Lockerby Composite School's weekly news on Viking academics, events, extra-curriculars, and more!

## TOPOGRAPHIC MAPS

Viking geographers were hard at work this week creating topographic maps that will be part of their future adventure race course. Students have been studying landforms and other physical features that will culminate in developing the ideal course for extreme athletes. One aspect of this project will be the ability to create a topographical map with contour lines that are applicable to an actual adventure trail race.

## HEALTHY ACTIVE LIVING - GRADE 9

Our Grade 9 Healthy Active Living classes took advantage of the beautiful weather to trek over to the skating path on Ramsey Lake on Thursday morning. The sun was warm, the ice was smooth, and the wind was always at our backs!

## BIOLOGY - GENETICS

This week in Grade 11 STEP biology, students wrapped-up their genetics unit by examining the impact of environmental pressure on allele frequencies. Specifically, students drew pairs of beans out of a cup to mimic the random combining of traits during fertilization. Marked beans represented sickle cell anemia, and unmarked ones were not impacted. Things got a bit more complicated, because each 'child' produced by random traits was then exposed to malaria. This was represented by a coin toss, and students quickly realized that sickle cell anemia frequency seemed to increase when the threat of malaria infection was present in their population. Students described the impact of selective pressures on trait frequency, and ultimately the role that these pressures play in evolution.

## PARENT-TEACHER INTERVIEWS

Please note that Interim Report Cards for all classes will be distributed on Thursday, March 24th, 2022.

Our Parent/Guardian-Teacher Interviews have been scheduled for Thursday, March 31st, 2022 from 3:00pm - 6:00pm. This year's Parent/guardian-Teacher interviews will once again be by Google Meet (online) or by telephone appointment. Please note that due to the volume of scheduled appointments, we will be adhering to each conference's allotted time. Upon our return from the March Break, parents/guardians will be invited to visit our website at [lockerby.rainbowschools.ca](http://lockerby.rainbowschools.ca) to sign-up for interviews.

## MASKED DJ

The latest reveal of Lockerby's Masked DJ happened this past Tuesday! Last week's Masked DJ was...Mr. Gieselamn! This week, we heard songs from James Blunt, Rascal Flatts, and Tom Petty! Who could this week's Masked DJ be?

## MARCH BREAK (2022)

A message from Mr. Runciman and Mr. Lafraniere to all students, parents/guardians, staff, and community members:

We would like to wish everyone a restful, safe, and happy March Break to all of our Viking family members.

## SCAVENGER HUNT

On Thursday, our Student Council hosted a St. Patrick's Spring Scavenger Hunt. Staff and students were invited to hunt for hidden leprechauns around the school!

## VIKING ATHLETICS UPDATE

### Curling

A big congratulations goes out to our Vikings Curling team. Our curlers lost a close SDSSAA City Championship finals match to Lo-Ellen Park and took home silver medals. It was a great season overall. Go Vikings Curling!

### Basketball

Our Junior Boys Basketball team competed at the NOSSA regional championships on Tuesday. Despite some excellent play, the team fell just short of the Finals. A big congratulations goes out to all of the players, coaches, and fans for a wonderful season!

On Wednesday, our Senior Boys Basketball team played in the Division II Semi-Finals against Lively Secondary School. Despite being an extremely close battle, our Vikings lost 40 - 39.

## VIKING ATHLETICS UPDATE

### Volleyball

Our Junior Girls Volleyball team played in the NOSSA regional championships this week in Espanola. Our team was able to take home silver medals! A big congratulations on a wonderful season!

### Hockey

This season our Hockey team had various COVID pauses, postponed games, and tough back to backs. However, despite all of these ebbs and flows, the team still managed to scratch and claw their way into the Division 2 Tier 2 Championship game against Champlain Secondary School. During the final game our team persevered and battled hard. At 2:15 into the third period, Travis A. received a pass from Callum B. and rushed in from the blueline, along the boards and behind the net. From there, he was able to power his way around the back of the net and score on a wrap around. This goal was huge for our Vikings, as it brought the score to 2-1 and got the team back into the game. Unfortunately, despite the strong play from MVP goalie, Josh S., the team was unable to tie-up the game, and suffered a loss. All of the coaches; Mr. MacLellan, Ms. Heffern, Mr. Baskcomb, Ms. Babcock, and Casimir, are extremely proud of what our Vikings were able to accomplish over the course of the hockey season. To our graduating players, Connor H. (Captain), Josh S., and Travis Annett (Assistant captain) thank you for your leadership.

