## LOCKERBY ALUMNUS: ELI PASQUALE

By now, many who follow Lockerby Composite School on social media are aware of the passing of Eli Pasquale, a Lockerby Composite alumnus and member of the Canadian Basketball Hall of Fame. This great Viking recently lost his battle with cancer and we would be remiss if we did not share a little of his legacy with a new generation of Vikings, as his photograph still hangs in our gymnasium.

Eli Pasquale was an outstanding basketball player: a member of Canada's national junior team during the summer of his Grade 12 year and a future star with the University of Victoria and Canada's national team (appearing in x2 Olympic Games). There will no doubt be many tributes to Eli Pasquale that will describe in detail his post-secondary career highlights; but for us, it will be his Viking character that we remember here.

Mr. William Morse coached Lockerby Composite's school team during the late 1970's and recalled some great memories of Eli. "He advanced from the midget team to the senior team after grade nine [skipping the junior team altogether]." It was a feat hardly heard of in those years. "He worked hard - all the time." A gifted athlete, Eli Pasquale was fun to watch as he set records and awed everyone at the games. Mr. Morse believed it was his work ethic as much as his skills that made him special.

But it was not just his prowess on the court that impressed the coach. He was a leader and always put the team first, recalls Mr. Morse. "One thing I really remember well, that I think epitomizes Eli...we would always name the high scorers of our sports teams on the morning announcements." Naturally, Eli's name came up frequently. "He came to me and said: *'please stop mentioning my name, there are other players that deserve recognition, put their names on the announcements instead.'*

## ADVANCED PLACEMENT (AP) BIOLOGY

Students in the Advanced Placement Biology class investigated factors that impact the rates of two key cell metabolic processes this past week. They considered what variables would impact cellular respiration and photosynthetic rates in algae beads, and designed investigations to test their hypotheses. Some variables that were investigated included wavelength of light, light intensity, and light sources. The main challenge in this lab was identifying and controlling as many confounding variables as possible, and designing the procedure to account for them!

## ME TO WE CANVASSING!

On Thursday, November 7<sup>th</sup>, Lockerby Composite's Me to We Committee canvassed the South End as part of the 'We Scare Hunger' campaign. Our group collected 376 non-perishable items to help out local food banks. A big thank you goes out to the residents of Sudbury's South End!

## Way to go!

## WRITING CONTEST WINNER

Congratulations to Abigail O.! Her story 'Today's Future, Tomorrow's Reality' was runner-up in the Youthwords Writing Contest for Wordstock Literary Festival. You can read her story on Lockerby's student online zine, Viking Voice:

## Congratulations!

## MR. ABOLS RECOGNIZED BY OFSAA

Congratulations also goes out to Mr. Abols. Last Saturday, Mr. Abols was recognized at the provincial OFSAA cross-country running championships at Kivi Park. Mr. Abols was this year's recipient of the 'Leadership in School Sport Award.'

## Kudos!

## TAKE OUR KIDS TO WORK DAY: 2019

On Wednesday, November 6<sup>th</sup>, our grade 9 students had wonderful experiences spending the day in the workplace of a parent, relative, guardian, friend, or volunteer host. This annual day gives students an idea of the working world and potential future careers. This year marked the 25<sup>th</sup> anniversary of Take Our Kids To Work day! Emily G. spent the day the Northern Ontario School of Medicine.

## REACH FOR THE TOP

On Friday, our senior Reach for the Top trivia team competed against seven other teams in the first tournament of the year...and they came away with two wins! Friday's favourite question was, "which trio of sisters were featured in the play Hamilton?" Answer: Schulyer sisters. The junior Reach for the Top team will kick-off their season next Friday. New players are still welcome!

## WORLD PAPER FREE DAY

On Wednesday, November 6<sup>th</sup>, Lockerby Composite staff and students participated in the annual World Paper Free day, as part of Rainbow District School Board's monthly environmental challenge. This green initiative is part of the school board's ongoing efforts to encourage sustainable practices and increase awareness about paper consumption as Rainbow District School Board redoubles its efforts to fight climate change.

