NEPTUNE'S MYSTIC PROM - 2026

On Thursday evening, Lockerby Composite School hosted Prom for the Class of 2026! It was a beautiful evening, full of dancing, laughter, and making memories. Thank you to the Prom Committee for all of their hard work, Student Council volunteers for setting-up the venue, and to our staff chaperones.

MOCK TRIAL

Lockerby students in Ms. Caddel's Grade 12 Canadian and International Law Class took part in the Sudbury District Mock Trial competition on Monday! They brought back the 'Edward James Conroy Civility Award.' Their hard work and efforts deserve congratulations: Faleesha, Jorja, John, Sheira, Sophia, and Althea. Many thanks to the coaches from Desmarais Keenan LLP, Lockerby Alumni James Carpino (pictured), Michael McNamara, and Brandy Charsley

OUTDOOR EDUCATION

On Wednesday, Thursday, and Friday, students in the Outdoor Activities class canoed, hiked, and camped in Killarney during their backcountry wilderness trip. Students experienced clear waters, hikes, and little bit of rain, all while spending quality time together, overcoming personal challenges, and feeding several mosquitoes.

ACCOUNTING AT LOCKERBY

The Grade 11 Accounting class continued to complete a year-end project this week by playing a modified version of the classic board game Monopoly! Working in groups of four, students managed their own sole proprietorships and journalized the economic events that occurred throughout the game. As they played, they recorded transactions such as paying rent and utilities, incurring legal expenses, purchasing vehicles and properties, and many other business activities!

DEPUTY MINISTER COLE VISIT

On Friday, the Deputy Minister of Education, Denise Cole, came to Lockerby Composite School to visit Grade 10 STEP students. Interested in learning about our Science and Technology Education Program, the Deputy Minister said so many positive things about our students, school, and community. We hope that she will visit again soon!

STUDENT COUNCIL YEAR-END

This past week, our Student Council hosted a variety of activities for our school community! On Monday, they celebrated our Grade 12s with cake and photos. On Tuesday, we had a 'Candy Guessing Contest' in the Main Foyer. On Wednesday at lunch, they helped with the pizza and Papaya Pops fundraisers, and hosted a potluck for our amazing custodial staff, as they are the champions behind the scenes for every event we host in our building! Thank you to our Lockerby Custodial Staff! Also, they helped setup and take-down Prom on Thursday evening! We are so fortunate to have such a great leadership team on our Student Council.

MASK SCULPTURES

Last week, Grade 9 students started their final artwork – a plaster mask. Working together, they shared designs and helped each other sculpt their mask. This week, students have been working on additive sculptural aspects of their mask and will finish painting and decorating it next week. Stay tuned for the final product!

PARENT/GUARDIAN HANDBOOK

As part of School Council's aim to continue to engage parents/guardians in our school community, Lockerby Composite School was able to put together a valuable resource for all of our Parents/Guardians. The booklet itself contains information about our high school, our school culture, policies/procedures, and general details about our students' four-year educational journeys.

The digital guide can be found on our website under the 'Frequent Links' tab (School Handbook). A big thank you goes out to our School Council members that contributed to its production, and a special shout-out to Jen G., for all of her hard work again this year in digitizing all of the information!

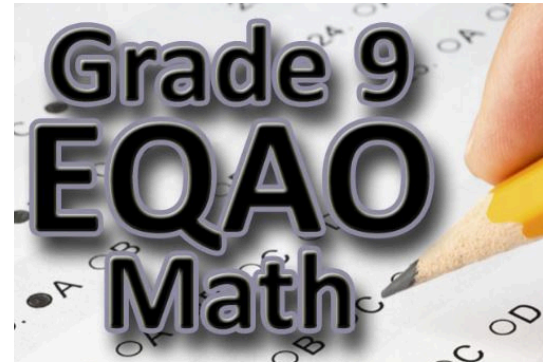

THE VIKING ECO-CREVICE!

Lockerby's Environmental Council will soon be unveiling the 'Eco-Crevice!' They've been working hard all year to get our under-utilized small courtyard ready for relaxation, learning, and nature communing! Our Senior Construction classes (led by Mr. Christie) built picnic tables and seating for the Lockerby 'Eco-Crevice.' Stay tuned for the official ribbon cutting!

EQAO MATHEMATICS (GRADE 9)

All Grade 9 students continue to participate in school-wide EQAO activities and onboarding to help support their numeracy skills. June 15th and June 16th, will be our school's EQAO testing days. Last year, the Ministry of Education directed school boards and schools that results from the assessment be considered as part of a student's Grade 9 Mathematics mark. On behalf of the Viking Community, we wish all of our Grade 9 students good luck during the next week - you got this!

