PROVINCIAL OFSAA SKIING CHAMPIONS!

Thursday and Friday at Kivi Park, the 2025 OFSAA Provincial Nordic Skiing Championship took place and seven hard-working Vikings took on over 600 skiers across the province. In the Senior High School Division 7km race, Misaki finished 12th, Lea 37th, and Isaac 38th out of a field of over 100. In the Junior Boys 5km Race, Gord, Ewan, Cam, and Eden all placed in the top 20 out of over 150 skiers with Gord, Ewan, and Cameron sweeping the High School division podium! That's OFSAA individual Gold, Silver, and Bronze medals! In addition, the Junior Boys Team won the Championship banner! Way to go! The team followed-up their team banner with silver medals in the Relay Event as well! Amazing work! The Viking Community is very proud of our Nordic Skiers!

STUDENT VOTE 2025

Lockerby students will participate in the parallel provincial election on Tuesday, February 25th, 2025. This hands-on learning program empowers students to experience the voting process firsthand and cast ballots for the official candidates running in the election. Lockerby Composite is situated in the Sudbury Riding and students will be voting for one of the six Sudbury Riding candidates. Results of our in school vote will be announced on Friday, February 28th, 2025.

WINTER ECOLOGY

On Friday, members of Lockerby's Environmental Council went to Lake Laurentian Conservation Area to examine animal tracks, to study some winter ecology topics, and to identify both coniferous and deciduous flora, with local Sudbury expert, Dr. Courtin. By the end of the day, our Viking environmentalists were able to spot animal track size, track patterns, and understand snow formations found in the area!
