

THE VIKING VOICE

- Originally Established -
- 1996 -

Lockerby Composite School's weekly newsletter for Viking academics, athletics, extra-curriculurs, and events!

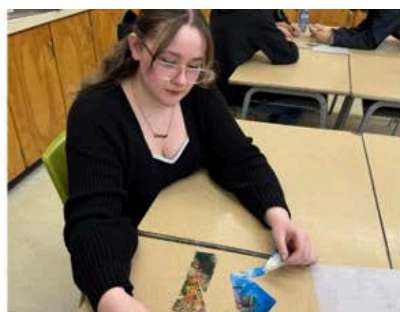

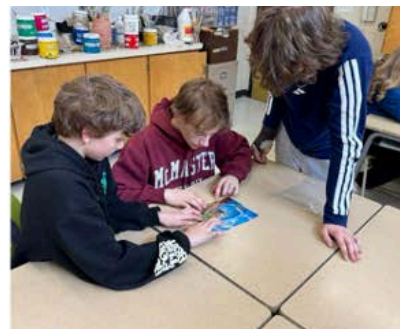

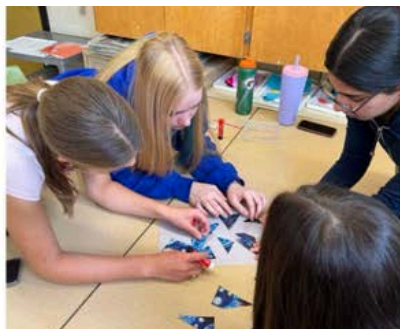

LCS GREENCOATS MEET SN BLUECOATS

Supported by the Science North Bluecoats around the science centre on Tuesday, more than 100 Lockerby Grade 10 STEP 'Greencoats' mentored over 150 Grade 8 students from Rainbow Schools. It was a great day, where Vikings learned how to teach and communicate science to a younger audience, as they took over Science North. The Lockerby 'Greencoats' were tasked last week to build a scavenger hunt and tour narrative (across all Science North floors) that was engaging, age appropriate and interactive for young scientists from Alexander Public School, Copper Cliff Public School, MacLeod Public School, and Princess Anne Public School. Science Rules!

ART CRITIQUE PUZZLES

Last week in Visual Art, Grade 9 students kicked-off their art critique study with a jigsaw competition. Afterwards, they identified elements and principles that tied particular artists together before trying an art critique of their own. Well done Grade 9s!

THE VIKING ECO-CREVICE!

Our Senior Constructions classes (led by Mr. Christie) have been hard at work building picnic tables and seating for Lockerby's "Eco-Crevice" (unveiling coming soon)! Mr. Lafraniere was also super excited about the Owl Houses that the classes built as well!

KINESIOLOGY CLASS

This week, our Grade 12 Kinesiology students applied their knowledge of movement mechanics to learn juggling through a clear, step-by-step progression. By gradually increasing the difficulty and paying attention to how each component of the movement functions, they strengthened their coordination, refined their technique, and developed a complex motor skill through purposeful practice and continuous skill analysis!

LOCKERBY ARCHITECTURE

This week in Architecture, students wrapped-up their interior design projects where they designed a room for a client using a chosen design style and the digital program Homestyler.

BIG BANG THEORY!

On Friday, Grade 9 Science students learned about The Big Bang Theory by investigating how the universe expands with a balloon!

STOCK MARKET CHALLENGE

Several Vikings had a strong showing in this year's six-week Cambrian College Stock Market Challenge, competing against 13 schools from across the region! Lockerby captured two of the six weekly wins and finished an impressive 2nd overall in the competition! Earlier this week, students Maili J. and Ganesh B. were recognized for their weekly victories! Each student received a certificate from Cambrian College along with a \$25 Amazon gift card. Congratulations to Ganesh and Maili on an outstanding achievement!

LOCKERBY STAFF RECOGNIZED

Rainbow District School Board recognized its schools, employees, and community partners on Tuesday with the presentation of educational awards. Lockerby Composite School staff and students also want to take the time to acknowledge and thank (among others) some of our own Vikings who were recognized: Mr. Abols, Ms. Caddel, and Ms. Svalina (Years of Service Award). Thank you for being wonderful educational ambassadors, proud Vikings, and supporters of our school and community!

STUDENTS EXPLORE BUSINESS AND LEVEL-UP!

