MATHEMATICAL BUNGEE JUMPING

Can you predict or calculate the exact number of rubber bands that are needed for Barbie to 'bungee' (in a thrilling jump) without having her actually hit or crash into the ground? Can you design and build an appropriate harness for her 'bungee?' Well...for the past two weeks, Grade 9 STEP students continued developing their mathematical and digital graphing skills for 'bungee data,' and then engaged in the Engineering Design Process to build a bungee safety harness (using materials and 3D-printed designs). Barbie's 15-ft plunge from a scissor lift...happened ton Thursday! Safety first - thank you to Equipment World who donated the scissor lift!

ÉDUCATION PHYSIQUE

Our Grade 9 French Immersion students have been hard at work in the Fjord Fieldhouse for the past few weeks!

KINESIOLOGY

Over the past several weeks, Grade 12 Introduction to Kinesiology students have been exploring the musculoskeletal system through hands-on learning activities. Students applied their knowledge of bones, joints, and anatomical terminology by creating and presenting models of human joints, demonstrating how different structures work together to move. They also put their learning into action by creating 3D models of the craniofacial muscles, bringing their study of the muscles of the face to life!

THIS WEEK IN VIKING ATHLETICS...

Senior Boys Volleyball

Congratulations to our Senior Boys Volleyball team on an incredible season! Looking back on some of the season's highlights, the team earned an impressive 2nd place finish at the CVDCS Tournament and finished 4th overall in the regular season! Although their season came to an end against Lasalle Secondary School this week, the team has plenty to be proud of!

Flag Football

Congratulations again to the Junior and Senior Lockerby Vikings Flag Football teams on successful seasons! The annual SDSSAA Flag Football Banquet was held this past Wednesday evening at the Caruso Club, where Lockerby's very own Ruby M. was named the league's 'Defensive Player of the Year' for the Senior 'A' division. Ruby, along with teammates Sadie G. and Julia M., were also named to the Senior All-Star team for the season. Graduating players were also honoured at the banquet during the Senior Golden Pin ceremony!

Curling

This week, the Girls Curling team took-on the Lasalle Lancers at the Idylwylde G. & C.C. Despite some excellent draws, the team wasn't able to get that perfect hit-and-roll and lost the contest. The team is back on the ice next week with a pair of games against Marymount Academy and Bishop Carter Secondary School. The Boys Curling team will take to the ice as well next week when they take on Lasalle Secondary School and Bishop Carter Secondary School!
