their outdoor season this week with a 2-1 win! Our goal scorers were Callum and Farouq. Amazing work!

THIS WEEK IN VIKING ATHLETICS...

Volleyball

Our Coed Volleyball teams competed at their second tournament of the season this week! Congratulations to 'Team 1' that claimed the Senior Banner! Awesome job!

Flag Football

Our Junior Girls Flag Football team played in the Lancer Invitational 5-on-5 tournament on Wednesday at the Lasalle Dome. The team came away with a big win against Confederation Secondary School and had three hard fought losses against St. Charles College, Horizon Secondary School, and Champlain Secondary School. Our offense put points on the board with touchdowns from Kyla T., Ava P., and Vera C.

THIS WEEK IN VIKING ATHLETICS...

Midterm Mark Transmission to Colleges and Universities

The Rainbow District School Board sent marks to colleges (OCAS) and universities (OUAC) on Wednesday, April 24th, 2024. Students should review the transmission carefully to ensure the details are accurate. Special attention should be taken with regards to course codes and midterm marks. If there are any errors or questions please email Ms. Baggs or Mrs. Beaudry. Students are also reminded that they must accept an offer to their chosen program carefully. The acceptance procedure is a multi-step process and must be completed with care. Each website has very specific instructions that must be followed. Students are encouraged to read the guidelines with care as well as watch training videos.

Accept Your College Offer – Wednesday, May 1st, 2024

Students should accept their college offer by Wednesday, May 1st, 2024 to save their seat in their chosen program. If a program is over subscribed and there is a waitlist, students risk losing their place in the program if they do not adhere to this deadline. Students can accept their programs on the Ontario College Application website - ontariocolleges.ca. If they have any questions or concerns they are asked to see Ms. Baggs or Mrs. Beaudry.

University Applications - Important Dates

As of Wednesday, May 29th, 2024 every student who has applied to a university program will have received a response from an Ontario university. A response will be either i), an offer, ii) a refusal, or iii) a deferral pending the receipt of specific additional information. By Monday, June 3rd 2024, Ontario universities require a response to an offer and most likely a financial commitment (e.g., registration deposit, residence deposit, etc.). Note that all other admissions-related elements including scholarships, student assistance or financial incentives, and residence are part of the offer of admission.

Students must also log into their OUAC accounts to accept their offers; this is a multi-step process. Students will receive a confirmation number once all of the steps in the process are completed. A video tutorial for online responses is available on the OUAC website. This video demonstrates the steps required to respond to a university offer of admission. (<https://www.ouac.on.ca/ugrad-tutorials/#respond>). When you successfully complete the submission process, you will immediately receive a confirmation number online. You will also receive the confirmation number by email along with a summary of your responses to offers of admission and/or changes to your application information. Important: if you do not immediately receive a confirmation number, your response was not saved. You then must log back into your online application and re-submit your response.

Northern Ontario School of Medicine (NOSM) Discovery Day - Wednesday, May 15th, 2024

Discovery Days in Health Sciences are one-day events that provide secondary school students (Grades 10 - 12) with the opportunity to explore various career options in medicine and the health sciences through NOSM. High school students gain a clearer picture of what it would be like to be a health professional by interacting with researchers, clinicians and educators. This virtual event includes: a dynamic keynote lecture; interactive workshop, Health Pros Tell All career panel discussion, exhibits (static and interactive), and three breaks with an optional opportunity to take part in 1:1 'peer meet-ups.' For additional information visit the Student Services Google Classroom or email - Recruitment@nosm.ca.

McEwen School of Architecture's Summer Camp

Curious about a career in architecture? Archi-North in association with Laurentian's McEwen School of Architecture is an opportunity to expand your horizons at Canada's newest school of architecture. With instruction from faculty and recent graduates in English- or French-language sessions, Archi-North is proud to offer a one-of-a-kind introductory experience in architecture, design, drafting, and drawing to high school students entering Grades 11 and 12 in September 2024. To learn more students can visit McEwen's website.

French Language Tutors

The University of Ottawa's Virtual Tutoring Centre is offering free tutoring services in French for students in Grades 7 to 12. The tutoring is available until the end of June. The student team will offer one-on-one meetings to help students with their French based curriculum.

TUTORS

In partnership with the Rainbow District School Board, Lockerby Composite School has received funds to hire tutors to help support our students. We currently have tutors who are qualified to support students in Grade 9 - 11 Mathematics, Science, Chemistry, and Physics. Please contact Mrs. Beaudry at beaudrg@rainbowschools.ca or Ms. Baggs at baggs@rainbowschools.ca for more information.
