

April 2, 2022

Dear Esteemed Community Leader,

Staff and students at **Lockerby Composite School**, in partnership with the **Northern Cancer Foundation**, are excited to continue a meaningful tradition of raising money for pediatrics at the Northeast Cancer Centre in our school and community.

During the month of April, students from Lockerby Composite School will be collecting monetary donations from families and residents residing in the City of Greater Sudbury for Lockerby's 25th annual **Kids Caring for Kids Cancer Drive**. We know that by working together, we can continue to make an impact in the lives of children and their families living with cancer within our community. Our goal is to engage our school and our community in an effort to promote collaboration, compassion, and citizenship.

If you would like to donate to Lockerby's Kids Caring for Kids Cancer Drive, you may drop off or mail checks to Lockerby Composite School. Please make checks payable to **Lockerby Composite School** or the **Northern Cancer Foundation**. You may also call the school and we will gladly pick it up from your business. You may donate online as well at the Northern Cancer Foundation's website: <https://www.ncfsudbury.com>. Please direct the funds to Lockerby's Kids Caring for Kids Cancer Drive.

Remember that all money raised here stays here. Further information may be found through Lockerby's Instagram account: @lscancerdrive.

We have also included an option for those who wish to become **Cancer Conquerors** on the back of this page. This donation program provides three levels of donation, which will be reciprocated with a promotional package for the donors. Again, this promotional opportunity is solely optional, as we will accept any donation that is given. Listed on the backside are the available donation options and corresponding bundles available for the donor to consider.

Cancer Conqueror Sponsorship Packages:
