

WEEKLY NEWSLETTER

Lockerby Composite School's weekly news on Viking academics, events, extra-curriculars, and more!

To all Vikings...

Have a great summer and we are looking forward to reconnecting in September!

LOCKERBY

THE SCHOOL OF SCIENCE AND TECHNOLOGY

SPRING CONCERT PANDEMIC GALLERIA

The pandemic created an interesting dilemma for the Music Department this year. Google Meet left a lot to be desired from a music perspective...the delay between each performer meant we simply could not play together. The solution? A website called Bandlab! Bandlab works similar to a recording studio where each student could record their part in their own time. Mr. Jensen first recorded a series of example tracks, sometimes with real instruments and sometimes with his keyboard or guitar. Students would then use those as the guide tracks and try to perform as close to his timing as they could. They would then export the track to Mr. Jensen and he would piece them all together in his digital audio workstation. Below, you'll get to hear the results! We hope you enjoy these performances by Mr Jensen's Grade 9 Music Class, Mr. Jensen's Grade 11 Guitar Class and finally the Junior and Senior Bands!

Grade 9 Music Class and Grade 11 Guitar Class

Lean On Me

Senior Band

Epic Venture

Junior and Senior Band Combined

Through The Eye Of The Storm
Shallow - Lady Gaga

A Fond Farewell

Mr. Jensen and the Music Department would like to bid a fond farewell to our Grade 12 band members Rebecca S., Sarah N., Lachlan K., James W., and Anthony A. We salute your dedicated service to the Music Department and wish you all the best in your graduate pursuits. Good luck next year!

*"Shoot for the moon.
Even if you miss you'll be
among the stars."*

LOCKERBY STUDENTS' COUNCIL
WISHES THE STAFF AND
STUDENTS A SAFE & HAPPY
SUMMER!

62ND ANNUAL COMMENCEMENT (CLASS OF 2021)

Further to Director Blaseg's letter, our 62nd Annual Virtual Convocation Ceremony video and Programme will be released on Friday, June 18th, 2021 at 7:00pm through the Lockerby Composite School website. Grade 12 graduating students (and close-contact household family as prescribed by Public Health Sudbury and Districts) are also invited to attend to the school on July 2nd and 5th – 6th between 8:00am and 5:00pm to pick-up their high school diploma, graduating class composite photograph, Final Report Cards and high school transcripts, (any) convocation awards, as well as a Lockerby Composite School graduation memento.

Additionally, on those days (and during those times), there will be a tent setup outside the front entrance of the school for any photographic opportunities (or in the event of inclement weather – the Main Foyer). No appointments are needed to attend and some graduation regalia will be on hand for those photographic opportunities (a gentle reminder that social distancing and COVID-19 protocols will still be in place). Our graduating students are also welcome to bring their cap for their photographic opportunities. We are looking forward to congratulating our graduates, recognizing all of their accomplishments, and wishing them well in all of their future successes!

STAFF RETIREMENTS

Ms. Hunda

Ms. Hunda began her teaching career at Confederation Secondary School in September 2005. Her passion for working with exceptional students then took her to Sudbury Secondary School, Lasalle Secondary School, and finally to Lockerby Composite School. She became Program Leader of Special Education at both Lasalle and then at Lockerby. Over the course of her career, Ms. Hunda taught Mathematics, English, Biology, and Health Care courses as well as working in IS programs. She also led the Health and Wellness SHSM at Lockerby for several years. A tireless advocate for students, Ms. Hunda was an integral part of Student Success. In addition, Ms. Hunda was part of many school teams and organizations over the course of her career including gymnastics and Lockerby's annual Kids Caring for Kids Cancer Drive. Always the life-long learner, Ms. Hunda earned her Master's degree in Interdisciplinary Health from Laurentian (2015) and her Master's degree in Psychotherapy from Yorkville University (2020). This has led her to a career as a qualifying registered psychotherapist at a local agency. We wish Ms. Hunda all the best in her new career pathway!

HAPPY SUMMER HOLIDAYS!

A message from Mr. Runciman and Mr. Lafrauniere to all students, parents/guardians, staff, and community members:

In addition to our end-of-year letter and our last two remaining teaching days (June 21st and 22nd), we know that this last school year been challenging, frustrating, confusing, and uncertain. And although we don't know exactly what September will bring (in terms of returning to 'normalcy'), we need to send out a big thank you to everyone for their ongoing patience, commitment, and resiliency, and we hope that everyone has a relaxing, fun, and safe summer holiday. We look forward to hopefully seeing all returning students in September, welcoming all new Vikings for the start of the new school year, and we wish our graduates good luck in their future endeavours!

YEAR-END HOUSEKEEPING ITEMS

It goes without saying that there have been many ebbs and flows throughout the 2020 – 2021 school year, and at this time, we would like to extend our thanks to the Viking Community for their dedication, patience, and resiliency. Having said that, and as the school year quickly comes to an end, there are a few important housekeeping items that remain:

Last Instructional Days

A reminder that the last days for classes are June 21st (Week 1 courses) and June 22nd (Week 2 courses). June 23rd – 25th and June 28th are days in which our teaching staff may be contacting students and parents/guardians to discuss the evaluation of the final culminating activities, current semester outcomes, and/or next steps for our next school year.