MINISTRY OF EDUCATION - MATH ACHIEVEMENT PLAN

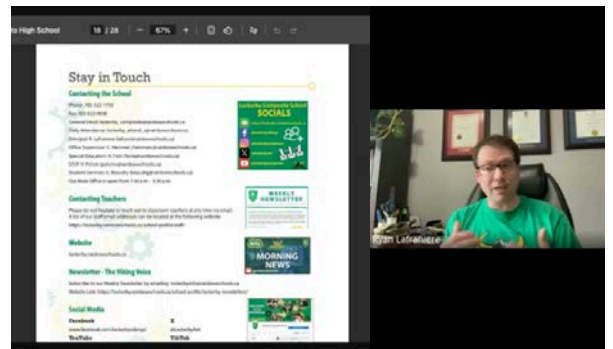

A message from Rainbow District School Board (and Lockerby Composite School)

Dear Parents/Guardians:

As part of the Ministry of Education's Math Achievement Plan for Ontario, Rainbow District School Board is required to collect survey data throughout the year to evaluate the implementation of their 2025 - 2026 Math Action Plan. Information collected is anonymous (email address and identifying information is not collected) and will be used for planning and reporting purposes only. Rainbow Schools greatly values your input and would appreciate your feedback on this [BRIEF SURVEY](#). The survey will remain open to responses until Monday, June 22nd, 2026.

CLASS OF 2030

Parents/Guardians of incoming Grade 9 students attended the Lockerby Virtual Orientation Session on Wednesday, June 10th, 2026 at 7:00pm. At the session, incoming Grade 9 families learned about the Viking Community and our students' four-year educational journeys! Thank you to the 70+ who joined a few evenings ago. If you missed the Virtual Information, the recording will be posted to our website and to our Youtube page in the coming days.

YEAR-END HOUSEKEEPING ITEMS

It goes without saying that there have been many ebbs and flows throughout the 2025 – 2026 school year, and at this time, we would like to extend our thanks to the Viking Community for their ongoing support. Having said that, and as the school year quickly comes to an end, there are a few important housekeeping items that remain:

Final Examinations

The end of the school year is only a few days away, which means that students are or have finished preparing for their final culminating activities and examinations. Each course will have different final evaluation(s) depending on its course content. For those courses with an examination, a final schedule can be found on Page 7 of this 'Viking Voice' Edition. The last day that examinations have been scheduled is Thursday, June 25th, 2026.

School Item Returns

Lockerby Composite School has loaned several materials to our Vikings students this past school year. We are asking that all of these loaned items now be returned to the school. If students have final examinations in the next two weeks, they can return all items then. In order to prepare for the next school year, students are required to return items such as:

- technology (eg. iPads, chromebooks, cameras, etc.)
- textbooks / English books / Library books
- laboratory equipment
- woodworking, auto, and other technological equipment
- physical education equipment / sportswear
- musical instruments / borrowed visual arts supplies

When returning items, if not already given to teachers, students are asked to visit the Main Office. Office Staff will be on-hand to collect all materials.

Lockers

All Lockerby Composite School locks must remain on the lockers before you leave for summer holidays. During the examination period, students will be unable to access your lockers while other classrooms are writing. Books, bags, and coats will remain at the front of the classroom where students will be writing their examinations.

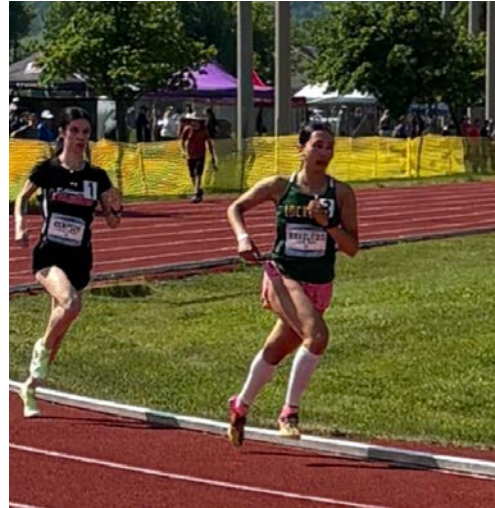

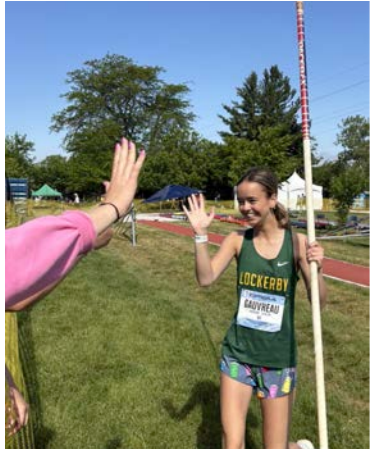

Final Report Cards and Timetables

Grade 9 - 12 Report Cards can be picked-up at the school (Main Office) on July 6th - 7th (9:00am - 3:00pm). Graduates will also have the opportunity to pick-up any remaining graduation items as well as their transcript. Copies of student timetables for September will also be available for pick-up with Report Cards for all Grade 9 - 11 students. Please be aware that any changes to timetables will have to wait until the last week of August, as our school will be closed until then.
