SKILLS CANADA GOLD MEDAL!

LOCKERBY COMPOSITE SCHOOL HAS A CANADIAN CHAMPION!

Congratulations to Lockerby Viking Esohe who won a gold medal in Regina this past week participating in the Workplace Safety Competition at Skills Canada! This is Rainbow District Schools Board's first ever gold medal at Skills Canada!

Esohe first won our School Board competition in March qualifying her for the provincial Skills Ontario Championships in May. There, Esohe proved to be the best in Ontario qualifying her for the national competition which took place this past week! Incredible!

Esohe represented Lockerby Composite School, the Greater City of Sudbury, and Team Ontario so well! What an amazing accomplishment - wow! Amazing work - well done, Esohe! Lockerby is very proud of you! Congratulations!

CANADIAN CHAMPION!

AMAZING

IN THE LAB!

Ms. Czerniak's Grade 10 Science class had a "gas" with their Conservation of Mass Laboratory! They also applied pH tests to various household foods and products and created neutralization reactions!

LCS PRIDE

Lockerby's GSA, Viking House Ursus, and our Foods classes helped plan and support some fun events this week! On Tuesday and Wednesday, pride pins, iron-ons, and rainbow snacks were for sale in the Main Foyer and on Thursday, all Vikings were encouraged to create their own pride-clip crafts in the Main Foyer. There were also some cupcake treats available for the school on Tuesday, made by Mr. Meikleham's Food and Nutrition class!

SPRING MUSIC CONCERT

Our final concert of the year entitled, 'Media Madness' was a huge success! The entire Music Department put on an exciting show that featured the Grade 9 and Senior-level Music Classes, the Guitar Ensemble, the LCS Jazz Combo, the Concert Band and the Wind Ensemble! The packed house enjoyed hearing a variety of pop songs and movie themes from across various decades. In all, approximately a thousand dollars was raised for the Music Department! We thank the audience for their generosity and their incredible support for this 2024 - 2025 concert season!

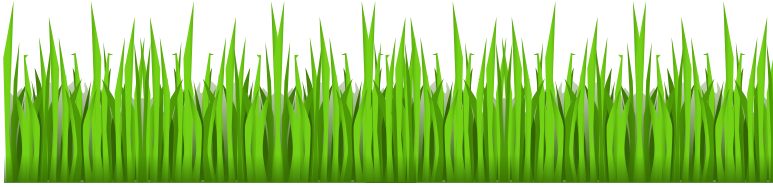

ABORIGINAL SECONDARY SCHOOL AWARDS

The United Way, in partnership with N'Swakamok Native Friendship Center hosted the Aboriginal Secondary School Awards this year for Grade 11 and 12 students, and their families. RAINBOW SCHOOLS' SCHOOL CLIMATE SURVEY

Students in Grades 4 to 6 and Grades 7 to 12 will complete a school climate survey in their class or homeroom the week of June 9 to 13, 2025. The survey is anonymous. The survey will not be linked to student names or personal information. Action Required - Please click the link below to complete the survey consent form by Sunday, June 8, 2025.

<https://rainbowschools.schoolcashonline.com/Fee/Details/43850/224/False/True>

The school climate survey collects information about students' perceptions and experiences of their school as a learning environment, including belonging, safety, mental health and well-being. For Grades 7 to 12, the survey also gathers identity-based data to help schools better understand the communities that they serve. You can access the survey at rainbowschools.ca. Grades 4 to 6 and Grades 7 to 12. To learn more, please read the school climate survey Frequently Asked Questions. Data will be compiled in aggregate form only - meaning all student responses taken together, not individual student responses - for each school and for the school board. The Ministry of Education requires school boards in Ontario to complete school climate surveys. The goal is to promote student achievement and well-being, and to foster a positive school climate that is safe, inclusive and accepting of all students. We welcome this opportunity to learn more about the student experience in our schools. The data will inform school planning and programming for student achievement and well-being.

RAINBOW SCHOOLS' MATH ACTION PLAN

As part of the Ministry of Education's Math Achievement Plan for Ontario, Rainbow District School Board is required to collect survey data throughout the year to evaluate the implementation of our 2024 - 2025 Math Action Plan.

Information collected is anonymous (email address and identifying information is not collected) and will be used for planning and reporting purposes only.

We greatly value your input and would appreciate your feedback on this brief survey. The survey will remain open to responses until Friday, June 20, 2025.

After being down on the scoreboard late, your Vikings were able to tie the game with minutes left to send the game into extra time! In extra time, the team rallied to score two goals to win NOSSA by a score of 4 - 2! Great job, Vikings on bringing home the NOSSA banner and the gold medal!

Softball

Our Boys Softball team competed in the SDSSAA City Championships on Monday. Despite some really great games (two ties against Lasalle Secondary School by a score of 8 - 8 and Chelmsford Valley District Composite School by a score of 12 - 12), our Vikings came-up a bit short in the end. They are looking forward to a great season next year!
