

# WEEKLY NEWSLETTER

Lockerby Composite School's weekly news on Viking academics, events, extra-curriculars, and more!

## A MIX OF ART AND TECHNOLOGY

# AWESOME!

This week, our Grade 10 Vikings applied their excellent photography and photo editing skills to create some amazing surreal images! After researching and studying the works of surrealist artists like Salvador Dali, Rene Magritte, Leonora Carrington, and Max Ernst, among others, students emulated the styles of their chosen artists in their own photographic compositions. Thanks to Jazmyn and Gill for sharing their work!

## KIDS CARING FOR KIDS CANCER DRIVE - 2021

### A message from Lockerby's Kids Caring for Kids Cancer Drive Committee:

Vikings, what a wild ride it's been. This year has certainly been unique and challenging and our committee is especially sad about postponing our Cancer Drive due to the current circumstances of COVID-19. It was our sincere hope that we could have gone forward with the Cancer Drive this month, but as you already know, we have postponed it to April 2022.

**In light of this, we would like to share with you that, even without a traditional Cancer Drive canvassing night, our Viking community managed to raise \$5,600!**

We are so excited that this amount will go toward our Cancer Drive next year, giving us a great head start to the next school year. We can't thank our Viking family enough for all of their support and dedication to Lockerby's Kids Caring for Kids Cancer Drive!

We would also like to inform those of you who are hoping to be a part of next year's Cancer Drive Committee that we will begin the application process starting in September 2021. Make sure to keep an eye out for posters and announcements about applications in the fall. Thank you for your constant support and we hope to see you all in the school again very soon!

**Thank  
You!**

**\$5,600**

## VALEDICTORIAN (CLASS OF 2021)

### Attention Grade 12 Students and Viking Community:

After counting the votes, a big congratulations goes out to this year's Class of 2021 Valedictorian...Dulain Abeyratne! Grade 12 graduating students are encouraged to continue to check the Graduate Google Classroom for the future convocation announcements.

## CELEBRATING LOCKERBY STAFF

**Teacher Appreciation Day: May 4th, 2021**

Contributed by Rafiah and Halle:

Students Council celebrated Teacher Appreciation Day with a heartfelt video on the morning announcements on behalf of the student body. Our teachers work tirelessly to give us the support, knowledge, and experience we need to succeed. Not only do you help and support all Viking students in academic ways and aspects through teaching, but you all are difference makers in each of our lives. Thank you from the bottom of all of our green and gold hearts.

## SCHOOL COUNCIL NEWS

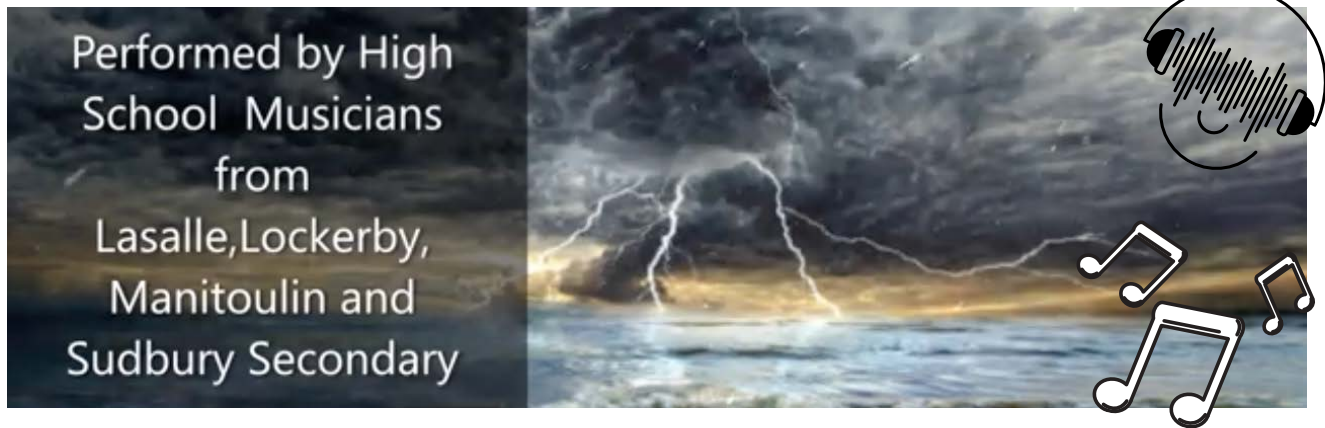

Lockerby Composite School Council has setup a Facebook Page and is inviting Viking parents/guardians to join. Our School Council is hoping that the page will help guide parents/guardians and keep everyone informed of the great things that are happening at the school! Join the @LockerbyParents Page today!