Students from our Grade 11 Accounting class participated in the Level-Up Business Fair at Cambrian College this week, where they explored a variety of hands-on business activities and simulations! The event showcased the college's business programs while allowing students to participate in interactive challenges focused on marketing, accounting, human resources, and entrepreneurship. One of the highlights of the day came when Henry W. received a \$1,000 tuition bursary to attend Cambrian College in the future - a school he was already planning to attend! "It was so cool," said Harper M. Hudson D. also enjoyed the experience, "the activities made business feel more real!"

HEALTH CARE AT LOCKERBY

This week, students from our Health Care classes and Specialist High Skills Major (SHSM) Program, attended Laurentian University to learn about their Kinesiology Programming. Our Vikings also had the opportunity to experiment with heart rates and physical activity. By the end of their field trip, they were able to analyze an EKG!

DEL F - FRENCH IMMERSION

Congratulations to our French Immersion students who participated and completed their DELF testing this week (Diplôme d'études en langue française). Vikings will receive an official French government diploma once they receive their results. The examination is recognized worldwide and can be used to validate French language proficiency. It consists of a series of independent assessments based on a scale of language proficiency in reading writing, listening and speaking.

ADVANCED PLACEMENT - AP

It's Advanced Placement Examination season! Over the past week, our AP Computer Science and Mathematics students wrote their examinations! Well Done!

Congrats! AP

RAINBOW SCHOOLS' EDSBY PLATFORM

A message from Rainbow District School Board (and Lockerby Composite School)

Dear Parents/Guardians:

Is your email address up-to-date with the school? If your email address has changed, please contact us as soon as possible. The best way to change your email address is to send a message to lockerbyinfo@rainbowschools.ca or lockerby_attend_s@rainbowschools.ca. You can also call the main office at 705-522-1750.

Rainbow District School Board is launching a new communications platform this fall. It's called Edsby and parents/guardians will be invited to register for the application by email. Edsby is popular at many school boards across the province. You will be able to download the Edsby application to your computer, laptop, or smartphone and access board and school information from anywhere at any time. You will also be able to keep track of your child's attendance at school and advise the school when your child will be absent through Edsby. Additional features will be introduced throughout the new school year.

As we streamline our communications with families, Edsby will become an important two-way channel between the school and the home, and the home and the school, for both our elementary and secondary schools. We are excited to share Edsby with you and know you will enjoy using this new platform.

If you are currently receiving email communications from your student's school, that same email will be used to access Edsby. No further action is required. We will invite you to register for Edsby prior to the start of the 2026 - 2027 school year. More information will be shared with you regarding registration in August.

FACES OF LOCKERBY

A message from your Student Council:

Hello Vikings! As in years past, we will continue to post photos of Lockerby students and staff, and share their stories, experiences, and insights!

Faces of Lockerby

Misaki Diavolitsis

What grade are you in?

I am in grade 12.

What is your favourite sport?

I enjoy soccer and running!
I hope to run varsity
post-secondary.

What is your favourite part about being a student at Lockerby?

I like how it is a fairly small school so that I can make connections with a variety of people through sports, intramurals, and classes!

My favourite class was Outdoor Ed. I enjoy math classes as well.

What is your favourite food?

My favourite food is butter chicken, curry, and anything Greek.

What is a fun fact about you?

A fun fact is that I learned to scuba dive this summer!

THIS WEEK IN VIKING ATHLETICS...

Track and Field

Last Friday in North Bay, the Track & Field team competed at the Nipissing Invitational event, bringing home outstanding results! Highlights include a 1, 2, 3 sweep by Gord, Matteo, and Ewan respectively in the Steeple Chase, gold for Misaki in the 1,500km event, and a silver and bronze for Eden in the 1,500km race. Cam had a bronze in the 800m race, Kaylan placed 6th in the long jump, Charlie placed in the top-8 in the 100m dash, and Izzy came 7th in the 3,000m race!