School Item Drop-offs

Lockerby Composite School has loaned several materials to our Vikings students this past school year. We are asking that all of these loaned items now be returned to the school. The following dates have been set aside for school item drop-offs:

June 21st – 25th and June 28th from 8:00am – 4:00pm

In order to prepare for the next school year, students are required to return items such as:

- technology (chromebooks, hotspot phones, cameras, etc.)
- textbooks
- English books
- laboratory equipment
- woodworking, auto, and technological equipment
- physical education equipment
- borrowed visual arts supplies
- musical instruments
- library books

When returning items, students are asked to come to the main set of doors for curbside drop-off. Office Staff will be on-hand to collect all materials (please follow the directional pylons when arriving at the school).

Final Report Cards

Grade 9 - 11 Report Cards will be mailed to all homes by the second week of July.

Student Timetables

Copies of student timetables for September will also be enclosed in the July Report Card mailout. Please be aware that any changes to timetables will have to wait until the last week of August, as our school will be closed until then.

To be completed by the student. This copy of the report card be kept by the student. The original or a sealed copy should be placed in the student's Ontario Student Record (OSR) file and all entries should be checked off. To download the student's OSR file, go to the Ministry of Education website: www.edu.gov.on.ca. The Ministry of Education does not accept responsibility for damage to the OSR file.

FUTURE COMMUNICATIONS

There is still much uncertainty for the start of our next school year, but the Ministry of Education has indicated that they will be releasing new information, over the summer months, to keep us all abreast of what to expect in the Fall. As this issue is our last edition of this year's Newsletter, we invite the Viking Community to stay tuned to their email, and to our social media accounts and website, as we relay periodic information regarding the start-up of the 2021 – 2022 school year.

**First day of the 2021 -2022 school year:
September 7th, 2021**

WELCOME NEWEST VIKINGS!

Thank you to all of our newest members of the Viking family, who participated in our virtual information session this past Thursday.

Additionally, and as part of the registration and welcome process, we have organized a curbside Viking t-shirt pick-up, for all new incoming students, which will occur July 7th – 8th, 2021 from 9:00am to 3:00pm (each day) at the front of the school. We are also planning on hosting our Grade 9 Orientation/Welcome Day at the end of August. We have tentatively scheduled the Orientation/Welcome Day for Tuesday, August 31st, 2021 at 10:00am pending Public Health Sudbury and District approval.

PARENT/GUARDIAN HANDBOOK

As part of School Council's Parent-Reaching-Out Grant, Lockerby Composite School was able to put together a valuable resource for all of our Parents/Guardians. The booklet itself contains information about our high school, our school culture, policies/procedures, and general details about our students' four-year educational journeys.

The digital guide can be found on our website under the 'Frequent Links' tab (School Handbook). A big thank you goes out to our School Council members that contributed to its production, and a special shout-out to Jen G., for all of her hard work in digitizing all of the information!

Parent/Guardian Handbook

A Guide to High School

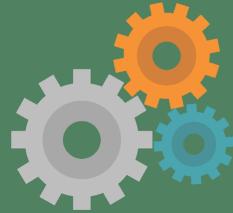

STUDENT COUNCIL - FACES OF LOCKERBY

A message from your Student Council:

Hello Vikings! This week is our editions of both our 'Faces of Lockerby' and 'Teachers of Lockerby' features! We hope you've enjoyed getting to know members of the Viking Community...see you in September!

Gr. 12 Spotlight ANTHONY D'ALOISIO

WHAT SPORTS HAVE YOU PARTICIPATED IN AT LOCKERBY?

"I have been involved in a few sports at Lockerby which include the basketball team and the Lockerby Curling Team."

WHAT HAS BEEN YOUR FAVOURITE MEMORY AS A VIKING?

"I have so many great memories at Lockerby but my favourite memory so far was curling at the Idylwylde with the team.". "

WHAT ARE YOUR PLANS FOR POST SECONDARY?

"After graduating from high school I will attend the University of Western Ontario to take part in the mechanical engineering program. I have also been accepted into the Ivey School of Business which will allow me to work towards a second degree in business. "

WHAT HAS BEEN ONE OF THE MOST VALUABLE LESSONS HIGH SCHOOL HAS TAUGHT YOU?

"One of the most valuable lessons I have learned from high school is how to work with others. Teamwork is such an important skill and the teachers at Lockerby always push students to collaborate to produce amazing things. This skill will be so helpful in university and in my career."

Tips for de-stressing during the weeks of culminating and/or exams?

"In my opinion getting outside and enjoying some fresh air is the best way to destress during exam / culminating season. Taking a quick break outdoors clears your mind and allows you to focus when you get back to studying. Personally, I like to go for a run or go on a hike with my dog."

STUDENT COUNCIL - TEACHERS OF LOCKERBY

TEACHERS OF LCS

Ms. Donato

What is your favourite thing about teaching?

