## ONTARIO VIRTUAL SKILLS COMPETITION

Three of our senior Vikings competed against other students from across the province this week to design skateboard parts in the Mechanical CAD competition. Tyler L., Dallas H., and Alex P. pushed themselves to meet the expectations of the competition! Above are some of what they produced during the day of CAD!

## STAND-UP SPEAK OUT

By Nethra W. (Student Senate Representative):

This past Thursday, a group of Lockerby students had the opportunity to attend the Rainbow District School Board Student Senate's first virtual conference, Stand Up for Equity and Inclusion. Inviting students from 10 schools across the school district, the conference tackled topics including racial justice, belonging, and equality. The conference included breakout sessions led by Unlearn Sudbury, a group committed to promoting anti-racism and anti-discrimination, and workshops by get REAL, an organization that fosters inclusivity. Students also had the opportunity to hear from keynote speaker Anthony Johnson, a Two-Spirit, LGBTQ2 and Indigenous advocate originally from Navajo Nation, Arizona. A former contestant of the Amazing Race Canada Season 7, Johnson and his partner have become internationally recognized for their advocacy efforts. Throughout the conference, students had the opportunity to unlearn previous biases and gain new perspectives on what inclusivity and diversity means. At the end of the conference, the Lockerby Team brainstormed various ways they could implement their newfound knowledge in our Viking community, in order to create an even more welcoming and inclusive environment for their peers.

*Reaching minds. Touching hearts.*

## MIDTERM REPORT CARDS (S2T1)

**Attention all Students, Parents/Guardians, and Viking Community:**

Given our current distance learning circumstances please note that all Semester 2 Midterm Report Cards will be mailed (through letter-post) to households of Friday, April 30th, 2021.

## VALEDICTORIAN (CLASS OF 2021)

**Attention Grade 12 Students and Viking Community:**

On Monday, May 3rd, 2021, we will be announcing this year's Valedictorian for the Graduation Class of 2021. Stay tuned to our website, social media pages, morning announcements, and the Graduate Google Classroom for the announcement.

## CELEBRATING LOCKERBY STAFF

**Administrative Professionals Day: April 28th, 2021**

On behalf of students and staff at Lockerby Composite School, we would like to take this opportunity to recognize Ms. Hemmer, Ms. Santi, and Ms. Gordon, our amazing administrative professionals! They are the backbone of our school, and Lockerby Composite simply would not run without them. Their hard work and endless patience have not gone unnoticed!

## SCHOOL COUNCIL NEWS

Lockerby Composite School Council has setup a Facebook Page and is inviting Viking parents/guardians to join. Our School Council is hoping that the page will help guide parents/guardians and keep everyone informed of the great things that are happening at the school! Join the @LockerbyParents Page today!

## MUSIC MONDAY!

Stay tuned - the release of the final track will be on Monday, May 3rd, 2021!

For Immediate Release

Thursday, April 29, 2021

### Schools celebrate Music Monday by bringing students together while safely apart

Secondary music teachers in Rainbow Schools have come up with an innovative way to celebrate Music Monday by bringing students together while safely apart. Lasalle Secondary School, Lockerby Composite School, Manitoulin Secondary School and Sudbury Secondary School have joined forces to create a gigantic multitrack recording of a piece called *Through the Eye of the Storm* by Canadian composer Ryan Meeboer.

Meghan Sanderson, Mike Jensen, Chris Theijismeijer and Mitch McIntyre recorded a series of guide tracks for their music students to follow, with each educator playing their instrument of choice. Students were invited to add their versions to the master recording. Some 40 students have added tracks to the recording so far and that number is expected to double by Monday, May 3, 2021 when the final version is released. The goal is to delete the teacher tracks and have the student tracks stand on their own.

"We're using a program called Bandlab. It's available for phones and laptops and works across a wide range of operating systems, so it's an ideal platform for remote learning," says music teacher Mike Jensen of Lockerby Composite School. "It lets you add one track at a time while listening to the previous tracks as you record."

Mike Jensen says the project teaches recording techniques while keeping the spirit of the band alive through music making. "It's like building a sandwich one layer at a time." He adds: "Music unites people. It's also a big part of people's lives. Many students who have pursued careers in medicine, law or business have said that music was an important skill building activity. It taught them lessons they continue to draw on in their current fields."

Music teachers in Rainbow Schools have been collaborating extensively since the pandemic began and schools shifted to remote learning. "We pooled our talents to come up with a list of lessons and activities," says Jensen. "That collaboration led to our current project. We not only wanted to make music, we also wanted to share music. Releasing our version of *Through the Eye of the Storm* on Music Monday is relevant for the times. It's a celebration of our collective resilience as a community."

## HIGH SCHOOL PICTURES - STAFF EDITION

This past week, our Vikings participated in an online Instagram Challenge to see if they could identify their teachers from their high schools photos...here are some of them!

