

WEEKLY NEWSLETTER

Lockerby Composite School's weekly news on Viking academics, events, extra-curriculars, and more!

A NIGHT UNDER THE STARS PROM 2025

On Thursday evening, Lockerby Composite School hosted Prom for the Class of 2025! It was a beautiful evening, full of dancing, laughter, and making memories. Thank you to the Prom Committee for all of their hard work, Student Council volunteers for setting-up the venue, and to our staff chaperones.

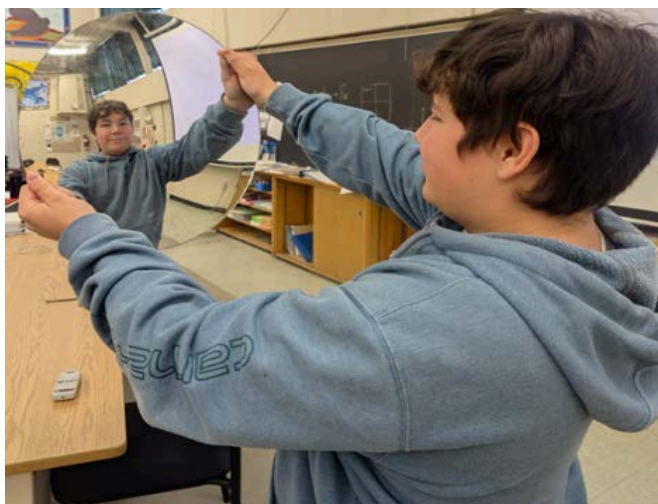

HEALTH CARE AT LOCKERBY

Health Care students wrapped-up their unit on the reproductive system and childhood development this week. Within this unit, students are able to emphasize how expecting mothers may feel doing daily tasks. They also learned how to apply the Rourke measuring system to our virtual babies!

LIGHTS, CAMERA, ACTION!

This week, Grade 10 students applied their knowledge of mirrors, lenses, and colours to hands on activities. There was a lot of refraction and reflection happening!

OUTDOOR EDUCATION

On Monday, Tuesday, and Wednesday, students in the Outdoor Activities class canoed, hiked, and camped in Killarney during their backcountry wilderness trip. Students experienced clear waters, hikes, and little bit of rain, all while spending quality time together, overcoming personal challenges, and feeding several mosquitoes.

BIRDHOUSES WITH BEATTIE

Some of the Kindergarten students at R.L. Beattie Public School had a wonderful time decorating birdhouses with the residents at Extendicare Countryside, thanks to the incredible work of Mr. Christie's woodworking class! The birdhouses were built by our Viking students and became a perfect way to spark creativity, connection, and conversation!

CLASS OF 2029

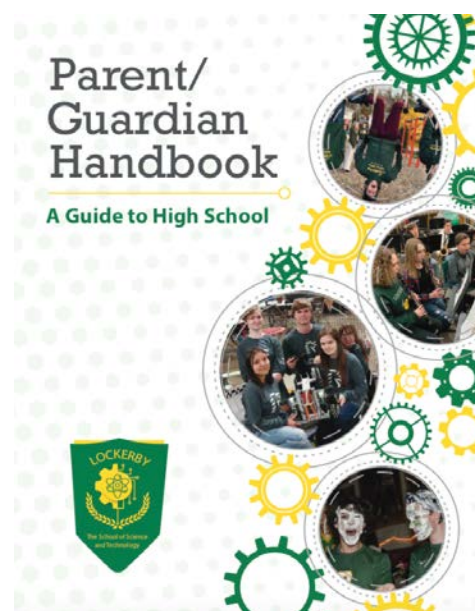

Parents/Guardians of incoming Grade 9 students attended the Lockerby Virtual Orientation Session on Tuesday, June 10th, 2025 at 7:00pm. At the session, incoming Grade 9 families learned about the Viking Community and our students' four-year educational journeys! Thank you to the 70+ who joined a few evenings ago. If you missed the Virtual Information, the recording will be posted to our website and to our Youtube page in the coming days.

PARENT/GUARDIAN HANDBOOK

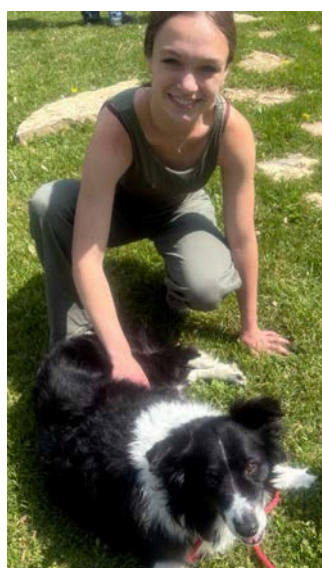

As part of School Council's aim to continue to engage parents/guardians in our school community, Lockerby Composite School was able to put together a valuable resource for all of our Parents/Guardians. The booklet itself contains information about our high school, our school culture, policies/procedures, and general details about our students' four-year educational journeys.