"My favourite thing about teaching is getting students excited about biology, and real life biology applications. I always enjoy getting a laugh! I love looking at stuff under the microscope, and of course taking my students out on nature walks!"

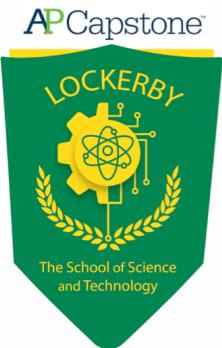

What is a fun fact about yourself?

"My interest in teaching was sparked by my job at Science North where I worked in the biosphere animal care area. I got to help raise baby flying squirrels who had been orphaned, and I had to take them home and feed them every 2 hours. They were basically my children."

What has been your favourite memory teaching at Lockerby?

"Wow, there are so many! It was pretty fun when my science class started a shrimp colony. Another favourite memory is when Mr. Beausoleil rescued the bird out of the physed bathroom and I just watched in awe. Finally, Mr. Lafraniere and I took the Environmental Council students on a birdwatching field trip around the city and we saw some pretty cool stuff!"

Lockerby Composite School Culminating Activities Schedule

June 21st and June 22nd 2021

Additional Culminating Activity Component Week 1

Course	Teacher	Date	Period (AM / PM)
MCR3U0-02	Heffern	June 21	Period 1 (AM)
MPM2D0/L-02	MacLennan	June 21	Period 1 (AM)
MPM2DL/E-01	Svalina	June 21	Period 1 (AM)
SCH3UL-02	Abols	June 21	Period 1 (AM)
MCR3UE-01	MacLennan	June 21	Period 2 (PM)
MCV4U0-01	Heffern	June 21	Period 2 (PM)
MPM1DL-02	Svalina	June 21	Period 2 (PM)

Additional Culminating Activity Component Week 2

Course	Teacher	Date	Period (AM / PM)
MPM2D0/L-03	Graham	June 22	Period 3 (AM)
MBF3C0-01	Svalina	June 22	Period 4 (PM)
MCR3U0-03	Heffern	June 22	Period 4 (PM)
MCV4U0-02	MacLennan	June 22	Period 4 (PM)
SNC2DL-02	Abols	June 22	Period 4 (PM)
SNC2DL-04	Bryson	June 22	Period 4 (PM)

GOOD LUCK VIKINGS!

LOCKERBY CUSTODIANS

Thank you!

On behalf of the Lockerby staff and students we want to recognize you for your continued support of our school initiatives.

STUDENT SERVICES

Rainbow District School Board Summer School

Registrations for Summer School are now being accepted. The program will include 3 unique opportunities for students including credit recovery and upgrading, summer cooperative education, and new credits via eLearning.

Credit Recovery and Upgrading

These courses will run in-person at Sudbury Secondary, Adult Day School. Students enrolling in these courses must have access to a computer and the internet in case of a pivot to remote learning due to local and/or provincial restrictions.

Summer Cooperative Education

Students who are interested in completing an in-person or virtual cooperative education this summer are asked to complete the Google Form that is located in Lockerby Composite's Student Services Classroom. It is important to complete the proper form as there are 2 separate forms - one for students with a placement and another form for those who wish to complete a virtual summer cooperative credit.

New Credits

Students will also have an opportunity to earn new credits this summer. These credits will be completed through an eLearning or virtual environment. A list of the summer courses can be found in the Student Services Google Classroom as well on the subsequent newsletter pages. Additionally, students must complete the Google Form which is found on the Student Services Google Classroom.

Courses will run based on sufficient enrolment so please ensure you register as soon as possible. For more information please visit the Student Services Google Classroom.

RDSB Summer Learning Program

- ★ Register by June 25 through your school guidance counsellor.
- ★ Courses run from July 5 - August 4.
- ★ Courses will run subject to sufficient enrolment and teacher availability.
- ★ Students can only register to complete one new credit course.
- ★ Students must be available to attend the full duration of the course to meet curriculum expectations. Timelines and due dates will not be adjusted to accommodate vacations.

New Credit e-Learning Courses

Students should expect to spend approximately 5 hours a day working in their course.

Each course is facilitated by a teacher who controls the timing of the course to encourage collaboration and enable effective feedback. Students do not work through the course at their own speed.

Distance Learning New Credit Co-op Courses

Grade 11	
Co-op - 1 credit	DCO 30Q
Co-op - 2 credit	DCO 30C

Credit Recovery or Upgrading Courses

Classes will take place in person at Sudbury Secondary, Adult Day School and are open to all students from both public and separate schools.

During the first seven days of the program, period 1 classes will run from 8 am to 10:30 am and period 2 classes from 10:45 am to 1:15 pm. Class times change on the eighth day until the end of Summer School and run from 8:30 am to 10:30 am and 10:45 am to 12:45 pm.

Note: Students enrolling in these courses must have access to a computer and the internet in case of a pivot to remote learning due to local and/or provincial restrictions. If the courses pivot to virtual learning then students will work 2.5 hours per day in a combination of synchronous (online video chat together as a group) and asynchronous (independently with teacher support) learning that will be determined by the teacher and communicated to the students