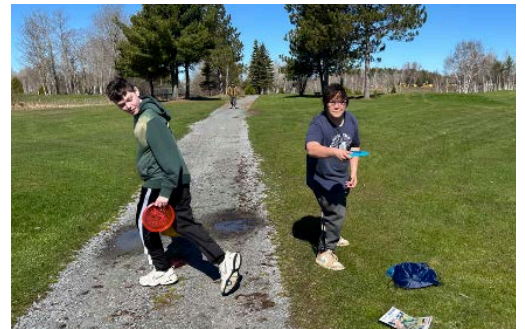

On Wednesday, under the most *perfect conditions,* the Vikings Relay team members flew around the Laurentian University track with lightning speed starts, smooth baton passes, and finishes that left some runners questioning their life choices. Your Vikings set the tone early in the 4x800m race with Misaki, Izzy, Maya, and Kylan coming top-3, while Gord, Isaac, Matteo, and Cam earned the gold! Our mixed 4x400m team (a brand new relay event this year), also earned 2nd place. Once the official results are shared, they will be made available! Congratulations to all competitors for terrific results and for proving that teamwork really does make the dream work — especially when nobody drops the baton!

THIS WEEK IN VIKING ATHLETICS...

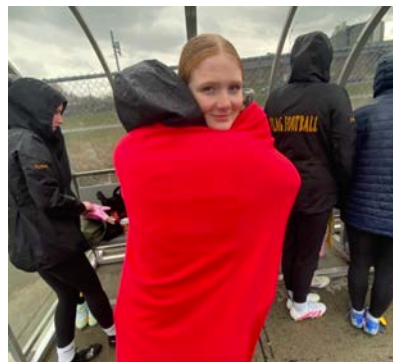

Disc Golf

Congratulations to Lockerby's first-ever Disc Golf team as they competed on Thursday at Twin Stacks Disc Golf Course in the inaugural Sudbury tournament. All Lockerby teams finished in the top-12, including Cameron Y. and Ewan D., who finished 3rd and Miles S. and Istvan K., who finished 5th. Well done, team!

Flag Football

The Vikings' 5v5 flag football team took to James Jerome field this past Saturday in LU Flag's High School Tournament. Your Vikings got off to a hot start on the day, beating St. Benedict's Secondary School by a score of 16 - 6 followed by a 7 - 0 win over Confederation Secondary School, a 0 - 0 tie with Lasalle Secondary School, and a 14 - 7 win over Lively District Secondary School. Unfortunately, a strong Lo-Ellen Park team defeated our team in the Semi-Finals.

THIS WEEK IN VIKING ATHLETICS...

Soccer

On Wednesday, the Junior Boys Soccer team played an excellent game, but only came away with a 0 - 0 draw against St. Charles College!

Meanwhile, the Varsity Girls Soccer team defeated a rival Lasalle Secondary School by a score of 2 - 0 on Wednesday evening. A big Shoutout to Izzy L, who had a shutout in the first half as goalie, then scored 2 goals in the second half!

This week, your Senior Boys Soccer team took to the pitch against St. Charles College which ended in a 1 - 1 draw. Our next game was a 2 - 0 win against Horizon Secondary School, followed by a great 1 - 1 draw showing against Lo-Ellen Park. Great work, Vikings!

Baseball

Your Lockerby Baseball team competed this week against an older and more experienced Confederation Secondary School team and came away with an impressive 8 - 5 win! The team got the bats going in the first inning putting up 4 runs, and Ryland set the stage by pitching the first three innings and only allowing 3 earned runs! Unfortunately, the team weren't able to come away with a victory after playing the St. Charles College juggernaut on Wednesday.

STUDENT SERVICES

Volunteer Opportunities

Sudbury ROCKS - Sunday, May 24th, 2026

Race, Run or Walk for Diabetes. Volunteer with the biggest race in our city - Sudbury Rocks. Register today to earn up to 10 hours toward your community service; visit <https://shorturl.at/aEH24> to register.

Cystic Fibrosis Walk at Bell Park - Sunday, May 31st, 2026

The Cystic Fibrosis Foundation is looking for volunteers for their annual Step Toward Finding A Cure event. Volunteers can assist with the planning and organization. Please contact Jeanine Piche, Walk Coordinator at sudburykinettes@gmail.com or 705-923-3924 for more information.

Sudbury Cyclones Volunteerism

The Sudbury Cyclones are searching for high school volunteers to help with being ballplayers. Those with an interest in volunteering with the Sudbury Cyclones this summer, please contact Julia Williams at julia.williams@swse.ca

Volunteers for Car Show - Saturday, August 1st, 2026

Volunteers needed! The Car Show runs from 7:00am - 5:00pm in Copper Cliff. Please contact Tracey O'Hearn at 705-207-5675 for more information.