## MUSIC MONDAY!

Each year, hundreds of thousands of children, youth, teachers, parents and community members across Canada join #TogetherInHarmony for Music Monday. This year Mr. Jensen and his students joined forces to create a gigantic multitrack recording of a piece called 'Through the Eye of the Storm' by Canadian composer Ryan Meeboer. Click [HERE](#) to have a listen!

## AP EXAMINATIONS - GOOD LUCK!

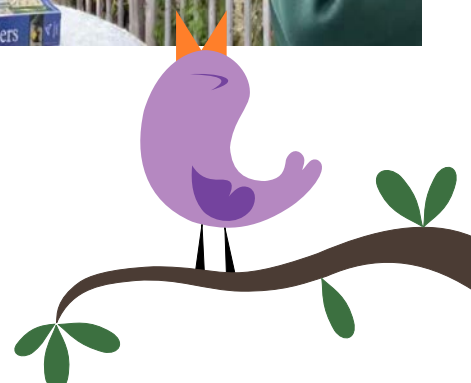

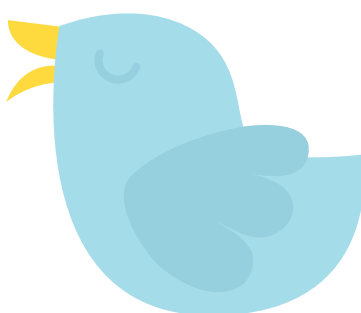

The Viking Community would like to wish all of our AP students good luck on their upcoming final evaluations.

We are very proud of your accomplishments and we wish you all continued success. Over the next several weeks, we will have 60+ students writing their examinations including: AP Biology, AP Calculus, AP Computer Science, AP English and Language Composition, and AP Psychology, as well as submitting projects and completing presentations in both of our AP Capstone Program courses, Seminar and Research!

## BIRDING CHALLENGE (2021)!

The 3rd Annual Lockerby Birding Challenge is back! Your Environmental Council has already started to get things ready! Between now and Friday, June 4th, 2021, whenever a member of our Viking community sees a bird, they are asked to take a picture and add it to our school's 'Bird Sightings List' (with location and best attempt at identification). Lets try and identify/observe all 275 species of birds in the Sudbury area (there may be a prize for the person who identifies/observes the most birds)! Not sure how to bird? Ms. Donato has you covered! Her 'Birding 101' Video will be up on our website on Monday. Stay tuned for more information early next week!

## LOCKERBY SUPPORT

On Friday, the Viking community made a donation to the YMCA Warming Center. The Warming Center provides a safe space, food and care for the vulnerable members of our community. A big thank you goes out to all those who supported this initiative!

# Thank you!

## STUDENT COUNCIL

In honour of Star Wars Day (May the 'fourth' be with you), Student Council posted Star Wars trivia to test our Vikings' knowledge on their Instagram account! Next week, your Student Council will be collecting baby photos of our Grade 12 students for a 'Who Da Baby' Grade contest. Graduating students are asked to send in their adorable pictures to the @lockerbystudentscouncil Instagram account or email Nethra W. Picture submissions will be collected until May 14th, 2021.

# Who Da Baby?

## STUDENT COUNCIL - FACES OF LOCKERBY

### A message from your Student Council:

Hello Vikings! We are very excited to re-introduce our 'Faces of Lockerby' project. Over the coming weeks, we will be posting photos of Lockerby students and sharing their stories, experiences, and insights. Through this project, we aim to foster compassion, understanding, and school spirit with our Lockerby Community! Please reach out to Student Council members if you're interested (or know of someone who may be interested) to be featured!

### Faces Of LCS

#### Gr.10 Spotlight

### *Ruby Sage-Wolfe*

#### *Valuable lessons learned at LCS?*

"Stay true to my values and interests. Also, to only surround myself with people who lift me up and make me feel loved and appreciated."

#### *Advice for Gr. 9s?*

"Stay focused and motivated on schoolwork. You can always reach out to teachers and upperclassmen at Lockerby during tough times."

#### *Favourite memories so far as a Viking?*

"My favourite memories while attending Lockerby have been Gr. 10 History class with Ms Caddel, where we were encouraged to see all sides of Canadian history including activism, striking, and advocacy that took place and is still necessary in ensuring peace and kindness. I also had a memorable night participating in the Annual Cancer Drive, where I met new people and was able to make change in our community."