## THIS WEEK IN VIKINGS ATHLETICS . . .

### Cross-Country Running

Congratulations to all of our Viking runners who participated amongst the province's best at this year's OFSAA championships that were held at Kivi Park this past Saturday! What a great season!

### Volleyball

It was a good effort put forth by our junior boys volleyball team this week as they played Lasalle Secondary School. Although the score wasn't in our favour, the entire team played well! Good news- our team will be attending NOSSA so please stay tuned for more information...go Vikings go!

### Basketball

A big congratulations goes out to our junior girls basketball team who defeated College Notre-Dame 41 - 33 in their semi-final game this week! Keep up the good work! The city SDSSAA finals are this weekend at Lo-Ellen Park! Come out and cheer-on the team!

## THIS WEEK IN VIKINGS ATHLETICS . . .

### Swimming

The swim team continues to train on Wednesdays and Fridays at Gatchell Pool from 2:30pm - 3:30pm. Permission forms for the season including a team fee (which can be paid online) are being distributed this week. Our coaches are still interested in meeting new recruits - and if your athlete is interested - they are asked to speak with Mr. Abols, Ms. Stanyon and/or Ms. Jorgensen to add their name to the Google Classroom.

## INTRAMURAL SOCCER CHAMPIONS!

Congratulations to Team Stacie Kohan who defeated Team Shake-and-Bake in this year's intramural finals! Look for 3-on-3 basketball to start next week. Sign-up sheets will be posted in the Physical Education Hallway.

## INTERESTED IN WINNING A PIZZA PARTY?

Dear Parents/Guardians:

### RE: Ontario Secondary School Practice Literacy Test (OSSLT) 2019 and Condensed Schedule for Thursday, November 14, 2019

Home to the  
Science  
Technology  
Education  
Program  
(STEP)  
est. 1984

The OSSLT is a graduation requirement administered by the Education Quality and Accountability Office (EQAO). The test assesses the reading and writing skills that students are expected to have learned in all subjects by the end of Grade 9, as outlined in *The Ontario Curriculum*.

In order to accommodate the practice test on Thursday, November 14, 2019, Lockerby will have a short period day. The school will be open in the morning, and regular scheduled classes will run in the afternoon. After lunch all students will attend Periods 1, 2, 3 and 4. ***If students arrive in the morning and are not writing the test, they can use this time to work on projects and receive extra help in assigned areas.***

All eligible students will be writing the practice OSSLT in the morning. Students are to arrive at school at the regular time and report to their assigned testing room. Below is the schedule for the day:

<u>Morning Schedule</u>	<u>Afternoon Schedule</u>
<i>OSSLT Practice Assessment</i>	<i>Condensed Schedule</i>
8:15 - First Bell	10:30- 11:30 Lunch
8:20 - Second Bell	11:30-12:15 Period 1
8:20-8:25 Instructions, Attendance	12:15-1:00 Period 2
8:25- 10:30 Booklet 1 & News Report	1:00-1:45 Period 3
	1:45-2:25 Period 4

Students who successfully pass the March OSSLT will obtain their graduation requirement and will not be required to write the test again. Students who are unsuccessful will have the options of taking a course in Summer School or signing up for the Ontario Literacy Course being offered at Lockerby Composite School during the 2020-2021 school year.

Please mark **Tuesday, March 31, 2020** in your calendar to ensure that your child is present at school for the official OSSLT test administration date. You can help your child prepare for the test by accessing an online practice version at [www.eqao.com/en/assessments/eqao-online](http://www.eqao.com/en/assessments/eqao-online). They can also use this interactive Gsuite site as well for extra test prep (<http://gsuitehelp.ca/osslt/>) and join the Google classroom using code 26uxixm.

If you have any questions, please contact Meghan Baggs, Program Leader of Literacy, by calling 705-522-1750 extension 6513, or by email at [baggs@rscloud.ca](mailto:baggs@rscloud.ca).