## STUDENT COUNCIL - FACES OF LOCKERBY

### A message from your Student Council:

Hello Vikings! We are very excited to re-introduce our 'Faces of Lockerby' project. Over the coming weeks, we will be posting photos of Lockerby students and sharing their stories, experiences, and insights. Through this project, we aim to foster compassion, understanding, and school spirit with our Lockerby Community! Please reach out to Student Council members if you're interested (or know of someone who may be interested) to be featured!

## Dulain Abeyratne

*What sports have you participated in?*

Dulain has participated in basketball, volleyball, soccer, track and field, curling and more!

*What Clubs or Councils have you been a part of?*

Cancer Drive, Students' Council, and the Athletic Association.

*What is a valuable lesson high school has taught you?*

Try new things, challenge myself and step out of my comfort zone!

*Favourite memories as a Viking:*

Out of town basketball tournaments and Pep Rallies!

## LOCKERBY ATHLETICS UPDATE

The 'LCS 50km April 2021 Walk/Run Challenge' is coming to an end on Friday. Sixty-four current students, alumni, staff, and Viking community members signed-up and participated. Currently, thirty-one participants have reached their goal, with several being only a few kilometres away from reaching the challenge milestone!

## STUDENT SERVICES

### Grade 12

#### Accepting College Program - Saturday, May 1st, 2021

Students are reminded to login to their Ontario College Application (OCAS) to finalize and accept their college offer. The website link is <https://www.ontariocolleges.ca/en/>

#### University Responses

As of Thursday, May 27th, 2021 every student who has applied to a university program will have received a response from an Ontario university. A response will be either: (1) an offer, (2) a refusal, or (3) a deferral pending the receipt of specific additional information.

By Tuesday, June 1st, 2021, Ontario universities require a response to an offer and most likely a financial commitment (e.g., registration deposit, residence deposit, etc.). Please note that all other admissions-related elements including scholarships, student assistance or financial incentives, and residence are part of the offer of admission.

Students must also log into their OUAC accounts to accept their offers; this is a multi-step process. Students will receive a confirmation number once all of the steps in the process are completed. A video tutorial for online responses is available on the OUAC website. This video demonstrates the steps required to respond to a university offer of admission. (<https://www.ouac.on.ca/ugrad-tutorials/#respond>).

When students are successful in completing the submission process, they will immediately receive a confirmation number online. Students will also receive the confirmation number by email along with a summary of your responses to offers of admission and/or changes to application information. It is important to note that if students do not immediately receive a confirmation number, the response was not saved. Students must then log back into the online application and re-submit the response.

After students submit the response to a university offer of admission, they will be locked out of the online application for one business day. After one business day, students can log back in to the online application to ensure that 'Accepted' is displayed beside the accepted program.

Need Help? Students can contact Applicant Services at 519-823-1063 every Monday, Wednesday, and Friday from 9:30am - 4:15pm and Thursday from 10:00am - 4:15pm.

#### **Opportunity for Parents and Guardians**

Parents as Career Coaches event is centered around how to succeed when you don't fit the mould and pathways to careers in the trades. Student(s) in Grades 7 - 12, and their supporters, are invited to a free, interactive, virtual workshop hosted by HGTV's Paul LaFrance and Cambrian College's Colleen Heidman. Register now for the event taking place on Wednesday, May 27th, 2021 from 6:00pm to 8:00pm. Please visit the following website to learn more - <https://cambriancollege.ca/events/parents-as-career-paul-lafrance/>

## AP EXAM INFORMATION (2021)

All Advanced Placement (AP) students who are writing (and/or presenting) their final examinations and evaluations in the coming weeks will be receiving further information from their teachers and the school regarding preparatory steps. Please stay tuned, and if there are any questions in the interim, please reach out to Ms. Beaudry at [beaudrg@rainbowschools.ca](mailto:beaudrg@rainbowschools.ca)

## REMOTE LEARNING UPDATE

Please note that remote learning will continue next week (and until further notice). At this time, we are not sure when Rainbow Schools will re-open for in-person learning. After Public Health Sudbury & Districts advises that we may resume face-to-face instruction, Rainbow Schools will survey parents/guardians to determine who may wish to transfer between in-person and remote learning for the remainder of the school year.

Public Health Sudbury & Districts  
**COVID-19 update**

## WHAT PARENTS NEED TO KNOW FOR OUR NEXT WEEK OF LEARNING...

Dan Watson, our school Social Worker, will be in contact with families over our remote learning period.

Hazel Fox-Recollet, our school Aboriginal Support Worker, will be in contact with families over our remote learning period.

Monday, May 3rd

- 'Week 2 Schedule'

Tuesday, May 4th

Wednesday, May 5th

Thursday, May 6th

Friday, May 7th

- Weekly Newsletter will continue to be distributed