## LOCKERBY ATHLETICS UPDATE

### A Message from the Lockerby Athletics Association:

Lockerby Athletics will be 'dropping' merchandise for parents/guardians! We're hoping to have items such as t-shirts, sweaters, mugs, hats etc. for sale as early as the end of this school year. These items will be aimed at parents of athletes, however options for those who partake in other extra-curricular activities will also be available. [HERE](#) is a link to a Google Form so we can get an idea of what Lockerby parents/guardians are looking for and so that we can get started on this initiative. Stay tuned for more information as we get rolling!

## Grade 12

### Virtual Convocation - June 18th, 2021

Lockerby Composite School is looking forward to sharing this year's virtual graduation with our students and their families. To ensure we create a memorable video we have a number of activities planned in the upcoming weeks. Graduates are reminded to review all of the details in their 2021 Graduates Google Classroom. Students are also asked to review the graduation spreadsheet which outlines all of the certificates they earned at Lockerby Composite School. If there are any concerns with the details on the spreadsheet they are asked to email Mrs. Beaudry or Ms. Baggs.

## Scholarships

### Metal-Air Bursary - Friday, May 14th, 2021

For many years, Metal-Air has offered bursaries for graduating secondary students in the Greater Sudbury area. This year we will be offering bursaries in two categories: (1) Trades (students who are enrolled to attend a post-secondary institution or accepted as an apprentice in one of the 23 skilled trades) and (2) Metal-Air Employees' Dependents. Additional information can be found on the 2021 Graduates Google Classroom.

### OJEN's 2020 Student Bursary - Wednesday, May 26th, 2021

Are you a grade 12 student pursuing post-secondary studies that lead to a career in the justice sector? OJEN administers 22 bursaries province-wide that range from \$500 - \$1000 for students who are entering their first year of post-secondary studies in the fall.

When you submit your application, you are automatically considered for a bursary that is provided by the Association of Justices of the Peace of Ontario, the Association of Ontario Judges, and Ontario Superior Court of Judges' Association. Judges and Justices of the Peace from these three associations review all applications and select the winners. Applicants should describe the justice sector career they are interested in pursuing and demonstrate how their post-secondary program will help them achieve this goal. For more information and to apply, please visit: <http://bit.ly/OJENBursaries>

### James S. Miller Memorial Scholarship

The James S. Miller Memorial Scholarship is available to all students in Northern Ontario who are now in their final year of high school and intend to enter their first year of post-secondary education in natural resources or a related field commencing in the fall following their high school graduation. Additional information is available on the Forests Ontario Website - <https://forestsontario.ca/en/article/james-s-miller-memorial-scholarship>

### Re: Graduation Ceremony June 2021

Hello Viking Community:

We hope you and your family have remained safe and healthy through these challenging times as we move through May and into June with remote learning. At this time of the year, we know that families begin to think about graduation.

As we indicated in previous correspondences, Lockerby's graduation this year, like all Rainbow schools, will be a virtual ceremony. The date has now been finalized. It will take place on Friday, June 18, 2021; this will be the release date of the video. A link to the video will be posted upon its completion on our web site, on Lockerby's social media outlets, and in the school newsletter.

Please know that more is planned for our graduating class. Information will be posted in the coming weeks detailing the pickup of a graduation memento and a graduating class composite photo. An outdoor distribution centre at the school will have gowns available for student or family photos at the end of the school year.

If graduating students have not already done so, they should join the 2021 Grade 12 Graduates Google classroom (join code 5kxbbdv) in order to find updates on the virtual ceremony and other graduation-related information. In preparation for the video, students may be asked to participate in certain parts of the recording process in order to make this as memorable as possible. However, if permitted by Public Health Sudbury and Districts, all student involvement will be subject to PHSD guidelines.

If you have any questions regarding graduation, please do not hesitate to contact the school.

