## FUN IN GRADE 9 FRENCH

They worked on grammar rules by using the 'imparfait' tense to describe scenery and atmosphere, and they all created art pieces to represent their work visually. Bravo, les élèves!

## GRADE 12 KINESIOLOGY

Over the past several weeks, Grade 12 Kinesiology students applied their understanding of the skeletal system through an engaging, hands-on learning experience. Using their knowledge of anatomical terminology, they designed and presented models of human joints, demonstrating how different structures of the body work together to move. Students also examined scientific models of the human skeleton and compared these to their own models!

## A message from Rainbow District School Board (and Lockerby Composite School)

Dear Parents/Guardians:

Rainbow District School Board is pleased to share that you can now purchase lunch for your child in any high school Chartwells Servery (including Lockerby Composite School) through SchoolCash Online. There are two options for your convenience.

### Option 1

Pre-order and pay for a meal by the end of the current month for the following month (example: order by April 30, 2026 for May 2026). Meals are available on Mondays and Fridays based on a set menu for each week. Your child's meal will be ready for pick up in the cafeteria on the designated day. Chartwells is offering healthy options, with a focus on vegetables and protein. Best part - you can customize the order. No onions. No problem. You will have the option to remove them when you pre-order through SchoolCash Online. The order will be prepared and labelled for your child, so they do not have to wait in line. Important - If your child is absent on the day of the pre-ordered meal, it cannot be cancelled or reimbursed.

### Option 2

Get a ZipThru card in the Cafeteria Servery and load it with money for lunch through SchoolCash Online. Your child will move through the cafeteria line quickly. Best part - no need to carry a credit card or cash.
