## CANCER DRIVE ASSEMBLY 2022

Today marked our 27th annual Kids Caring for Kids Cancer Drive Motivational Assembly. It was very exciting to be able to hold this important event in-person (after a COVID-19 hiatus). The energy in the Auditorium was tangible as students heard from guest speakers: Yolanda Thibeaut, Pina Cotesta and Kris Cacciotti. Not only did students learn about the important history behind Lockerby's Cancer Drive, but they also got to watch teacher team skits performed to encourage students to sign-up to participate in the canvassing efforts on Cancer Drive night (Thursday, October 27th, 2022). There was a great rush to join teams at the end of the assembly: amazing spirit, Vikings! Kudos go out to our Cancer Drive Committee for putting on a well organized, exciting, and motivating assembly!

## LITERACY TEST (2022)

The OSSLT Literacy Test is a graduation requirement administered by the Education Quality and Accountability Office (EQAO). The test assesses the reading and writing skills that students are expected to have learned in all subjects by the end of Grade 9, as outlined in The Ontario Curriculum.

Students who successfully pass the November OSSLT will obtain their graduation requirement and will not be required to write the test again. Students who are unsuccessful will have the options of taking a course in Summer School or signing up for the Ontario Literacy Course being offered at Lockerby Composite School during the 2023 - 2024 school year.

This year, our Grade 10 students will write the electronic version of the OSSLT the week of November 14th - 18th, 2022. They will also participate in a practice diagnostics in their Period 1 classes on Thursday, October 13th, 2022. All other regular scheduled classes will be running as usual. Students will also receive intensive support during their Day 1 Period classes as well as the opportunity to attend Tuesday's lunchtime and virtual workshops. Students with an IEP will have a meeting with Ms. Baggs after the diagnostic to review the accommodation available to them for the OSSLT. If you have any questions or concerns please contact Ms. Baggs, Program Leader of Literacy, by email: [baggs@rainbowschools.ca](mailto:baggs@rainbowschools.ca) or phone: 705-522-1750 ext. 6513.