University Applications - Important Dates As of Friday, May 29th, 2026

As of Friday, May 29th, 2026, every student who has applied to a university program will have received a response from an Ontario university. A response will be either i) an offer, ii) a refusal, or iii) a deferral pending the receipt of specific additional information. By Monday, June 1st, 2026, Ontario universities require a response to an offer and most likely a financial commitment (e.g., registration deposit, residence deposit, etc.). Note that all other admissions-related elements, including scholarships, student assistance or financial incentives, and residence, are part of the offer of admission. Students must also log into their OUAC accounts to accept their offers; this is a multi-step process. Students will receive a confirmation number once all of the steps in the process are completed. A video tutorial for online responses is available on the OUAC website. This video demonstrates the steps required to respond to a university offer of admission. (<https://www.ouac.on.ca/ugrad-tutorials/#respond>). When complete the submission process is complete, a confirmation number will be sent by email along with a summary of responses to offers of admission and/or changes to your application information.

Aboriginal Secondary School Awards - Thursday, June 4th, 2026

The United Way Centraide North East Ontario, in partnership with N'Swakamok Native Friendship Center, is hosting the Annual Aboriginal Secondary School Awards for Grade 11 and 12 students. The event will begin at 5:00pm and will welcome hundreds of high school students, parents/guardians, teachers and community members to celebrate the achievements of Aboriginal youth in our communities. Students who self-identify as Indigenous and are currently in Grades 11 or 12 and who would like to attend the event are asked to see Ms. Baggs or Mrs. Beaudry.

Prom - Thursday, June 11th, 2026

This year's Prom will be occurring on Thursday, June 11th, 2026, beginning at 7:00pm. More details will follow in the coming months.

Convocation - Monday, June 15th, 2026

Lockerby Composite School's annual Convocation will take place on Monday, June 15th, 2026. The event will take place in Cambrian College's Gymnasium beginning at 6:00pm.

Scholarship

Healthy Democracy Scholarship - Monday, May 25th, 2026

The Healthy Democracy Student Leadership Award seeks to award students with strong leadership skills and potential who care deeply about their communities and furthering their own learning. Eligible Students include Canadian citizens or permanent residents who are in good standing with their secondary school and entering a post-secondary program in Ontario in 2026. Learn more about this scholarship within the Student Services Google Classroom.

Enrichment

Accessible College Transition - Summer 2026

The Accessible College Transition (ACT) course, beginning on Tuesday, July 6th, is offered by NOARC through Cambrian College. This free course is designed to help students with special education needs prepare for post-secondary studies. Students who complete this 8-week course will earn 3 general education credits at Cambrian College. This course is open to Sudbury and area students planning on attending postsecondary studies in the coming year at any college or university. However, the credit is only valid at Cambrian College. To register, please contact Rafiq Rahemtulla: (705) 566-8101, extension 7643 or by email rafiq.rahemtulla@cambriancollege.ca

Are you planning to attend Cambrian College this fall? Cambrian College is offering a free, two-week, on-campus experience from August 24th to September 4th, designed to help students feel prepared, connected, and ready for their post-secondary journey. Learn more and register by visiting the Class of 2026 Google Classroom.

STUDENT SERVICES

Rainbow Schools Summer Programming

Overview

Rainbow District School Board's Summer Learning Program will offer new credit e-learning courses, co-op, credit recovery and upgrading courses. Courses will run from July 2nd to July 31st. An additional co-op credit in August will run from August 1st to August 21st.

Credit Recovery or Upgrading Courses

Credit recovery and upgrading courses for the Sudbury area will run in-person at Sudbury Secondary School, in the Adult Education wing.

During the first seven days of the program, Period 1 classes will run from 8:00am to 10:30am and Period 2 classes from 10:45am to 1:15pm. Class times change on the 8th day until the end of Summer School. They then run from 8:30am to 10:30am and 10:45am to 12:45pm.

A list of tentative course offerings can be found on the Student Services Google Classroom. Courses offered are subject to sufficient student enrolment and teacher availability.

Indigenous Education

Rainbow District School Board's Indigenous Summer Learning Program will offer Civics and Careers and Physical Education at Sudbury Secondary School and Civics and Careers only at Manitoulin Secondary School. Courses will run from July 2nd - July 20th.

Secondary Summer Learning Program

July 2 to 31, 2026

New Credit eLearning Courses

- Learning is taught entirely through the Virtual Learning Environment (VLE) in QEL's Brightspace. Learning is asynchronous, which means students have the flexibility to login and complete work at any time of the day.
- Students should expect to spend approximately five hours per day working on their course. Extensions will NOT be provided for personal vacations where the student is not able to participate in the course. There is no guarantee students will be able to access the VLE outside of Canada.
- Students are permitted to enroll in only ONE summer eLearning course.
- Students should see their guidance counsellor for a complete list of available courses and to register.

