KIDS CARING FOR KIDS CANCER DRIVE - 2022

Vikings, next week is officially the last week of Cancer Drive month and we are so excited to see how our Viking Community has come together once again to raise money for our amazing cause! We have been hard at work in recent weeks organizing events and fundraisers to help raise awareness and collect donations to go towards this year's total. We are so close to reaching our goal of one million dollars raised over the last 27 years of Cancer Drive and we are only \$14,000 short of this milestone. We have high hopes for this year's Cancer Drive. To put that into perspective, if each student within our school brought in just \$30 dollars, we could achieve our goal. So, please make a donation to this wonderful cause. All donations must be returned by Thursday, April 28th, 2022. Members of the Cancer Drive Committee will come to your homerooms that morning to collect your pledges. Of course, everyone is invited to wear their Cancer Drive sweatshirts on Thursday, April 28th, 2022.

Not only is Cancer Drive an incredible reason in itself for you to raise money for our community, but the student who raises the most money will receive our top prize of brand new AirPods, valued at \$180. The homeroom that cumulatively raises the most money will win a pizza and cake lunch party with refreshments provided by your Cancer Drive Committee. We appreciate every student, staff member, and community member's contribution and participation.

Another way you could contribute is with the purchase of this year's Cancer Drive Sweater. They remain on sale for \$40 through School Cash Online. Once ordered, sweaters will be delivered to you in your homerooms within a couple of days of placing the order. We only have a limited number of sweaters left, so be sure to order yours as soon as possible to ensure you receive one!

BUILDING ELECTRIC CIRCUITS

Students in Grade 9 STEP Science were busy building electric circuits this week to learn about the differences between series and parallel circuits and the advantages of each type of circuit!

Our Grade 9 and 10 Healthy Active Living students celebrated fun Friday with Casimir H., Lockerby alumnus, who completed his post-secondary co-operative placement on Friday. Casimir has spent the past 15 weeks supporting students in the weight room, classroom and gymnasium. Although he will be sadly missed, he promises to come back to help coach our pole vault team this spring!

The latest reveal of Lockerby's Masked DJ happened this past Monday! Last week's Masked DJ was Mr. Graham! This week, we heard songs from the Indigo Girls, Jack Johnson, and Justin Bieber! Who could this week's Masked DJ be?

Attention all Students, Parents/Guardians, and Viking Community:

Please note that all Semester 2 Midterm Report Cards will be given to students (in their homeroom classes) on Friday, April 29th, 2022. Students without homerooms will be asked to visit the Main Office to pick-up their Report Cards.

EARTH DAY 2022

The Viking Community celebrated Earth Day this past Friday! Lockerby's very own Environmental Council hosted a viewing of the Lorax, a Bake Sale and gave away free Earth Day inspired treats and reusable straws for all! Students were also very generous in donating funds to the David Suzuki Foundation in support of local environmental causes!

VIKING ATHLETICS UPDATE

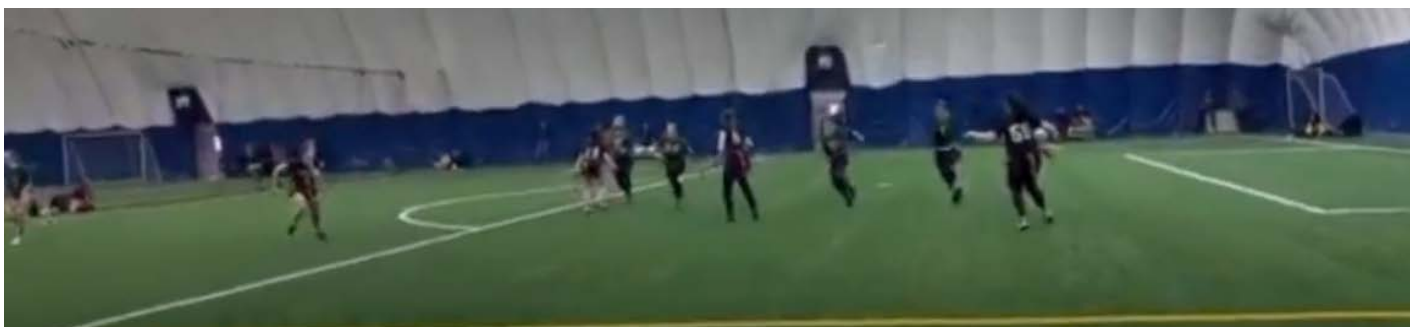

Soccer

Congratulations to both of our soccer teams who took on Horizon Secondary School in their first games of the season on Wednesday! Our Boys Soccer team tied drew a 2 - 2 score, with goals scored by Tatum O. in the first half and by Konrad S.-H. with a penalty kick in the second half. We have been informed that our school cafeteria will not be able to reopen until Monday, May 9th, 2022, as a result of a staff shortage. In the meantime, we ask that students bring lunch items that do not need to be warmed-up as there is no microwave in that location.