Sincerely,

C. Runciman  
Principal

Dear AP Students and Parents/Guardians:

## RE: **ADVANCED PLACEMENT (AP) EXAMINATIONS AND FINAL EVALUATIONS**

We hope that everyone is continuing to do as well as possible during these challenging times. We recognize that all families continue to face many challenges; and as we monitor this newest wave of COVID-19, from home, the health and safety of students and educators is of top priority. At this time, we would like to take the opportunity to provide you with key information and updates regarding the 2021 AP College Board examinations and final evaluations. Below is a brief synopsis of some important details:

- Given our current distance learning situations, we have made the decision to move all of our in-person examinations to the online format.
- Each course examination and final evaluation will have its own set of instructions in terms of free-answer responses, multiple choice questions, etc. Our teaching staff will continue to reach out to students in preparation for these course-specific evaluations.
- As part of the online submission process, students will be required to download the 'AP Digital Exam Application.' Our teaching staff will provide further instructions to our students with respect to downloading this program. This program also begins to identify the steps for students to take before test day, the details of the test day experience, and the processing of scores, credit and placement. Students will need to write and submit their responses within the allotted online time.
- The College Board Testing Guides continue to be released on the College Board website, which provide further information for students about the examination day process.
- AP Research and AP Seminar courses will use additional portfolio submissions. Our staff will be communicating all portfolio submission changes and details to students.
- In the coming days, our staff will be having a lunchtime session for all AP students writing their final evaluations. Students are encouraged to attend and to ask any questions about the process, content, and preparations. As always, Lockerby Composite School teaching staff continue to communicate with students regarding this year's examinations and final evaluations as well as subject-specific changes and details.

At Lockerby Composite School, the following dates and times have been set aside for writing final examinations or final evaluations:

AP Research	Tuesday, May 11 <sup>th</sup> , 2021 (oral defense date)
AP Seminar	Friday, May 14 <sup>th</sup> , 2021 (portfolio uploading deadline)
AP Research	Monday, May 17 <sup>th</sup> , 2021 (portfolio uploading deadline)
AP Computer Science 'A'	Tuesday, May 18 <sup>th</sup> , at 4:00pm
AP Seminar	Wednesday, May 26 <sup>th</sup> , at 4:00pm
AP Biology	Thursday, May 27 <sup>th</sup> , 2021 at 12:00pm
AP Psychology	Thursday, June 3 <sup>rd</sup> , 2021 at 4:00pm
AP Language and Composition	Monday, June 7 <sup>th</sup> , 2021 at 12:00pm
AP Calculus 'AB'	Wednesday, June 9 <sup>th</sup> , 2021 at 12:00pm

As usual, students' work will be scored by a network of AP College Board faculty and AP teachers, and scores will be reported on a 1 – 5 scale. The AP College Board anticipates releasing scores as close to the usual July timeframe as possible. The AP College Board has indicated that the majority of higher education institutions will continue to award college/university credit as they have in the past.

*rainbowschools.ca*

- Page 2 of 2 -

As previously mentioned, the examination and final evaluation format and questions have been designed specifically for an at-home administration. Students taking the examinations and final evaluations may not consult with any other individuals during the testing period. The AP College Board will be taking the necessary steps to protect the integrity of each examination and final evaluation administration, as they do every year. Please note, that for the small number of students who may try to gain an unfair advantage, the AP College Board has a number of comprehensive and strict set of protocols in place to prevent and detect cheating.

Know that our Viking staff has been working diligently in continuing to prepare our students for success on their 2021 AP College Board examinations and final evaluations and at this time, we would like to take the opportunity to wish all of our AP students good luck . . . we know that you will do extremely well!

Should you have any further questions or concerns about these examinations and final evaluations, please do not hesitate to reach out to our subject-specific classrooms teachers.

Your Sincerely,  
**LOCKERBY COMPOSITE SCHOOL**  
Per:

**CRAIG RUNCIMAN**  
Principal

## REMOTE LEARNING UPDATE

Please note that remote learning will continue next week (and until further notice). At this time, we are not sure when Rainbow Schools will re-open for in-person learning. After Public Health Sudbury & Districts advises that we may resume face-to-face instruction, Rainbow Schools will survey parents/guardians to determine who may wish to transfer between in-person and remote learning for the remainder of the school year.

## Public Health Sudbury & Districts COVID-19 update

**Learning together  
while safely apart**

**To families:**

**Thank you for embarking on this journey  
with an open mind and an open heart.**

## WHAT PARENTS NEED TO KNOW FOR OUR NEXT WEEK OF LEARNING...

Dan Watson, our school Social Worker, will be in contact with families over our remote learning period.

Hazel Fox-Recollet, our school Aboriginal Support Worker, will be in contact with families over our remote learning period.

Monday, May 10th

- 'Week 1 Schedule'
- LCS Birding Challenge begins

Tuesday, May 11th

- AP Research Defense

Wednesday, May 12th

Thursday, May 13th

Friday, May 14th

- Weekly Newsletter will continue to be distributed
- Last day to submit 'Who Da Baby' pictures
