BURNING CALORIES

This week, students in Grade 12 Chemistry performed an experiment to determine the calories found in common snack foods! They burned the snack food and measured the amount of heat transferred to the water in a can. From there, they were able to use the data to calculate the number of calories found in the burned snack food.

FIRST NATIONS CULTURES

This week, Grade 11 First Nations, Métis, and Inuit Voices students learned about the significance of tobacco ties to first nations cultures. They learned how to properly prepare and give those ties when faced with a problem. A special thanks goes to Lockerby's indigenous support worker, Ms. Squires, for helping our class out!

LOCKERBY ARTISTS

Before the COVID-19 pandemic hit, the Art Gallery of Sudbury (AGS) held an annual art show to celebrate student art from high schools across the city. The last scheduled show was cancelled when the pandemic initiated the first lockdown in 2020. 2023 marks the first year since then that the AGS is hosting their Emergence Exhibit to showcase student artists in Sudbury. Twenty-seven Lockerby artists were chosen for this juried art show, with seventeen individual works and three group projects! The opening reception for this exhibit will take place on March 30th and will run until May 7th. Drop by the gallery to check out their work!

MUSICAL MADNESS!

Good luck to our Viking musicians who have an upcoming busy week! On Monday, students will be participating in the Sudbury Music Festival and on Thursday, our students will be competing in the Northern Ontario Music Festival!

Dear Viking Community:

RE: PROGRESS REPORTS AND PARENT/GUARDIAN-TEACHER INTERVIEWS

As we move closer to the halfway point of our second semester, Lockerby Composite School would like to take the time to provide you with information regarding the distribution of subject Progress Reports and Parent/Guardian-Teacher Interviews.

Please be advised that **Progress Reports for all classes will be distributed on Thursday, March 23, 2023.**

Subsequently, all Parent/Guardian-Teacher Interviews will be occurring in-person on Wednesday, March 29, 2023 from 3:00pm – 6:00pm. In order to sign-up for an interview, parents/guardians will be required to visit our school website (lockerby.rainbowschools.ca) and click on the sign-up link in our banner as well as in our 'Frequent Links' section. The sign-up link will be available from March 23rd – 26th, 2023. When visiting our website to sign-up for an interview, parents/guardians will be asked to follow these steps:

1. Have the names of your student's teachers ready;
2. Use the tabs at the top of the sign-up page to locate each teacher that you wish to meet and click on the appropriate teacher tab;
3. Within each teacher tab, you will be asked to select an available time (if there aren't any times that work for you, or if you require a lengthier discussion, parents/guardians are asked to please contact their student's teacher to setup an alternate meeting). **Having said that, please note that interviews will be 5 minutes in length (as indicated in each tab).**
4. On the evening of Parent/Guardian-Teacher Interviews, parents/guardians are invited to attend to the school through the Main Entrance. Once in the Main Foyer, there will be students available to assist in navigating the school to get to teacher meeting rooms. Maps of the school and teacher meeting room lists will also be provided.
5. A reminder to parents/guardians that the Progress Report is an early estimation of progress, and this initial meeting facilitates further parent/guardian-teacher communication throughout the semester. Again, to accommodate as many parents/guardians as possible, we have created 5-minute timeslots and we are asking that both parties adhere to the times allotted.

This information is also available through our school website. As always, thank you for your ongoing support, and we look forward to connecting with you.

Sincerely,
LOCKERBY COMPOSITE SCHOOL
