

WEEKLY NEWSLETTER

Lockerby Composite School's weekly news on Viking academics, events, extra-curriculars, and more!

Happy New Year 2025

WELCOME BACK AND HAPPY NEW YEAR

We hope everyone had a restful break and we're looking forward to a great 2025! We've hit the homestretch for Semester 1!

'PHUN' WITH PHYSICS

This week our Grade 11 physics students had to 'spring into action' while they observed interference patterns and standing waves!

TECH-TASTIC TUESDAY

It was a tech-tastic Tuesday this week for many Vikings! From laser engravings, to woodworking projects, to kombucha SCOBY designs, the design-build process was on full display!

STEP FAIR

STEP Fair projects are underway for some of our Grade 9 Vikings! Stay tuned in future newsletters to learn all about the experiments, studies, and innovation design that we be coming our way!

THIS WEEK IN VISUAL ART...

Grade 9 students have been busy this week learning about art critique and starting their plaster masks. Art jigsaws kicked off the critique lesson and students competed to complete their famous artworks puzzle. They then presented about the elements and principles that linked the different images. Students also helped each other take their mask sketches from the planning phase to a mask shell. Look for us next week when we showcase the results!

ART

GRADE 9 MATHEMATICS

On Monday, some of our Grade 9 mathematics students practiced plotting and recognizing points on a Cartesian plane by playing Battleship against a classmate! The first student to hit all the points belonging to their classmate's ships wins the game!

ENVIRONMENTAL COUNCIL

The World Wildlife Fund helps endangered animals by working on immediate threats to animal conservation and saving the environment in which the animals live. As such, Lockerby Composite School's Environmental Council has adopted an animal through the World Wildlife Fund in order to help fund field programs to support science, research, and animal study! What did they adopt? A pika! Stay tuned to morning announcements for our Environmental Council's January Challenge!

EXAMINATION CONFLICTS

Auditorium

Should students have any conflicts, they need to notify the Main Office. A conflict is when a student is scheduled to write two examinations on the same day and at the same time. Students must speak to Mr. Lafraniere or Mr. Smith about their conflict for next steps.

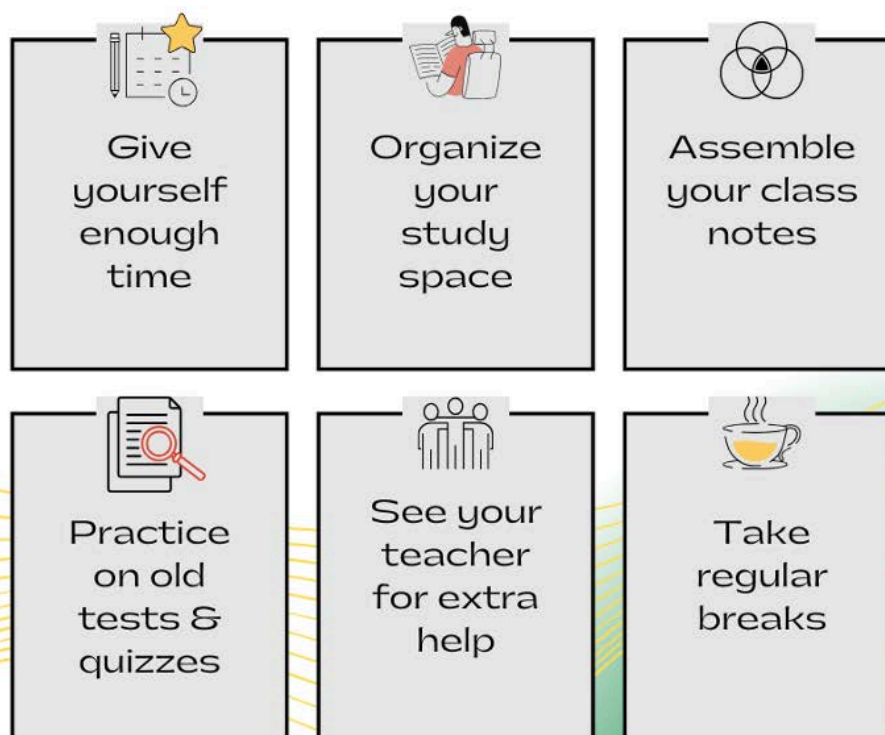

As always, students should arrive early to give themselves adequate time to prepare for writing their examination. Students cannot leave the examination area within one hour of examination start-time.

GOOD LUCK VIKINGS!
