KIDS CARING FOR KIDS CANCER DRIVE - 2021

A message from Lockerby's Kids Caring for Kids Cancer Drive Committee:

Happy holidays, Vikings! To say 2020 has been a great year is...a bit of stretch?. However, with the challenges we've faced, it's safe to say our Viking community has truly made the best of everything going on. Even in the face of a pandemic, we Vikings have really persevered and continued to keep spirits high.

Our committee members are so proud to be Vikings along with all of you, and what better to show off your spirit with a Lockerby Cancer Drive mask! Indeed, they are still on sale for only \$12 but there are only a limited amount so get yours while you still can. This mask is perfect for the holiday season and a great way to give back. You can see Mrs. Rodriguez in Room 205 any time to buy your mask.

All Cancer Drive sweatshirts were delivered to your homerooms on Monday morning. Students who were absent on Monday, do not have a homeroom, or are remote learners, may pick-up their sweatshirt from the Main Office during regular school hours. All of the proceeds from our sweatshirt and mask sales go directly to pediatric oncology care at the Northeast Cancer Centre through the Northern Cancer Foundation (NCF).

Please note that our committee has some big plans for our 25th annual Cancer Drive which will occur in April 2021. Stay tuned in the new year for details about how to participate in Lockerby's longest-standing tradition of raising funds for children battling cancer in Northern Ontario. We'll have virtual assemblies, pledge drives, letter writing campaigns, homeroom challenges, and so much more!

We hope everyone has an amazing holiday season and a happy new year. Stay safe, Vikings. We look forward to seeing you again in 2021!

RE: PLANNING FOR ALL SCENARIOS

Dear Parents/Guardians:

Although we are planning for schools to re-open on January 4, 2021, should the return to in person learning be delayed, learning will continue remotely when classes resume.

If your child is currently learning in person, please complete the survey at the following link by Tuesday, December 22, 2020. Please complete one survey per child.

Kindergarten to Grade 8 bit.ly/rdsbpivotKto8

Grades 9 to 12 bit.ly/rdsbpivot9to12

Given that the situation with COVID-19 continues to evolve rapidly, we have asked students to please bring home any materials they may require for remote learning before leaving school for the holidays.

Should the Ministry of Education and/or Public Health delay the re-opening of schools for in person learning, we will communicate with parents/guardians through the media, rainbowschools.ca and school communications channels.

On behalf of our schools, I would like to thank students and families for following health and safety protocols to limit the spread of COVID-19.

Let's continue to choose our actions wisely over the holidays to make the return to school as safe as possible. Please visit rainbowschools.ca for resources.

Thank you for working together to keep everyone safe.

Happy Holidays!

Sincerely,

Norm Blaseg
Director of Education