The digital guide can be found on our website under the 'Frequent Links' tab (School Handbook). A big thank you goes out to our School Council members that contributed to its production, and a special shout-out to Jen G., for all of her hard work again this year in digitizing all of the information!

MAGICAL PET PAWS THERAPY

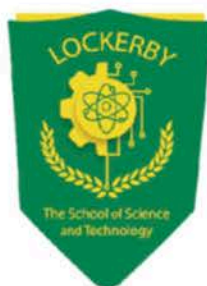

During lunch on Friday, the amazing volunteers and therapy dogs from Magical Pet Paws Therapy (MPPT) visited the school to provide an opportunity for Lockerby students to practice self-care during this month. Did you know that petting therapy dogs can offer numerous physical and emotional benefits, including reducing stress, promoting relaxation, and improving mental well-being? We want to thank MPPT for their visit.

The end of the school year is only a few weeks away, which means that students are preparing for their final culminating activities and examinations. YEAR-END HOUSEKEEPING ITEMS

It goes without saying that there have been many ebbs and flows throughout the 2024 – 2025 school year, and at this time, we would like to extend our thanks to the Viking Community for their ongoing support. Having said that, and as the school year quickly comes to an end, there are a few important housekeeping items that remain:

Final Examinations

The end of the school year is only a few days away, which means that students are or have finished preparing for their final culminating activities and examinations. Each course will have different final evaluation(s) depending on its course content. For those courses with an examination, a final schedule can be found on the next page. The last day that examinations have been scheduled is Thursday, June 26th, 2025.

School Item Returns

Lockerby Composite School has loaned several materials to our Vikings students this past school year. We are asking that all of these loaned items now be returned to the school. If students have final examinations next week, they can return all items then. In order to prepare for the next school year, students are required to return items such as:

- technology (eg. iPads, chromebooks, cameras, etc.)
- textbooks / English books
- laboratory equipment
- woodworking, auto, and technological equipment
- physical education equipment/sportswear
- borrowed visual arts supplies
- musical instruments
- Library books

When returning items, if not already given to teachers, students are asked to visit the Main Office. Office Staff will be on-hand to collect all materials.

Lockers

All Lockerby Composite School locks must remain on the lockers before you leave for summer holidays. During the examination period, students will be unable to access your lockers while other classrooms are writing. Books, bags, and coats will remain at the front of the classroom where you will be writing your exams.

Final Report Cards and Timetables

Grade 9 - 12 Report Cards can be picked-up at the school (Main Office) on July 7th - 8th (9:00am - 3:00pm). Graduates will also have the opportunity to pick-up any remaining graduation items as well as their transcript.

Copies of student timetables for September will also be available for pick-up with Report Cards for all Grade 9 - 11 students. Please be aware that any changes to timetables will have to wait until the last week of August, as our school will be closed until then.

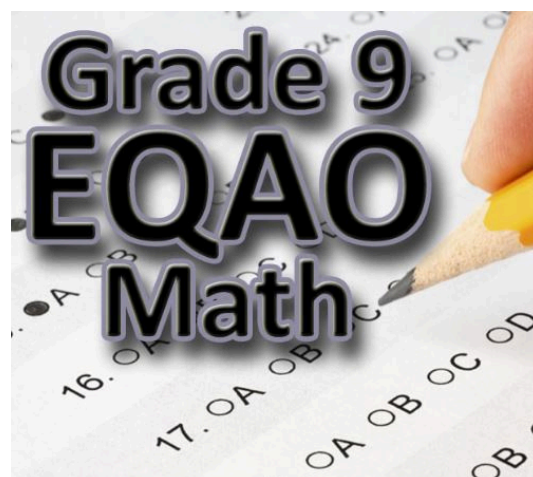

EQAO MATHEMATICS (GRADE 9)

All Grade 9 students participated in school-wide EQAO activities and onboarding to help support their numeracy skills. This past Wednesday and Thursday, our school underwent EQAO testing days.

This year, the Ministry of Education has directed school boards and schools that results from the assessment be considered as part of a student's Grade 9 Mathematics mark.

On behalf of the Viking Community, congratulations to all of our Grade 9 students who wrote this week!
