VIKING SCHOLARS (2019 - 2020)

Although we weren't able to celebrate our 2019 - 2020 Viking Scholars as a Viking Community this year, we were still able to recognize our scholar recipients and award winners. A big congratulations goes out to all those that were recognized!

We have put together a video collage of those current Grade 10, 11, and 12 in-person and remote learning Vikings who accepted their certificates this week. The video collage can be found on our website and by clicking on the picture above.

Likewise, a digital flipbook copy of our Viking Scholars Program can be found by clicking on the Program picture above. Again, a big congratulations goes out to all those that were recognized!

WHAT'S HAPPENING IN VISUAL ARTS?

January marks the end of our first semester in Visual Art. This is a time when we would traditionally set up an art show to celebrate five months of student work, and invite our Lockerby Community to wander the first floor together, enjoying a gallery experience!

Since COVID-19 has changed the way we share experiences, we decided to do something a little different this year. Led by our peer mentor, Kallie J., we have come up with a virtual gallery tour. Please take a few minutes to click on the gallery image below and wander with us to enjoy some beautiful art. Don't forget to click on the artwork to see a full credit line. Well done Viking artists!

ENVIRONMENTAL COUNCIL

Your Environmental Council is leading the way to help reduce COVID-19 environmental impacts at Lockerby Composite School. On Monday, your Environmental Council is encouraging all Vikings to participate in our boomerang lunch initiative!

A boomerang lunch is a lunch that has every piece of it return to its source. In other words, everything in the lunch goes back home at the end of the day. No matter if it is leftover food, containers, recyclables or garbage, it all goes back. The purpose of the boomerang lunch is to increase awareness of the amount of waste created in one day's lunch and to encourage the use of reusable containers.

VIKING ATHLETICS UPDATE

Due to the province-wide lockdown and Stay-At-Home Order, all sporting competitions will be placed on pause. Likewise, all Viking Athletics training will also be put on pause. Stay tuned in the coming weeks for more information about resumption of participation in our sports.

If you want in on all of the school spirit, just head on over to School Cash Online and purchase your very own Cancer Drive Mask.
