VIKINGS VOLLEYBALL

A big congratulations goes out to the Senior Boys Volleyball team who won the NOSSA Regional Championships last week! Everyone played exceptionally well during the tournament en route to defeating Espanola High School in the Finals in a very close 3 - 1 victory! The team has just finished the Round Robin of the OFSAA Provincial Championships and will play Port Perry High School on Friday evening at 6:30pm. To watch the game, please click on the Youtube logo in the image above! Good luck Vikings!

TENSEGRITY

STEP Integration Days continued this week, as our Grade 9 students continued explore the world of architecture and engineering - brainstorming, prototyping, and redesigning tiered structures supported by tensioned materials! From laser cutters, to drills, to glue guns, to nuts and bolts, students were able to use any and every material at their disposal!

TICK-TOCK

Some of our Grade 9 STEP students are wrapping-up their woodworking unit and are excited to bring home the wall clocks they designed and built in our woodshop! Throughout this project, students learned to safely and confidently operate a variety of woodworking machines and tools. They also had the opportunity to personalize their clocks with custom engraving using our laser engraver. We're proud of their hard work, creativity, and the skills they've developed during this hands-on unit!

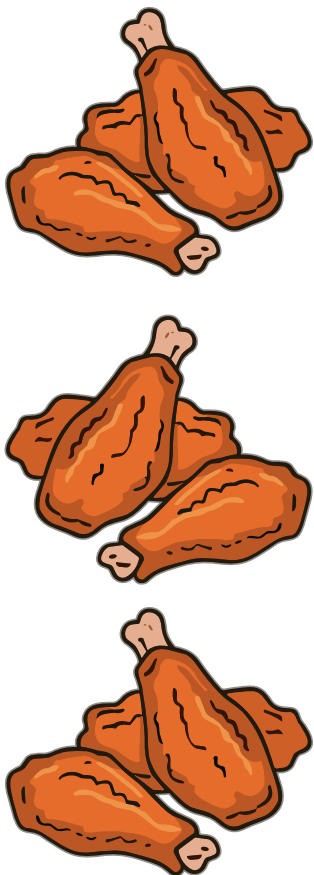

LOCKERBY SHSM STUDENTS VISIT LOCKERBY MINE

Students in our Minig Engineering Specialist High Skills Major (SHSM) spent the day with the professionals from the Ministry of Energy and Mines learning how they support mine development in the province of Ontario by building relationships with first nations communities, inspecting historical abandoned mines, and ensuring compliance with current and closed mining operations.

Money can also be donated by clicking the adjacent link or by scanning the QR Code. Thank you for considering the great cause as the holidays approach!

DAILY ATTENDANCE

In order to make it a little easier when calling-in your student's absence, Lockerby Composite School has an email address to report a daily absence. If not calling-in an absence at 705-522-1750, we invite the Viking Community to please use the following daily attendance reporting email address:

lockerby_attend_s@rainbowschools.ca

Again, you may still call-in an absence, if you prefer, but this email will reach both administrative assistants in the Main Office should a student be missing the school day.

Additionally, we would like to take the opportunity to remind everyone that the start of our school day begins with our first bell being rung at 8:15am. As such, we ask that all students arrive and/or get dropped-off to our school prior to 8:10am. If a student is going to be late to classes, we kindly ask that parent/guardians report the absence to our Main Office staff.

Thank you for your ongoing support!
