Lockerby Composite School's weekly news on Viking academics, events, extra-curriculars, and more!

AP CAPSTONE - SEMINAR

AP Seminar students have been hard at work synthesizing ideas! They have each answered a research question from a specific academic lens in independent research essays, and now they are busy collaborating in order to argue for a common solution to that research question. The group pictured is focused on how to reduce violence against women.

TWELVE DAYS OF HOLIDAYS!

Lockerby students and staff have been participating in the countdown to the 2-week break! During the countdown, we've celebrated Whiteout Day, Festive Twin Day, Wrapping-Day, and Flannel Day, Socks and Slippers Day, and Holiday Headgear Day! Way to go Vikings!

PIC•COLLAGE

LA CUISINE FRANÇAISE

Not only are our Grade 11 French Immersion students able to show their skills in the classroom, they are also able to make an impressive traditional French crepe in the kitchen!

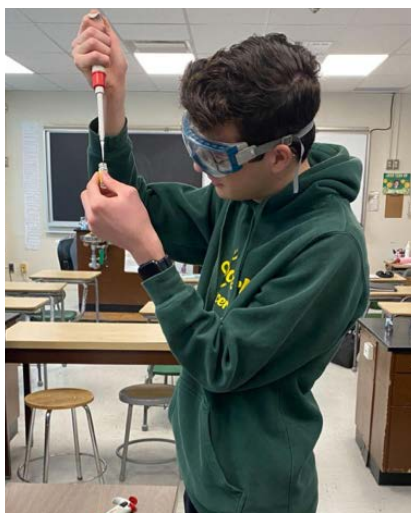

EDGAR BURTON FOOD DRIVE 2022

Lockerby Student Council hosted a movie buy-in for our student body in order to raise money towards this year's food drive. Thanks to our generous students we raised \$353.00.

GRADE 12 AP BIOLOGY

AP Biology students completed their bacterial transformation laboratory. In this procedure, students applied biotechnology tools to genetically modify bacteria. That's right, they inserted novel DNA into bacteria cells! We are still waiting for our results, and if the procedure was successful, the new bacteria will glow in the dark! The procedure used by our Viking Biologists is similar to the one used to insert insulin coding plasmids into bacteria, which results in insulin production in a laboratory setting.

This week, students in AP Biology also wrapped-up their stimulus - response investigation, where they examined the response of terrestrial isopods to environmental changes. This mandatory Advanced Placement laboratory is surprisingly complex, because students have to research the habits and preferences of isopods, and plan a well controlled investigation.

GRADE 12 KINESIOLOGY

Students in Grade 12 Kinesiology learned about facial muscles by creating their own model to use as a study tool!

THIS WEEK IN VIKING ATHLETICS...

Swimming

The Lockerby swimmers competed in their second mini-meet of the season on Friday at the Howard Armstrong Pool! Stay tuned for results in next week's newsletter, but we know that we've now advanced to SDSSAA City Championships on January 13th. Go Vikings!

**Do our
swimmers
also play
water polo?**

Volleyball

In Junior and Senior Girls Volleyball action, both our teams played St. Charles College this week. Although our juniors weren't able to come out as the winners, our seniors won in three-straight sets.

Curling

A big congratulations goes out to our curling team who defeated Notre Dame College 7 - 3 this week in regular season play...that's a 3-game win streak...well done!

THIS WEEK IN VIKING ATHLETICS...

Basketball

Congratulations goes out to our Junior Boys Basketball team. Our b-ballers faced-off against Horizon Secondary School on Thursday night and took home the 64 - 57 victory! Our Senior Boys played a great game, but came-up just short, losing by a score of 56 - 52.

Basketball

On Monday this week, our Boys Hockey team played Horizon Secondary School. Despite not getting the victory, they were able to bounce-back on Wednesday and secured the 7 - 1 win against Lively Secondary School!

STUDENT SERVICES

Grade 12 Information

College and University Applications

Many of our students have already completed and paid for their applications to post-secondary institutions. This message is a reminder that the applications have specific deadlines; it is essential for students to meet these deadlines in order to be considered for their chosen program. It is also important to note that the institutions will not receive any information until applications have been paid. Early conditional offers are starting to be provided to our students. To be considered for this first-round of offers, students must complete and pay for their application prior to the Holiday Break.

University Deadline: Thursday, January 12th, 2023 (\$156.00 fee for 3 programs)

College Deadline: Wednesday, February 1st, 2023 (\$110.00 fee for 5 programs)

Additional information for college applications can be accessed through OCAS (Ontario College Application Service). There, students can research various colleges programs throughout Ontario as well as complete their applications at - <https://www.ontariocolleges.ca/en/>

Additional information for university applications can be accessed through OUAC (Ontario University Application Centre). There, students can research various university programs throughout Ontario as well as complete their applications at - <http://www.ouac.on.ca>
