## GRADE 12 KINESIOLOGY

Over the past week, students in Ms. Augenstein's Grade 12 Kinesiology class applied their understanding of the skeletal system and used their understanding of anatomical terminology to create and present models of human joints. Additionally, they had the valuable opportunity to expand their knowledge of the body through a presentation by Dr. St. Martin, who shared his expertise on the Fascia System.

## SPYCRAFT 101: SECRETS, DISGUISES, SHENANIGANS

Ms. Caddel's Grade 10 Canadian History class donned hats and disguises as they pretend to be spies at Camp X and learn about code-breaking! History class becomes a cloak-and-dagger adventure, where espionage isn't just studied - it's lived.

## VIKING MUSICIANS IN CHICAGO

### Dear Lockerby Music Families:

As we gear up for our thrilling trip to Chicago in 2025, we want to keep you informed about important details regarding payments, fundraising opportunities, and FAQs. This adventure promises to be a memorable experience filled with music, culture, and fun!

The total cost for the trip is \$1,285. To make this manageable, we have established a payment schedule with payments due in November, January, and February. If your student is attending the trip, families are reminded to please ensure that payments are made on time to secure your spot for this exciting journey! We will be using Brightspark Tour Company as our trip provider. In terms of fundraising, we would like to have orders in by Monday, November 18th, 2024, so we have time to order the product in. To help offset the cost of the trip, we will be starting with two types of chocolate fundraisers. Initial payment of product will occur through School Cash Online (please email [jensenm@rainbowschools.ca](mailto:jensenm@rainbowschools.ca) to be added to the list - if interested).

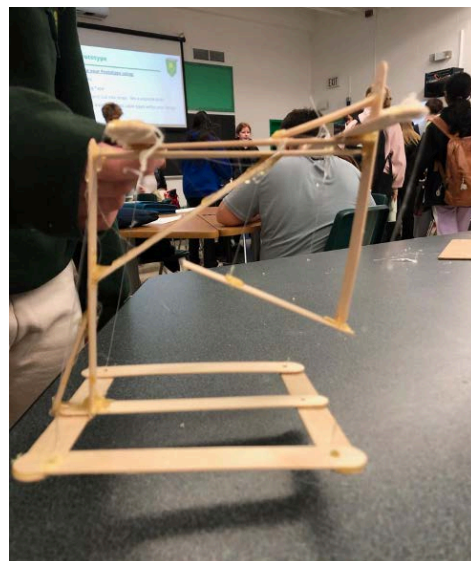

Lastly - we now have a 'Music Trip to Chicago Google Classroom!' Within, you will find useful information such as border and passport requirements, Visa information for students with citizenship from a nation other than Canada, the itinerary for our trip, and the permission forms to be signed and returned. In addition to that you'll find our slideshow created for our virtual parent meeting from last week.

## TENSEGRITY

STEP Integration Days continue, as our Grade 9 students work on building their STEP skills toolkit. This week, our Grade 9 students explored the world of architecture - brainstorming, prototyping, and redesigning tiered structures supported by tensioned materials!

## LOCKERBY REMEMBERS

This year, our entire school marked Indigenous Veterans Day (November 8th) and Remembrance Day (November 11th) with readings, the playing of 'The Last Post,' 'Reveille,' and 'O Canada' before 11:00am. Our school community's Remembrance Day display was up to commemorate all those who lost their lives and who served.

Dear parent and guardian:

### Re: Vaccines required for school attendance

Public Health Sudbury & Districts (Public Health) collects and maintains up to date immunization records for every student in our service area, as required by the [Immunization of School Pupils Act](#) (ISPA). Students who are not up to date with their immunizations or do not have a valid exemption may face suspension from school. Starting in January 2025, Public Health will begin checking student immunization records. If any information is missing for your child, Public Health will contact you.

### What do parents/guardians need to do?

- Be proactive and check to make sure your child's immunization record is up to date. If you are unsure, you can ask your health care provider or check online at [sdhu.icon.ehealthontario.ca](https://sdhu.icon.ehealthontario.ca).
- Book an appointment with your health care provider if your child is overdue for any vaccines. If you do not have a health care provider, please contact Public Health.
- Report any vaccines your child has received from a health care provider, so their record stays up to date. Health care providers do not always notify Public Health when they administer a vaccine. Note: vaccines received at a school clinic do not need to be reported to Public Health.

### Immunization records required to attend school in Ontario

Children who follow the [routine childhood immunization schedule](#) will get all the vaccines they need, at the right times, to attend school. Students in elementary and secondary schools must have either proof of immunization for the following diseases, or documentation of an exemption for any vaccine not received:
