

STEP Applicants Only

Lockerby: The School of Science & Technology

Applying is as easy as... 1, 2, 3! Your courses are: Science, Technology, English, Phys.Ed., Math, French, Geography and Music or Visual Art. Now please customize your STEP experience below:		Select one option per row.
1	Choose ONE of these two programs.	
2	Now choose ONE of these program options. The laptop option is highly recommended and is by far the more popular choice.	
3	Now choose ONE of these two electives.	
Steps 4 & 5 below offer two additional options if desired.		
4	Would you like to earn an additional Band credit? Open to all students, band runs all year outside of school hours.	
5	Would you prefer Enriched Math instead of regular math? For students with a minimum 85% in four Grade 8 mathematical strands.	

A minimum 75% average in grade eight is required. Transportation will be provided for STEP students residing outside of the Consortium's walking boundaries for Lockerby. All applicants are automatically eligible for future Advanced Placement courses.

Application Deadline: Friday, February 26, 2021

Student Name: _____

T-Shirt Unisex Size (Choose one):

Please read: I have attached a copy of the Grade 8 Report Card issued in January or February. I have also attached the Student Registration Information Form. If applicable, I will ensure an approved laptop computer is available for my child for the duration of enrollment in the laptop program.

Please email all documents to: hemmerc@rainbowschools.ca by the deadline.