Credit Recovery or Upgrading Courses

- Classes will take place in person at Sudbury Secondary School's Adult Day School and are open to students from both public and separate schools.

Schedule:

- Period 1: 8:00 am to 10:30 am
- Period 2: 10:45 am to 1:15 pm

New Credit Co-op Courses

- July 2 to July 31, 2026 (1 or 2 Credit) | August 1 to August 21, 2026 (additional credit)
- Co-op will be available to those students who already have a paid or unpaid placement where the employer has agreed to monitor.
- Looking for a summer Co-op placement? Check out the Summer Co-op 2026 Classroom. Join using code: 2zfq3bcq.

[Contact your guidance counsellor to learn more.](#)

EQAO WEBINARS - GRADE 9 AND GRADE 10

The Education Quality and Achievement Office (EQAO) will be hosting webinars about EQAO assessments in Grades 9 and 10. Please see below for details and registration information:

EQAO Math Session for Parents/Guardians of Grade 9 Students - May 20th at 12:00pm

Join EQAO for a free webinar about how EQAO assesses Grade 9 students' mathematics learning. EQAO staff will discuss mathematics questions from the Grade 9 Assessment of Mathematics. Participants will hear how these questions help assess the skills students are learning in class. Staff will also highlight valuable insights and resources that can help parents and guardians support their child's learning. Please use this link to register:

https://eqao.zoom.us/webinar/register/WN_E_P7XYf9S4WlhfkiEBWPFg#/registration

EQAO Literacy Session for Families: Focus on Reading - June 3rd at 6:00pm

Join EQAO for a free live webinar about how EQAO assesses students' reading skills at key stages of their education. EQAO staff will discuss reading samples and questions from the Primary & Junior Reading Assessments, and the Ontario Secondary School Literacy Test. Participants will hear how these reading passages and questions help assess the skills students are learning in class. Staff will also highlight valuable insights & resources that can help parents and guardians support their child's learning. Please use this link to register:

https://eqao.zoom.us/webinar/register/WN_d5doLU_HSVad0Jmb_V7skQ#/registration

Screen Time & Academic Achievement on EQAO Assessments - June 9th at 6:00pm

EQAO is pleased to welcome the TARGET Kids! Research Team (www.targetkids.ca) as they present their work examining the relationship between children's screen time and other health behaviours and academic achievement over time on EQAO's large-scale assessments of reading, writing and mathematics. Team members from EQAO and TARGET Kids! will answer participants' questions about this important research. Live English to French translation will be available to participants. Please use this link to register:

https://eqao.zoom.us/webinar/register/WN_RuB0nCjLR3m5W9ygfFb9w#/registration

EQAO Literacy Session for Families: Focus on Writing - June 11th at 12:00pm

Join EQAO for a free live webinar about how EQAO assesses students' writing skills at key stages of their education. EQAO staff will discuss writing prompts and questions from the reading component of the primary- and junior-division assessments and from the Ontario Secondary School Literacy Test. Participants will hear how these prompts and questions help assess the skills students are learning in class. Staff will also highlight valuable insights and resources that can help parents and guardians support their child's learning. Please use this link to register:

https://eqao.zoom.us/webinar/register/WN_F3XF343SQve5ZGR6fEfLoA#/registration

Dear Parent/Guardian,

RE:INVITATION TO BOOK YOUR STUDENT'S IPRC REVIEW MEETING

Each year, Lockerby Composite School holds an **Identification, Placement, and Review Committee (I.P.R.C.)** meeting for your student. This meeting is an opportunity to review your student's **exceptionality and placement** to ensure they are receiving the appropriate support and programming. It also allows us to reflect on your child's progress and confirm that the current identification remains accurate.

We would like to invite you to book a time for your student's **Annual IPRC Review**, which will take place between **June 9 and June 10, 2026**, at the school.

To select a meeting time, please use our online booking tool: <https://tinyurl.com/LCSIPRC> or scan the QR code using a smartphone.

If you have any questions or need assistance with the booking process, please don't hesitate to reach out.

Thank you for your continued support. We look forward to meeting with you to discuss your student's progress and next steps.

Warm regards,

Andrew Ferri
Program Leader, Special Education