### Individual Awards:

- Callum B. wins the Art Ross (Points Leader)
- Connor H. and Callum B. share the Rocket Richard Trophy (Goals Leader)
- Travis A. wins the Jack Norris Trophy (Best Defenceman)
- Josh S. wins the Vezina (Top Goaltender)

Connor H. (Captain), Travis A. (Assistant Captain), Jack A. (Assistant Captain), Josh S., Luca G., Owen M., Harper B., Brady B., Michael W., James B., Joe F., Callum B., Dylan D., Aiden P., Ben B., Zach M., and Chase T.-B.

## VIKING ATHLETICS UPDATE

### Sports on Deck

# STUDENT COUNCIL - FACES OF LOCKERBY

## A message from your Student Council:

Hello Vikings! During our second semester, we will continue to post photos of Lockerby students and staff, and will continue to share their stories, experiences, and insights. Through this project, we aim to foster compassion, understanding, and school spirit with our Lockerby Community! Please reach out to Student Council members if you're interested (or know of someone who may be interested) to be featured!

## Faces of Lockerby Teacher Spotlight: Ms. McNair

### How long have you been teaching at Lockerby?

I taught at Lockerby as an LTO teacher in 2018 and part of 2019. I returned to Lockerby in January 2020 as a permanent teacher and have been here for the last two years!

### Do you coach any sports? If so, which ones?

I helped Mr. Beausoleil coach Jr. Boys' volleyball (until I injured myself). I typically help out with track season and am looking forward to coaching more during next year's volleyball season.

### If you could have one superpower, what would it be?

If I could have one superpower, it would be to teleport.

### What advice would you give your high school self?

I would tell my high school self that things that you think are the end of the world right now, aren't, so don't give them more importance than they deserve.

**RE: UPDATE ON COVID-19 HEALTH AND SAFETY MEASURES  
AS DIRECTED BY THE MINISTRY OF EDUCATION**

Dear Parents/Guardians:

The Chief Medical Officer of Health for Ontario has announced that most COVID-19 health and safety measures in schools will end on Monday, March 21, 2022 - the first day of school following the March Break. This will align schools with the broader community.

There will be no mandatory masking, cohorting, distancing and confirmation of screening. Gatherings, such as in-person graduations, will be permitted once again. Schools will also re-open for visitors who must pass the school screening tool prior to entry.

**IMPORTANT:**

Before leaving home, students are still required to screen for COVID-19 daily using the [COVID-19 school and child care screening tool](#). There is a link on [rainbowschools.ca](http://rainbowschools.ca).

The online screening tool reflects the most current guidance. Recent changes include isolation requirements when a household member has symptoms or has tested positive for COVID-19. There is also updated guidance related to travel. When completing the screener, please scroll down and follow the directions outlined below the results banner.

**If you are sick, stay home.  
If you are well, come to school.  
When in doubt, wait it out.**

While masking will no longer be mandatory in the community, on school buses, and in elementary and secondary schools, staff, students and families may wear a mask should they choose to do so. Individuals should assess their situation to determine what is best for their own circumstance.

**Personal choice to wear a mask or not wear a mask will be respected and supported.**

Schools will continue to have Ministry issued masks available for students for the remainder of the school year. Staff will also have access to masks.

408 Wembley Drive, Sudbury, Ontario P3E 1P2 | Tel: 705.674.3171 | Toll Free: 1.888.421.2661 | [rainbowschools.ca](http://rainbowschools.ca)

Hand hygiene, respiratory etiquette, ventilation and enhanced cleaning and disinfecting remain in place. Schools will also continue to report student and staff absences to the Ministry of Education until at least April 14, 2022. This data is published online at [ontario.ca](http://ontario.ca).

Rapid Antigen Test (RAT) kits will be provided in accordance with provincial guidance. Students with COVID-19 symptoms can return to school after two negative RATs 24 hours apart and no symptoms for 24 hours (48 hours for nausea, vomiting, and/or diarrhea.)

Friday, March 11, 2022 is a Professional Activity Day for staff, which will give students an early start to the March Break from March 14 to 18, 2022.

At home or abroad, please continue to follow health and safety measures.

For local guidance, visit [Public Health Sudbury & Districts](#).

For families who travel out of the country, the Government of Canada has guidance, travel advisories and resources at [COVID-19 and International Travel](#).

On behalf of all Rainbow Schools, we appreciate your ongoing support.

Let's continue to be kind and considerate as we respect personal choice when school resumes on Monday, March 21, 2022.

While masking will no longer be required, remember that screening for COVID-19 before leaving home for school will continue.

Please complete the screener daily, scroll down and follow the guidance.  
Please stay home when you are sick.

I would like to wish all of our students and families a healthy and happy March Break. Whether you participate in indoor activities or go outside to enjoy fresh air, have fun.

Sincerely,

A handwritten signature in blue ink, appearing to read "B. Bourget".

Bruce Bourget  
Director of Education
