STEP INTEGRATION DAY

On Tuesday, Cambrian College hosted Vikings students for an April STEP Integration Day. A huge thank you goes out to Cambrian College Staff and students, as they presented workshops related to Mechatronics, Coding, Electrical Engineering, Chemical Engineering, and Autonomous Vehicle Innovation! The experience offered valuable insight into the diverse career pathways available in the skilled trades and STEM fields!

TRACK AND FIELD DAY

Some of the Healthy Active Living classes participated in Track and Field afternoon this past Wednesday. Students spent the afternoon at the Laurentian University and were hosted by Faculty of Education students. Viking athletes had the choice to run, jump, or throw while learning proper techniques. The day culminated with a 4 x 100 relay competition!

GOOD LUCK - MOCK TRIAL

Good luck to our Mock Trial competitors, who are looking to defend their championship on Monday! Lockerby Composite School took top honours last year at the competition!

GOOD LUCK - SKILLS ONTARIO

A dozen Vikings will be travelling to southern Ontario to compete at the Ontario Skills Competition next week! From architecture competitions, to coding competitions, to TV and Video Production competitions, our Vikings will be representing the Sudbury team very well! Good luck!

MUSIC CONCERTS

The Music Department would like to congratulate all the music students that participated in this year's Honour Band. They played to a packed Auditorium this past Sunday and wowed the crowd with the incredible skill they put on display! Thank you to Tobin, Katie, Keifer, Lilly, Esohe, Abby and Emily! In addition, our Valhalla Guitar Ensemble played at the Joan Mantle Music Trust concert this past Saturday! Our ensemble put on a masterful performance and the audience was impressed at the level of achievement this group has attained given that they've only been together for 3 months!

THIS WEEK IN VIKING ATHLETICS...

Soccer

What a busy week for soccer at Lockerby! Firstly, congratulations goes out to Junior Boys Soccer teams players on their great tournament last week. Team Green missed-out on the playoff round by 1 point while Team Yellow took home 3rd place honours! The team then won an impressive SDSSAA City season opener earlier this past week! Despite going down early against the St. Charles College Cardinals, the team but rallied back with some beautiful goals! and took the win! Additionally, congratulations to our Girls Soccer team for their valiant effort against a tough St. Benedict's Secondary School team this past week (as they began their SDSSAA City League play). Moreover, the Senior Boys Soccer team played an action packed opening game this week as well against Notre Dame College, but unfortunately, our Vikings came up a bit short! Come cheer on the team at their next game this Friday at 6:30pm at James Jerome against Lo-Ellen Park.

Baseball

Baseball season is up and running! Tryouts and practices have begun and all interested players are asked to see Mr. Bryson if they'd like to be a part of the team!

Volleyball

Congratulations to both our Senior Co-Ed Volleyball teams for their great work at Thursday's tournament. Our Lockerby 'B' team went to three sets in the finals against Champlain Secondary School, but were just short of coming away with the win!

Track and Field

The Black Flies Track and Field Meet is on Friday of this week, and our Viking athletes will be bringing their best efforts to this Preliminary Event! Good luck to everyone and stay tuned to next week's newsletter for final results!

Midterm Mark Transmission to Colleges and Universities

The Rainbow District School Board sent marks to colleges (OCAS) and universities (OUAC) on Wednesday, April 23rd, 2025. Graduating students should review the transmission carefully to ensure the details are accurate. Special attention should be taken with regards to course codes and midterm marks. If there are any errors or questions please email Ms. Baggs or Mrs. Beaudry.

University Applications - Important Dates

As of Thursday, May 29th, 2025 every student who has applied to a university program will have received a response from an Ontario university. A response will be either i), an offer, ii) a refusal, or iii) a deferral pending the receipt of specific additional information. By Monday, June 2nd 2025, Ontario universities require a response to an offer and most likely a financial commitment (e.g., registration deposit, residence deposit, etc.). Note that all other admissions-related elements including scholarships, student assistance or financial incentives, and residence are part of the offer of admission.

Students must also log into their OUAC accounts to accept their offers; this is a multi-step process. Students will receive a confirmation number once all of the steps in the process are completed. A video tutorial for online responses is available on the OUAC website. This video demonstrates the steps required to respond to a university offer of admission. (<https://www.ouac.on.ca/ugrad-tutorials/#respond>). When you successfully complete the submission process, you will immediately receive a confirmation number online. You will also receive the confirmation number by email along with a summary of your responses to offers of admission and/or changes to your application information. Important: if you do not immediately receive a confirmation number, your response was not saved. You then must log back into your online application and re-submit your response.
